SAWDUST AND ROSIN. -- Who but ranker would ever have thought it ? We learn that one of these enterprising geniuses is now doing a driving husiness in the city of Wilmiogton after a tashion of this sort : He gets the sawdust from the

mills for little or bothing, and mixes it up with melted rosin like making up dough, and then moulds it into little blocks shaped ake blicks, and ships them north, where they are used for kindling fires, and reading sell for five cents apier

SUNDAY IN RALEIGH .- A streak of clear is in the sky, and the three o'c'ock bells are ringing for evening service, the ar is full of music and the colored people march a corpse to the grave, the brass band playing a functal dirge. It has poured down rain since twelve last night ; has just held up. A bad cold keeps a budg at home. The churches all held

Mr. Linney, resolution that Senate go into executive session next Wednesday at 19 m., to receive nominations from the Governor to fill the Board of Directors of the State penitentiary. Adopted. Mr. Marier, resolution to pay actual expenses of committee on Western Insane

Awlum. Adopted Mr. Ca stwell, bill to r-gulate proceed ings in bastardy. Referred. THE WESTERN INSANE ASYLUM

There was a hard fought fight in the session Saturday aight over the point at which to establish another insane asylum. Senators balloted until after eleven o'clock, and finally adjourned without of the State. coming to a decision. State-ville and

Hickory stood middle in the race, and Raleigh, Newbern, High Point and Abbottsburg were on the ragged edge of the end. The main tussle was between Asheville and Morganton. Senator Taylor made his best speach of the session in favor of Asheville. When the Senate adjourned the ballot stood 20 for Morganton, and 17 for Asheville, with a scatter-

ing for the other places. This morning the Senate agreed on Morganton as the point, and the resolution proposed \$200,000 appropriations, and not more than \$50,000 to be spent in any one year.

KELLY'S PATENT UMBRELLA-HOL-DER. For Buggies, Wagous, Boats, Saddles and other open Vehicles. This exceedingly in-genious and usefol invention supplies a want long felt by those who ride in open vehicles. It is so simple in its construction that a child can manare it after once observation that a child can manage is after once observing the appa-ratus. It can be screwed down to any vehicle can be placed it altor once observing the appe-ratus. It can be screwed down to any vehicle without inconvenience. It does not disfigure the appearance of any wagon or buggy. It can be placed at any elswaiton, or inclined in any direction with perfect case in a moments time. When not in use it can be so disposed between the cashions, by the simple turning of a thrumb screw, as to be entirely out of the way, and will subject persons riding to no in-convenience whatever. Any person of ordi-nary mind can adapt it to his vehicle without the aid of directions. Its price is within the reach of all. Every owner of an open vehicle about in have one. Any kind of an Umbrelia will adjust. They can be purchased, whole-nale and retail, at JULIUS LEWIS & CU's. Frice at retail \$3. Etate and county Rights for sale. Address.

M. KELLY, Patentee, Raleigh, N. C.
