

CONVENTION.

We do not exactly know what Gov. Vance meant in his telegram declaring his readiness to support a Convention...

We can explain. Governor Vance was among the first to declare for Convention in Charlotte. Gen. Gordon, Gen. Ransom and the Southern delegation in Congress were opposed to calling a Convention...

KICKED OVER THE MILK. The best cows will jump, but kick over the milk. We have heard of cows after giving the greatest quantity of the richest milk...

Since writing the foregoing I am pleased to learn that the Legislature has expressed a purpose to postpone the operation of the Ferry Law until next fall.

Your friend Major Smith can never get his disabilities removed. Gaudier has great influence on our side and Candler on the other, and both together will not be able to relieve our friend.

I think you quit subscribing to the Sentinel about the time we put the Agricultural Journal after Turner, and had him done around the Fair Grounds as Judge Watts' bull. It did not kill Turner, but I remember it like to have killed you and your Executive Committee with laughter.

I think the banks have agreed to quit advertising their quarterly reports in the Sentinel.

With free passes for all our editors and most of the stockholders and managers at all the courts for the News, I am sure we will witness him in two more years.

I go to see Simpson and Governor Hodges very often. The Governor talks religion mostly. Simpson is very sick with neuralgia or erysipelas. Dr. Hawkins and Simpson meet tolerably often, and things move when they get their heads together.

P. S. If we get a Convention you must run a compromise candidate like Boy or Ray or Gen. Bill Albright. It will tend to keep down party spirit, and say one of the three would board with me.

the mortgage debt, they feel safe. By the free ticket bribery system they can usually able to build up a cord of friends and admirers, dead-heads sufficient to influence distant directors and stockholders to continue them in office. The truth and fact is, the issue of pass is cannot be honestly defended. It is being abolished in the North and West by legislative interference. It is a pregnant source of complaint, and should be abolished, by law, now—and rigor speedily. Legislators should not allow the pass to be retained, to deter them from their honest, immediate duty. G. P.

For the Sentinel. One thing must not be forgotten. He who undertakes to expose the far-reaching schemes, the cunning artifices, the plausible devices of the railroad rings, is sure to receive—under one pretense or another—the unmeasured contempt of the ring, the venomous assaults, the stinging rebuffs of the ring, its agents, dependents, and apologists. Indeed, he may count himself fortunate if he escapes the contumacious of his personal friends, honest outsiders, who (not knowing the motives which prompt the ring assaults, and their source and origin) are sometimes made to believe all the evil ring men say of those who are frustrating their plans; especially if political feeling and prejudicial or the good of the party are adversely appealed to. Bearing these things in mind, we may account for and see through much of the denunciations we see from time to time here of this or that editor, whose discussions are charged as damaging the party; when really they are damaging only to ring elements who are an incubus, a dead weight which the party is carrying, to its constant damage and ultimate destruction. It cannot be denied that the conservative-democratic party now has many such in it—though not of it; camp followers. Men who seek to do direct its policy and measure as shall turn the most dollars to their own pockets. The services of such men in the democratic camp, like those of Arnold in the old Revolutionary camp, are not needed. Schuchman, who figures so disgracefully in the Pacific Mail investigation; yet the party must disown him or share in his disgrace. So with these ring men everywhere. The truth should be told; and the sooner they leave the better it will be for the party. Debauchations of an editor who is honestly seeking to weed out the corrupt members, or keep his party from becoming the tool of rings and cliques, should carry no weight at all with honest fighting, penetrating men concerned only for the public welfare. Robbery by democratic rings, is no better than robbery by radical rings. The conservative party must identify itself with the public interests, and root out all corrupt rings, or it will be overthrown. The pretended conservative who barbers his principles and his party for the mass of pottage furnished by the rings, is in the wrong house, and should be shown to the door. The loss of him and his adherents will be more than supplied by accessions of honest men from the opposing camp.

Grateful Throatmen protest VINEGAR BITTERS the most wonderful remedy that ever existed for the sickly system.

No Person can take these Bitters according to directions, and remaining unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the Southern States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by excessive and painful irritation of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Irritation of the Liver, Pain in the Region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swelling, Ulcers, Bristles, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Ulcers, Mercurial Affections, Old Sores, Eruptions of the Skin, Ringworm, Scald-head, Sore Eyes, Erysipelas, Itch, Scurs, Discolorations of the Skin, Humors, and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Painters, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Bitters Bitters, directly influence that important organ, and is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores, cleanse it when you find it obstructed and sluggish in the veins; when you feel a full, heavy feeling, and tell you know the blood pure, and the health of the system will follow.
