The City.

L.E.A. SPERRING'S
is the only GENUINE
WORCESTERSHIRE SAUCE.

Mr. Norwood, of Hillsboro, makes 47 entries at the fair.

Hon. Daniel L. Russell, late Judge of the 3rd district, is stopping at the Yardsborough.

Friday's Charlotte Observer says: "Gen. R. F. Hoke, of Raleigh, was in the city yesterday."

The Shelly Banner, of Sept. 23, says: "Dr. Bushnell's family left yesterday for Atlanta, where they are to live."

Mr. W. E. Thompson, who has been spending a few days in the city, left for home yesterday evening.

The "String" did not put in an appearance yesterday. It must have vanished after its efforts in Greensboro.

A handsome modern-style baggage and mail car has been turned out of the Raleigh & Gaston shops. Turnaround's probably a pronounced high art.

Col. W. H. G. Tucker, of this city, has returned from his Northern trip, bringing an immense stock of new fall goods.

W. S. Bell, editor of the "New North State," of Greenville, arrived in the city this morning and takes his head at the Yardsborough house.

The young native of the Baptist Seminary gazed the gallery of the house of representatives this morning, and seemed much interested in the proceedings of the convention.

Col. J. J. Hickman, of Georgia, Right Worthy Grand Templar of the World, will arrive in Raleigh Monday morning, on his way to the meeting of the Grand Lodge at Fayetteville.

There are 79 young ladies at Paseo Institute, and 40 more expected next Monday. President Burwell has reason to congratulate himself on his prospects.

A premature explosion of a bomb occurred a few days ago in the Brown county quarry, where the stone is being got out for the government buildings in this city, and two colored citizens were badly injured.

Ex-President Jeff. Davis has been invited to deliver the address at our state fair, which commences October 12. We sincerely trust he may accept the invitation, that he may see that he is not less appreciated in the East than his recent trip has shown him to be in the West.

Wm. Murchison, a darkey, was brought in from Apex this morning and jailed on a charge of stealing corn after he had fed it to a mule he was employed to drive. Not quite so bad as "stealing acorns from a blind sow," but of the same piece.

B. B.—The Newbern base-ballists will find foemen worthy of their bats in the contest at the Fair. Our athletic club has reorganized and will enter the lists as competitors for the banner and the state championship, and Newbern will have to "swing the willow" manfully if she wins.

Theo. Ramsey, State Temperance Lecturer, will deliver an address at the Eudenton Street Methodist church to-morrow afternoon at half-past 4 o'clock. The singing exercises of the Sunday School will take place in connection with the lecture. All friends of the school and of the temperance cause are invited to attend.

MAYOR'S COURSE.—This august julep-half ground out an even half-dozen visitors this morning.

Two members of the constitutional convention, violation of section 8 chapter 15 of Battle's Revised; \$5 and costs each, enriching the city treasury by an aggregate of \$15.

Allen Young, darkey, disturbing a religious assembly; \$10 and costs; sent to jail in default.

D. R. Price, soldier from Camp Rosehill, plain drunk; discharged on payment of costs.

Nat. Mitchell, darkey, fast driving on street; \$5 and costs.

Chas. O'Kelly, darkey, the first Irish negro on record, assault and battery; jailed 20 days and costs.

GOOD TEMPERANCE ATTENTION.—All delegates to the Grand Lodge at Mayeterville, who may arrive in this city on their way thither, this evening or tomorrow, are requested to report immediately at the Good Templars' Headquarters, in the old Standard building, on Fayetteville street, so that stopping places may be assigned them among the Raleigh brethren until Monday.

VOL. XXI. RALEIGH, N. C. SATURDAY SEPTEMBER 25, 1875 No. 44.

CONSTITUTION.—Mr. Colcord's motion concerning "infamous persons" provides that they shall not hold office, vote, or sit on juries, unless legally removed.

NOTICE.—As agent of the Sentinel will be in Greensboro next Monday, Sept. 27, and will call on all friends who are indebted to us. We trust that all such will find it convenient to settle up amicably and fairly.

THE OXFORD CONVENT.—Motropolitan Hall was jammed last night with a fashionable audience to hear the performance of the Oxford orphreans. The music and voices were most delightful and well sustained. The audience was composed mostly of

ACCIDENTALITY. Story.—The same old story. "Only India" will it. Didn't know it was loaded. James Pattee, an individual of color, was carelessly handling a pistol yesterday afternoon on Wilmington street. It went off, of course, and came in an ace of making a sturdy angel of Shadrach Jones, another darkey, who was standing just in the right place to catch the bullet in his collar-bone. The wound was dressed by Dr. Tewkes, and the victim will recover.

RELIGIOUS.

Interacting revivals are progressing in the Methodist and Baptist churches of Monroe.

The Chicago Tribune is earnestly pleading for a union of the Methodist Episcopal and Protestant Episcopal churches.

Rev. Mr. Hassell, of the Old School Baptist church, member of the convention, will preach in the hall of operations to-morrow at 11 o'clock.

Rev. Dr. McLaren, the new bishop-elect of Illinois, is said to be more realistic in his notions than either Dr. Seymour or Dr. Dehaven.

Marvin Church (South Methodist) in Cleveland county was dedicated Sunday, September 11th. The building cost about \$20,000, nearly all of which was paid by two earnest brethren, L. E. Stone and J. R. Spurrier. The services were conducted by Rev. W. M. Robey.

SYMPOTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat; sometimes profuse, watery and acrid, at others thick, tenacious, mucous, purulent, bloody, and purulent; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with soaks from sputum; the voice is changed, and has a nasal twang, the breath is offensive and smell and taste are impaired; there is a sensation of distress, mental depression, hacking cough, and general debility. Only a few of the above-named symptoms are, however, likely to be present in any one case. There is no disease more common than Catarrh, and none less understood by physicians.

DR. SAGE'S CATARRH REMEDY.—In, beyond all comparison, the best preparation for Catarrh ever discovered. Under the influence of its mild, soothing, and healing properties, the disease soon yields. The golden Medical Discovery should be taken to correct the blood, which is always at fault and to act specifically upon the diseased glands and lining membrane of the nose. The Catarrh Remedy should be applied now with Dr. Pierer's Nasal Douche—the only instrument by which fluids can be perfectly injected to all the passages and chambers of the nose from which discharge proceeds.

The medicines are sold by Druggists.

THE CONSTITUTIONAL CONVENTION.

THIRTY-EIGHTH DAY.

At 10 a.m., Mr. President Ransom called the Convention to order.

Prayer by Rev. Mr. Atkinson of the city.

Journal of yesterday read and approved.

The following resolutions and ordinances were introduced and appropriately dispensed of:

By Mr. Manning of Chattooga: A resolution to add three sections to art. 1. Provides that Judges may be removed for malice or personal disability by a concurrent resolution of the General Assembly. Clerks of courts to be removed for same causes by the Judge riding this circuit after ten days notice.

By Mr. Summers: An ordinance to strike out sec 1, art 1.

By Mr. Kerr: An ordinance to prohibit secret political organizations in this State.

By Mr. Spike: An ordinance to amend art 13. Conventions shall be called by two-thirds of General Assembly and ratified by the people.

The ordinance to amend sec 1, art 9, was taken up from the calendar.

The following is the ordinance:

Amend section three of the Ninth Article of the Constitution so that said section shall read as follows: "Each county of the State shall be divided into a convenient number of districts, in which one or more public schools shall be maintained, at least four months in every year; and the General Assembly shall make suitable provision by law for the management and regulation of the public schools, and for perfecting the system of a free public instruction; and the children of the white race and the colored race shall forever be kept separate in the public schools of this State."

Mr. Morehead, from the committee on Education, offered a substitute for the whole matter and to cover all other existing pending propositions in regard to this matter. He asked to be allowed to withdraw the above and after the following were read and after the following was read and after the following was withdrawn.

Amend sec 2, of art 9, by adding the following words: "And the children of the white race and the children of the colored race shall be taught in separate public schools."

Mr. Teague, wanted the matter to be postponed for consideration, and the new proposition printed.

Mr. Morehead said that the proposition of the committee did not interfere with the constitution. It was a settled question as to separate schools. He gave no reasons in postponing as it had already gone over five weeks.

Mr. Wilson agreed with Mr. Morehead. He saw no necessity for postponement. It was a simple proposition to make a final separation in white and colored schools, and only added two or three words to the original section in the constitution.

Mr. Wheeler did not see why the matter should be again postponed. The last proposition suited his idea and was just what he wanted.

Mr. Hovey, col., wanted the matter postponed.

Mr. Buxton offered an amendment which provides that there shall be no discrimination made in favor of or to the prejudice of either race.

Crosby, col., offered the following amendment: "Provided that colored children shall have equal advantages with white children in their viabilities, and that all monies raised for school purposes shall be equally divided between white and colored children according to the number of children of each race within school ages."

Mr. Teague was decidedly in favor of Crosby's amendment. Mr. Buxton's amendment was too vague, and under it one or the other race might be placed at a disadvantage.

During the course of his remarks he said that he deemed this provision against mixed schools as unnecessary.

Smyth, col., spoke at length in opposition to the principle of placing in the constitution such things as were proposed in this ordinance. In his remarks he said that the civil rights bill, as drawn by Charles Sumner, was his idol, but the emancipated nothing passed by Congress he abhorred.

Mr. Chamberlain wrote on the floor in reference to the matter. He now much objection to this continual agitation of the negro question, and on this ground the ordinance was objectionable as the law already guarded this matter, but he would support it in order to finally settle the matter.

Mr. Turner, from the Committee on the Bill of Rights, submitted a report upon various petitions of blacks.

After long discussion in question, of personal privilege between Hovey, Teague and Turner the committee adjourned until Monday at 10 a.m. to read

the report of the Convention.
