THE SENTINEL.

JOHNSTONE JONES, Editor

FRIDAY, JULY 30, 1875.

THE FEATHER THAT BREAKS THE CAMEL'S BACK.

Likening the Republican party of North Carolina to a Camel, we find it pretty heavily burdened. The beast is sorely pressed. It has a heavy load to carry.

It is burdened with the Holden, Kirk War, the thirty millions of increase of the public debt; the robbery of the Treasury; the destruction of the credit of the State; the defalcation of North Carolina's Fair name; the issuing of millions of fraudulent bonds; the collection of one hundred and fifty thousand dollars out of the pockets of hard working men, to pay the rich bond holders: the increase of taxation in one year from ten to eighty-two cents on the $100; the degradation of the Judiciary; the elevation of a negro to Congress; the plundering and oppression of the tax-payers of Raleigh, Wilmington, Newbern, of Warren, Halifax, Franklin, and other counties; the destruction of the University and in one word the BANKRUPTCY of North Carolina.

In addition to this tremendous burden, the Radical Camel has to carry the degradation of the white race—negro supremacy—civil rights and social equality. And besides, the camel is mounted by such "heavy loads," as Madam Dick, Madison Hodge D. M. Russell, Greasy Sam, Tourgee, Welker, King of Lenoir, Page of Chowan, (the negro who is trying to save the white folks' bacon,) and other carpet-baggers, negroes and scallawags, too numerous to mention.

Now, comes the straw or the feather to break the camel's back. Here it is—

THE REPUBLICAN PARTY OF NORTH CAROLINA HAS A NEGRO EDITOR JOINED with its WHITE

William R. Richardson, white, and Osborne Hunter, Jr., colored, compose the Editorial staff of the *Daily Constitution*, the organ of the Republican Party.

Thos. B Keogh, Esq., Chairman of the Republican State Executive Committee, is the general supervisor of these two editors—and the paymaster of the concern.

So we have the Republican Camel loaded down with Corruption, Civil Rights and a Negro Editor, and led by a Carpet-Bagger. Sneaking along behind the dirty beast is a few thousand mean white men followed by a vast multitude of poor, ignorant, deceived, negroes, who are to be manipulated at the polls, to put knaves with white faces in office!

Now this is the Beast, and that is the donkey borne of Africa, that the High Priests of Radicalism would put in power over the grand and the glorious old State of North Carolina!

Will the Anglo-Saxon Ride permit it? Will they consummate so foul a deed? Will they allow their sons to be ridden by two hundred thousand white men in the manipulation to the yoke? We respond in thunder tones on the 5th of August!

RADICAL NOMINATIONS IN RALEIGH.

The following are the Republican nominees in Raleigh Township:

FOR JUSTICES OF THE PEACE.

M. B. Barbee, white, native; W H Mahone, white, carpet-bagger; J P Prairie, white, Canadian; Albert Maguin, white, carpet-bagger; J W Scarlett, white, carpet-bagger; Nathan Dunston, colored; J Pittman, colored.

FOR CONSTABLES

John R Caswell, colored.

J H E. Williams, colored.

FOR COUNTY COMMISSIONERS.

A. G. Shaffer, white, Carpet-Bagger; M. F. Gilbert, white, native; Osborne Hunter, Jr., Colored.

Now, these are the men, whom the Republican Party are trying to place in power over the citizens of Raleigh Township. These are the men they would have to execute the law; to administer justice between man and man; to superintend the education of the children.

Two of these Five are negroes; one is a Carpet-Bagger; two are natives of North Carolina, and one is a foreigner, a Canadian.

Though Raleigh is the Capital of North Carolina, the Radical Party would place in power over it but two native white men, whilst out of the whole number of Justices, they put on five black men; and of the seven Justices of the Peace, there is but one native white man; on five blacks and three carpet-baggers. To such hands would the Republicans entrust the scales of Justice, and the sword of the law!

The School Committee is composed of a Carpet-Bagger, a Native, and a Negro. To such hands as these are to be entrusted the education of the children of Raleigh! Take this town of Raleigh, the Radical Party of this town would subject your children to the superintendence of a Negro man. Think of it, ye [illegible] Rifle Boys [illegible] North Carolinians [illegible] Germany, and ye of [illegible] France, and ye of the [illegible] Ex-

erald Isle, and ye of the "Scattered Nation" who never yet have bowed your proud necks to the galling yoke of an inferior race,—will you vote to put in power a political party that would subject your CHILD—that manly little boy, or that pretty little girl, to the control of a Negro? Would you thus *degrade* the offspring that you love and cherish? *What say the mothers of Raleigh? Will they* allow this abomination?

Any by-you will compromise with your sense of duty, honor and self-respect, and stay away from the polls on election day or not register at all.

That is as bad as not voting. You might as well vote for the negro, at once and be done with it. The man who sits idly by and sees his child, or his neighbor's, or his friend's child, or any white child, put in subjection to a black man, is as bad as the man who deliberately goes to the polls and votes to disgrace himself, degrade his children, and dishonor his own race.

We appeal to you, white men of Raleigh Township—Germans, Irishmen, Frenchmen Jews and natives, to go to the polls on the 5th of August, and vote down the party that would place you and your children under the rule of negro Justices of the Peace, negro constables, negro clerks, and negro school committeemen!

We have glorious news from the country townships of Wake. The indications of an increased majority over last year, are positive. We will hold our own in all of them; in some we will make considerable gains. The people are arousing as one man, and we have every reason to believe, from a thorough organized canvass, that the full Democratic strength of the county will be polled with some *gains*.

It is gratifying to witness the earnest, zealous, and spirited manner in which the young Democrats of Raleigh Township are working in the canvass. They could not perform nobler service to their country, or do themselves more credit, than to labor for the next few days in the God-favored effort to overthrow finally and forever the Miscegenation Party of this State. They will be gratefully remembered by the people.

The carpet-bag editor of the *New North State* seems disposed to soar up among the mysteries of grammar, and the beauties of rhetoric. As a Michigan Judge said to a flowery young rhetorician who was pleading his case before him, so we say to this aspiring advocate of Radicalism—"Confine your remarks, sir, to the dog-case"—that is, to lifting up your failing party.

We publish to-day a partial list of the Candidates of both Parties for Convention—Regular nominees and Independents. Let any reasoning man contrast the two, and he is bound to admit that it is far better to entrust the doctrines of North Carolina in the hands of the Conservative nominees than with the nominees of the negro Party.

According to the last account, the two parties in this State stand 98,217 Democrats, against 84,181 Republicans, composed of about 80,000 negroes and the balance white manipulators.

Franklin County went democratic last year by fifteen majority. These fifteen have the destinies of Franklin in their keeping. Let them stand in the breach against the Negro Party, as firmly as the Spartan band did at Thermopylæ.

The white men who will vote with the negro party in *this* contest, ought to be ashamed ever to show his face among white folks again.

The *Goldsboro Messenger* is doing splendid service in Wayne as a campaign paper.

For the Sentinel.

Gallant white men, of Franklin, stand by your nominee, don't let personal feelings deter you from doing your duty to your country and party. Less than ten white Republicans in your county. Vote for your country one time more.

"Come as the winds come, when navies are stranded,
Come as the winds come, when forests are rended."

To the polls, white men of Louisburg, Sandy Creek, Hayesville, Dunn's and Franklinton.

A NATIVE OF FRANKLIN.
