The surgeons of the National Surgical Institute, located at Indianapolis, Indians, have finally yielded to the many urgent appeals to visit the South. Three or more of the surgeons will be at the Pavilion Hotel, Charleston, S. C., No-

vember 3, 4, 5 and 6, 1875. They will have with them a great amount of surgical apparatus, appliances, etc., and competent assistants and workmen to change, fit and make such arms ratus as may be required. They will come especially prepared to treat all surgical cases : Paralysis, all kinds of Deformities of the Face, Spine and Limbs, Diseased Joints, Diseased Eyes, Ca-tarrh, Private Diseases, Piles, Fistula, etc. On account of the great expense attending such a trip, they will not make another; therefore, all who wish to avail themselves of the advantages of the Inshemselves of the advantages of the Institute, without the long journey to Indianapolis, must do so at this time. No cases will be undertaken without a fair hope of relief. It is needless to say that the Institution is entirely responsible, and the largest and most popular of the kind in America, curing thousands annually. Remember the time and place, and come carly.
