MISS TATE.—The Greensboro' *Patriot* copies the SENTINEL's notice of the singing of Miss Katie Tate, and styles that young lady as Greensboro's bird.

DEATH IN GRANVILLE.—We regret to learn the death of Mr. Aaron Sherron who died in Granville county on the 17th inst., in the 78th year of his age.

JOHN PEED, ESQ.—We regret to learn this useful man has in a great degree lost his mind. He is afflicted with something like softening of the brain. His has been an active and useful life. He was a Mason, Washingtonian, Good Templar and strict church man. The church, lodge and temperance societies will all miss him. He was public spirited and took a lively interest in county and State affairs. The affliction of such a man is a public calamity.

ALAMANCE ITEMS.—The Court week has been one of unusual interest. Judge Kerr, sentenced three to the penitentiary, two for larceny and one for putting out the eye of his antagonist in a fight. The Judge closed Court yesterday, but it will be resumed by Judge McKoy next Monday.

Last night Judge Kerr delivered an address before the pupils of the Graham High School. The chapel was crowded and the Judge fully sustained his reputation for profound thoughts and eloquent expressions.

The farmers in this part of the State are very much behind with their work.

A NEW WITNESS.—A Providence seems to be bringing up witnesses against Beecher. The other day a Mrs. Lyon visited a hospital in Brooklyn and there she met an Irish woman who had been laid up with the "brown keeters" and Mrs. Lyon told her she could get her a good place to nurse in Brooklyn. The woman replied she had nursed once before in a family in Brooklyn, and on enquiry as to where, she answered in Theodore Tilton's family. Mrs. Lyon immediately sat down for a good chat, and Catherine Carey told of some things she had seen when a wet nurse for Mrs. Tilton. All this was told to Tilton's counsel and now Catherine has been upon the stand and told the same things before the court.

ANOTHER ORPHAN RESCUED.—Dr. Norment, member in the House, has just returned from Robeson county. He brought with him a little white boy, Johnnie Woodell, eight years old, and shipped him to the orphan asylum at Oxford. The history of the boy is this. His father ran off to Texas, and his mother took him when a baby and gave him to old aunt Jane Drake, negro, who was at work in the field. Aunt Jane raised him till eight years old, and the other day she stepped over to the Courthouse at Lumberton and told the clerk of the Court, Mr. Thompson, she had a little boy she wanted him to bind to her. The clerk told her to bring him on, and last Saturday she appeared before him, holding little Johnnie by the hand. Mr. Thompson told the old aunty that this was a boy "of another color," and he couldn't bind him much, but he took him to the store and dressed him up in a nice suit of clothes and immediately started him for Oxford in charge of Dr. Norment, and aunt Jane went home with her apron to her eyes.

GOOD FOR NEWBERN.—The city of Newbern was put on a property basis in the Senate yesterday. Mr. Bell's bill to amend her charter ran through the several readings like it was greased. Mr. Parish in voting aye said it was announced on this floor yesterday that the last act of the retiring board of commissioners was to resolve to burn all their vouchers and thus obliterate and destroy all trace of their acts and conduct, and a board that could be guilty of such conduct was unfit to hold office of any kind, and a constituency who would elect such were unworthy the right of suffrage. He said it had further been stated there was a certain rat, a very mischievous rat, which when pursued would run in his hole and pull the hole in after him, thus destroying every vestige of his existence. He opined that the commissioners of Newbern learned that practice from the rats, but he felt it his duty to help relieve an oppressed people and to stop as many rat holes as he could and he therefore voted aye on this bill.

Mr. Seloy in explaining his vote said: Mr. Speaker: Whenever I can under the forms of law use my power as a member of the Senate to give power and authority to my own race and color, and also to intelligence and virtue, I shall feel it my duty to do so—and shall do so; and he voted aye.

Tucker, col., in voting no said the bill was a fraud, and he wanted 'em to understand that Mr. Stanley was not chairman of that board.

SCOVILL'S

Blood and Liver Syrup!

All cutaneous eruptions on the face or body indicate AN IMPURE CONDITION OF THE BLOOD and this may, or may not be SCROFULA; but in either case the disease is nothing more than an INSIDIOUS POISON that

BURNS LIKE A TERRIBLE FIRE,

as it courses through the veins, sowing seeds of death with every pulsation.

In this condition of things something needed AT ONCE, to CLEANSE THE BLOOD; and SCOVILL'S BLOOD AND LIVER SYRUP will POSITIVELY effect this desideratum, expelling every trace of disease from the blood and system, and leaving the skin

SOFT, FAIR AND BEAUTIFUL.

Hundreds of certificates attest its value. Price $1 per bottle.
