FIRST WARD DEMOCRATS

Voters of the First Ward are requested to look and see if their names are on that ward book...

LOCAL BRIEFS

-Don't risk being plundered again. -Speaking Wednesday night at Metropolitan Hall.

-The Y. M. C. A. meet at the session room of the Presbyterian church to-morrow at 8 P. M.

-Raleigh voters who have not registered under the new charter, must register their names in order to vote in this election.

-If you want to join the negro band do so, but do not pull your white neighbors, your father's old friends and companions down under negro rule against their will.

-White men of North Carolina the color line has been drawn and drawn closely. The negroes themselves have drawn it. Neighbor, on which side do you stand?

-A few whites in the 1st ward are still unregistered. Let them not neglect to give in their names. Every citizen should exercise the right of suffrage; good men are at the mercy of the bad if they do not.

-Democrats who propose to sell their votes and their manhood would do well to remember that to accept a bribe in an election is a violation of the law, and subjects the offender to fine and imprisonment.

-We are informed that the white men of the eastern portion of the county have never before so thoroughly united or united as they are now.

-As there may be some democrats in the city who have not yet registered, because they are under the wrong impression that their names are already on the books, the Executive Committee of the Democratic party of this county will on Wednesday publish a list of such democrats as have not registered.

DEATH BY LIGHTNING

TWO NEGROES KILLED AND SEVEN OTHERS WOUNDED.

Yesterday, as a large number of colored people were congregated in Oak Grove church, six miles from Raleigh, a storm broke over the locality, and a thunderbolt struck the building with terrific effect. Two negro women were instantly killed; seventeen negroes are reported to have been wounded, and some of them seriously injured.

A SEVERE DRUBBING

WILLIAMS' D. JONES CATCHES IT.

Rocky Mount Mail. We don't think that W. D. Jones, Excelsior-General in the Holden-Kirk War, as Assessor of Internal Revenue Service, and now general collector of Wake county negroes, will ever show his face in Nash again.

Jones spoke first and he must have mislabeled his audience. He must have imagined himself speaking to Wake county negroes. He must have thought that the people of Nash county were ignorant, timid and low down.

On another occasion, this same Mr. Paul on being asked what he was engaged in stated that he was furling a little, cutting wood a little, but that it was a d—d poor business.

Gen. Ransom made a great speech at Smithville. Judge Buxton threatens to sue the editor of the Fayetteville Gazette for libel.

A Western exchange says: "An ex-member of the North Carolina State Convention of 1868, has returned to his old home in the Ohio State Penitentiary, and he seems more contented than for years past."

Gen. A. M. Waddell spoke at Fleet Hill, Cumberland county, a few days ago. A friend tells us he filled the ears of the rads with seas.

The information we get from all parts of Cumberland is in the highest degree cheering. The notes already struck from Rockfish, Carver's Creek, Newton's, Little River, Quewhille, 71st, Black River, Pina Hill, Blue's Band Bill, Sound already the pean of victory.

We have a 3rd Constitution that makes men high, and with the negro party in power we have two flowers who make race still higher, and last must come or time itself must go.

All kinds of Country Produce sold on Commission, on the most favorable terms.
