FOOLING WITH A SAW MILL.—A man never gets the best of a saw mill. After thirty years experience he is mighty apt to come out loser of a hand or a foot. We now hear from Mr. Lindsay, at Lumberton, who undertook to sharpen his saw last Wednesday, leaving the gearing on the wheel, and hadn't quite turned the steam off. Mr. Lindsay was an old and experienced hand at a saw mill, but he has one leg less to-day.

TWO GOBBLERS.—The little son of Mrs. Simpson Holland, in Buckhorn township, is a boy of ten and goes to school to Mr. Henry Norris. A few mornings since as he was on his way to school two wild turkeys in a fight attracted his attention. They had a firm hold on each other. The boy witnessed the sport for some time and like the Irishman he ran in and surrounded them, capturing both of them. A negro man came up in nick of time, and both turkeys soon lay on the ground with their throats cut.

The people of the United States have been engaged in just such wild turkey business for about fifteen years. Governor J. M. Jones lives near Mrs. Holland, and vouches for the truth of this turkey story. The turkeys weighed when dressed 18 lbs each.

A MESS OF NEWS.—A Berlin circus horse sits at a table and eats like a man, the knife and fork fastened to his forelegs by straps.—They have now got it up on the women that it is with the severest difficulty they can sit up gracefully to a carriage.—The average age of a Sheffield cork grinder is 30 years—killed by the dust.—Miss Townley played coquette with two young gentlemen at Santa Fe, and they both drew pistols, and one shot other dead in the ball room.—Baltimore is to have a morgue for the unknown dead.—The largest diamond in America is in a show window in San Francisco, it was found two years ago in Africa, and was polished in Amsterdam, its value is only $30,000. The next largest diamond is owned by "Boss" Tweed and weighs only 17 1-2 karats.—A New Orleans negro killed one of Sheridan's soldiers last Sunday night.—The Legislature of Georgia have defeated the call of a convention by 20 to 17.

ALL ABOUT.—The Illinois Senate has appropriated fifty thousand dollars to a monument for Stephen A. Douglas.—Christine Nilsson is engaged one thousand a night for twelve operatic concerts in France next month.—Under Don Alfonso the salary of a bishop is two hundred and forty pounds.—The old Catholics of Baden-Baden have abolished auricular confession.—The German Parliament by 184 to 91 votes have decreed that marriages are only legal when performed by State officials.—The grand jury of Chicago have indicted the papers of that city for publishing lottery advertisements.—Twenty thousand of the fifty thousand babies born in Paris every year are put out to nurse.—Gen. Schenck's little book on draw poker is to be printed in New York.—The veteran pianist Pixis died recently at Baden-Baden, aged eighty-seven years.—A lady in Charlotte advertises for the name of a fruit, color like an orange and egg-shaped, which is used at the Jewish feast of Tabernacles.—John Mitchell, "our John," will be nominated for the House of Commons from Tipperary, Ireland.—A turkey was killed for the table in Hillsboro and a large brass pin found in its gizzard.—For real nice tales about burglars commend us to the Wilmington papers.—Judge Kerr delivers an address to the young men of Graham to-morrow night.—*The Gleaner* is the name of a bright little weekly just started in the town of Graham.

GOOD TEMPLARS' CONVENTION.—The District Convention of Good Templars assembled at their hall yesterday at ten o'clock. N. B. Broughton, C. W. C. T., presided. The District was well represented, especially Granville county, though Dr. Booth, the District deputy, was detained at home by professional duties.

A public meeting was held last night, to which citizens generally were invited.

The meeting was opened with prayer by Rev Dr Pritchard, and a song sung by the ladies, "Work for the Night is Coming." The speakers were Messrs. Ramsay, Pritchard and Murphy. We have not space for the able and entertaining speeches.

In the afternoon session speeches were made by several members of the order.

Miss Blanche Pentress read an essay upon "Woman's Work in Temperance," which was well received, and reflected great credit to the author, as a writer, as well as a reader.

The Order is in session at this writing. The Convention will adjourn to night after a grand tea party to be given by the members of Hickman and Bethel lodges, of this city.

The Good Templars have done much good where they have been organized, and where is the place they have not been, name it and Ramsay will be there.

Telegraphic News.

FROM WASHINGTON.

WASHINGTON, Feb. 17.—HOUSE.—The Tariff bill was discussed all day in the Committee of the Whole.

An amendment was adopted increasing the duty on champagne from six dollars per dozen quarters to nine dollars and from three dollars per dozen pints to four and a half dollars.

Information has been received here that a motion was made to day by D. T. Russell, counsel for the plaintiffs before Judge Bond, of the United States Circuit Court at Baltimore, for an injunction to prohibit the holding of the municipal election of Wilmington, North Carolina, on the ground that the charter recently adopted by the Legislature of North Carolina disfranchises the negroes. The case is to be tried at Raleigh, March the 9th.

A man, supposed to be laboring under temporary insanity, leaped from the dome of the Capitol to-day to the roof of the main building, which is at least one hundred and fifty feet. His name is unknown. The dreadful occurrence caused great excitement.

BOSTON WOOL MARKET.

BOSTON, Feb. 16.—There is a steady demand for all kinds of domestic wool. Manufacturers are purchasing in lots as wanted, and fair average sales are noticeable, for some weeks past, on a comparatively dull market, which indicates that the stock in the hands of manufacturers is quite small. No material change in prices is expected at present, as the bulk of the stock is held with considerable firmness, and only desirable lots of fleeced are offered where full current prices are realized. The sales of Ohio and Pennsylvania fleeces have been 53 to 57 cents for treble extra and choice.

FOREIGN NEWS.

PARIS, Feb. 17.—It is reported that Father Don Carlos, Don Alfonso and others have raised a large sum in London to carry on the war against Alfonso.

The Assembly has adjourned until Friday.

KINGSTON, Feb. 17.—Five hundred houses have been burned in Port Au-Prince.

LONDON, Feb. 17.—Prince Imperial, at Woolwich, was the seventh in his class, and first in the fencing and riding.

HUNTINGTON, W. VA., Feb. 17.—On the joint ballot in the Legislature to-day for U. S. Senator, Allen T. Caperton received 68, Berkshire 14. The Republicans voting for Berkshire.

FROM BALTIMORE.

BALTIMORE, Feb. 16.—It is stated that orders have been issued to the employes in New York of the Pennsylvania Railroad to receive no freight and issue no tickets for points on the Baltimore and Ohio Railroad, now to honor through tickets issued by the same.

MONEY IS A DEFENCE.

SENATE CHAMBER, Feb. 13, 1875.

Mr. Editor:—The Bible says wisdom is a defence and money is a defence; I hope the wisdom of this Legislature will overcome the money of the banks and money lenders. Already a bill is just introduced in the Senate to postpone the operation of the bill until January 1876, and on the heels of this bill a move was made by the opposition to repeal the previous question—preparatory for the House to send the Usury bill back to the Senate and there have it slaughtered by a multitude of amendments and filibustering. We hope the wisdom of the Legislature will not be caught in this money trap of the bank men and their advocates. A trap is set in the Senate, but I trust the House will not be so foolish as to walk into it. YOUTH. X.

SCOVILL'S
Blood and Liver Syrup!

All cutaneous eruptions on the face or body indicate AN IMPURE CONDITION OF THE BLOOD and this may, or may not be SCROFULA; but in either case the disease is nothing more than an INSIDIOUS POISON that

BURNS LIKE A TERRIBLE FIRE,

as it courses through the veins, sowing seeds of death with every pulsation.

In this condition of things something needed AT ONCE, to CLEANSE THE BLOOD; and SCOVILL'S BLOOD AND LIVER SYRUP will POSITIVELY effect this desideratum, expelling every trace of disease from the blood and system, and leaving the skin

SOFT, FAIR AND BEAUTIFUL.

Hundreds of certificates attest its value. Price $1 per bottle.
