NEWS FROM FRANKLIN

A. C. Green is making splendid speeches. Bullock, his opponent, has not yet met him. Our chances for carrying Franklin by a hundred majority are very fine now, and continually improving.

GET AWAY

The Salisbury Watchmen say: We learn that of the convicts who were taken to Morganton on Saturday last, five have already escaped. That's doing pretty well for the State, as the convicts are under bond for their safe keeping at the rate of two hundred dollars per head.

THE CIVIL SERVICE

At the session of the Board of Aldermen held on the 16th inst., on motion of Alderman Harris it was ordered that a committee of five be appointed, with power to employ a clerk, to take into consideration the financial condition of the city since the defeat of the bill to limit the debt of the city, and Aldermen McKee, Elliott, Blake, Harrison and R. H. Johns, were named said committee.

COMMUTATION OF A DEATH SENTENCE

Gov. Ingolds has commuted the sentence of death in the case of Reuben Wilkerson, white, of Beaufort county, convicted of murder, to imprisonment in the State Penitentiary for two years.

MOVEMENTS OF GOV. INGOLDS

His Excellency yesterday went to Wayne county on a brief visit to his home. He will return to the city Saturday morning, and will on Monday evening start on a visit to Asheville on business in connection with the change now to be made in the management of the Western N. C. Railroad.

QUEST TO AMERICA TO BE FURNISHED

At a recent meeting of the Board of Aldermen of this city, the following resolution, offered by Alderman Peacock, was adopted: Resolved, That it shall be unlawful for any person or persons to treat unmercifully or otherwise maltreat any horse, mule, or ox, or any animal within the corporate limits of the city on penalty of being arrested and fined not less than \$5.00.

JOHNSTON COUNTY

One of the best informed and most prominent citizens of Johnston county was in our sanctum to-day. He brings cheering intelligence. He says Johnston will go Democratic. It is not true, he thinks, that Democrats will sweep upon against the Convention nominees for Republican votes for removal of the Court House to Selma. At first a good deal of apprehension was felt on this score; but that trouble is smoothing down, and the Democrats will give the Republicans another such sweep as they gave them last year.

WARREN DAK TOWNSHIP

The following excellent Democratic ticket is in the field, and will almost "walk over the track": For Justice of the Peace - A. B. Freeman, B. H. Harbo, George W. Atkinson.

FOR CLERK - NATHAN HOLLMAN

For Constable - G. A. Eichelberg. For School Committee - A. Council, G. A. Holland, T. J. Freeman. A. N. Betts, Conservative, is out as an independent candidate for Justice of the Peace, against Atkinson, who is one of the most popular men in the township. Radicals stand as showing at all in that township.

THE D-N NEGRO

At the meeting held in Raleigh on the 14th inst., the D-N negro was the subject of much discussion. One of the radical convention candidates from this county, was killed by the D-N negro with the information that the D-N negro was ready to strike. Mr. Bullock had no objection, and as the train started the D-N negro again killed him, when he exclaimed: "I thought it was one of the D-N negroes who wanted me to fight him with bullets." - Raleigh News.

THE CAMPAIGN

In Henry Hill township, Mecklenburg county, there is not a single Radical. There was one there last year, but he has gone where the woodchuck lives, and the voice of the whangdoodle is heard in the land.

DAVIDSON COUNTY

Davidson county is sure for conservatism, by four or five hundred majority. The radicals are badly demoralized, and divided, one of their candidates stands square on the Most and Adjourn platform, and the other don't.

GENERAL LEACH

General Leach, the Davidson "champion," spoke at Concord on the 17th by request, and to meet Judge Watts, better known as "Greasy Sam." We learn from persons who were present, that the General made one of the finest efforts of his oratorical life, but the "Judge" wasn't there, of course, for as soon as he heard of one "champion's" approach, like our friend, Col. Henderson, he had business elsewhere, or else like brother Brown he had a pain "somewhere." - Wilmington Central.

CONVENTION

We are doing an extensive business in Concord and Orange Counties, through Local Agents who are supplied with samples showing our Home-made and Custom-made Goods. The plan is working well for Concord, Orange and counties. We desire to extend our business in this line, and for that purpose will accept of all orders for samples and references as to character.
