VALUABLE MILLS FOR SALE.—I shall offer for sale my mills across Buffalo, in JOHNSTON COUNTY (known as the Blowing Mills)

ON THE 24 DAY OF NOVEMBER, 1875, at my mill, to the highest bidder, unless sold privately before that day. My mills are in good order. The Grist Mill and Cotton Gin are run by a Black Turkish Wheel, all new, the wheel is forty-two inches to sixteen horse power—with 100 feet of water at all times.

This is a Circular Saw Mill Log Cut, which I will sell. The logs are cut down on each side the mill with a Store House and other good buildings. There is three hundred acres of land where timber can be put to repair the mills or privileges that will be sold with the mills to the buyer.

I shall sell about one thousand feet of lumber, and will make a tract of land along the Buffalo River (known as the Blowing Mills) containing one hundred and thirty-five acres for cultivation, with waterpower, also a saw mill for cutting, and a wheel. Also a quantity of stock of goods.
