J. J. RUBEEBA ARE YOU

Weak, Nervous, or Debilitated?

Are you so languid that any exertion requires more of an effort than you feel capable of making?

Then try JURTEBA, the wonderful tonic and invigorant, which acts so beneficially on the sensitive organs as to impart vigor to a languid frame.

It is an absolute appetizer, which stimulates for a short time, only to let the sufferer fall to a lower depth of misery, but it is a vegetable tonic acting directly on the liver and spleen.

It regulates the Bowels, quietes the nerves, and gives such a healthy tone to the whole system as to soon make the invalid feel like a new person.

Its operation is not violent, but is characterized by great gentleness; the patient experiences no sudden change, no marked results, but gradually his troubles

"Fold their tents, like the Arabs,

And silently strew away."

This is now an old and tested discovery, but has been long used with wonderful results, and is pronounced by the highest medical authorities, "the most powerful and safest known."

Get your druggist for it.

Official Report:

The following is the sworn return of the sales of certain Hand made by the leading Companies for 1872.

A examination of the same shows that show that the "Ingers" has largely increased its sales while the other companies have fallen off.

The Singer has shown a large increase in sales every year in the last four years for the last four years will prove.

In 1871 the Singer sold 55,784 more machines than their highest competitor.

In 1872 the Singer sold 115,556 more than their highest competitor.

In 1873 the Singer sold 148,823 more machines than their highest competitor.

Making the sum total of 260,137 Machines in four years and 260,000 more than their highest competitor.

These facts prove the great superiority of the Singer over any other machine.

The question is, how long will other companies continue to keep open offices in the different cities and towns where they are selling so few machines.

Persons who think of buying or exchanging old ones (of whatever kind) are invited to consult their interest by getting a reliable machine from the old and reliable Singer Manufacturing Co.,

Office No. 12 Fayetteville St., Raleigh, N. C.

Machines sent to any part of the State through our Agents, and full instructions given.
