NEW GOODS AGAIN AT

Creech's.

SECOND STOCK THIS SEASON.

It affords me more than ordinary pleasure to offer to the trade and consumers of Dry Goods, a second stock bought within the last few days in New York, and will be sold at prices which enables me to ask competition rices which enables me to ask competition to odds. My stock of Dress Goods embrace a large

My stock of Dress Goods embrace a large and complete line of beautiful shades and colors, from low price to fine fabric. My stock of piece goods. Hats, Boots, Shoes, Carpets, Yankee Notions, &c., is no doubt the largest to be found in the city, and to which I would call the special attention of close buyers, and here allow me to say that I do not propose to close or whid up my business, but on the contrary to extend it. So bear in mind Creech's is the place. Those who study economy and profitable investment can do no better than to give me a

nvestment can do no better than to give me a Being truly alive to the demands of the

hour, and anxious to secure a large trade, claim to put before the public the largest stock to be found in the city. nov24 d3m. A. CREECH.

SALE OF VALUABLE REAL AND PER SONAL PROPERTY. On the 17th day of December next we will sail at jublic ascion on the premises, the farm known as the "Richland Plantation," situate four miles and one has west of Ral-riab, and at the same time and place the entire equipment of said farm, consisting, of hores, mailes, coirs, cales, pointry, expansions, of hores, mailes, coirs, cales, pointry, regons caris ploughs, harnes, e. This farm contains about three hundred and fifty acros. Upon it are a perfectly new and so cellently arranged (WELLING HOUSE, in which are seven comfor table rooms, a new very large and most convenient barn, covering under one roof Stables, combine hay left, Carriage and Wagon Rooms and Shelvers. A large and well arranged Gin House with the celebrated Needle Gin nn by one of Blake's Turbine Water Water bards Notelle Gill, thin by one of Blake's Turpine Water Wheels, and power sufficient to run a Grist mill, and pond of water; the latter, covering three acres of land and well stocked with choice fish, is fed by a bold tream and will run a gin ten hours out of every twenty four, independently of rain or need-water. Blacksmith and Wood work -hops with complete sets of tools, and new and commodious Kitchens, biomeric to house, accessing in could by cour nint to house, sitchen and stock lot ; and the Dairy com bines in one building a perfect ice Hou

Spring House. We will also, on the 19rs DAY of DECEM-BER NEXT, soil at public auction, on the premises, the plantation known as "THE EXETE: t FARM." This trut lies in St. Mary's Township, ten miles South East of Rai-ight, and is about two miles destant from Auburn, one of the depose of the North Caro-lina Kailroad. It contains about two min-DRED AND SIXTY ACRES. Upon it are snex eilent Dweiling House, con alning eight rooms, which has very lately been thoroughly repaired and painted. A very large, roomy and new Gin House, provided with every ar rangement and conveniences for receiving, annowing strong, graning and packing co-t n, in the building are one of Blandy's new fitteen horse power Steam Engines, with fixthres complete and in first rate running order A Zanesville Grist Mill, the runners of best burrst ne and now in perfect condition; a very excellent Tajlor's Gin and Powerpress and Black-mith and Woodwork Shops with fell cas of tools. We will sell at the time and place last mentioned the full equipment of the Exeter Farm, consisting of nules, cattle, hogs, poultry, We can say to persons desiring to purchase, that the two farms above described cannot be urpassed in the State for completeness and conveniences of arrangement; for the number, size and value of the buildings and enclosed es or for thoroughness of equipment The land is of the best quality, produces ex-ton as finely as any in the State and is now in a high state of cultivation. There is upon both Plantai in a young thrifty or-chard of considerable extent and of the choicest varie ics of fruit trees. Among the cat the area wine the young cow, imported at a cost of two hundred and fifty dollars, a built of ex-editent stock and size, and several blooded ches-ter and Berkshire. The mules were all selected with skill and judgment, and are young healthy and in good order. The horses are too well known to require more than mention A visit to either of these plantations will r fit any farmer. The real estate will be sold upon the following terms: one third in each, the balance in equal is stalments at one, two, and three years with interest from date of sale. Title

and Gov. Holden took possession. The Company was not then embaurassed with debt. In March. 1871, the Legislature, for reacons satisfactory to it, removed the State

Directors and appointed others in their places. Gov. Vance, Judge Merrimon, Dr. McDowell and myself were Directors for the private stockholders. After much

take the Presidency. The Company was owing large sums of

money to contractors along the line, and its first mortgage bonds were all pledged in New York for loans smounting to \$326,000 which were then falling due. The credit its in New York were about to

sell these bonds to pay their claims, 1 hurried on there to see these creditors, to whom I paid some \$12,000 and by giving

FREE PASS PHOTOGRAPHS FOR LEGIS-LATURES .- The members of the Legislature of both Pennsylvania and New Jersey are in the habit of transferring their passes over the Peinsylvania road It made Tom Scott mad and he threatened to stop the pass system, unless this practice was given up. But how to stop it was the question. At last a happy thought struck a member of the Pennsylvania Legislature, and he suggested that a photograph of the person to whom a pies was granted should be attached to

the back of the ticket. And we read that Tom grasped the idea, and now any person desiring to renew a pass must send forward a photograph, which will be copied and the copy pasted on the ticket. Lest the arrangement might embarrass egislation, a railroad photographer has been sent to Trenton and another to Har-
