THE BALEIGH SENTINEL.

CONSTITUTIONAL AMEND. MENT?.

The delegate from Orange, Mr. furner, has furnished us the following yuopsis of the 33 proposed amend ments to the constitution :

Int Amendment : That section 4, of ist Anweudment: That section 4, of article 9, he stricken out and two new sections be substituted. The section to be stricken out is in regard to lands given to the state by congress and the appropriation of fines, penalties, &c. The fection to be substituted gives all lands an "proceeds of lands, given by the United States to the state, to educational purposes; and all swamp lands, fines doc, are to be used to pur-poses of education.

poses of education. 2nd Amendment strikes out section 17, article 3, and substitutes a section 17, article 3, and substitutes a section pro-viding for the establishment of a bu-reau of agriculture, numigration and sta-tistics, and the protection of sheep husbandry.

husbandry. 3d Amendment adds to section 25, of article 1, that "secret political societies are dangerous to the liberties of a free people and should not be tolerated." 4th Amenda section 10, article 3, by providing that the governor, with the advice of the senate, shall appoint all offices whose appointments are not otherwise provided for. 5th Abrogates and amends section 15, 16 and 17, of article 4, and allows the general assembly to allot and distribute all judicial power among the several counties except that of the supreme court, which is fixed by the constitution itself. itself

itself. 6th Strikes out sections 1 and 2, of article 13, and forbids calling a conven-tion without first consulting the people at the polls. 7th Provides for submitting the amendments to the constitution to the people, at the the polls, Tuesday after the 1st Monday in November, 1876. The amendments will be ratified or re-iected together.

The amendments will be raised or re-jected together. 8th Provides for publishing the ordi-nances for the information of the people. 9th Requires the judge to reside in the district for which he is elected, and forbids his holding court in the same county more than once in four years

years

years, 10th Reduces the number of judges from 12 to 9, and authorizes the legisla-tureto increase or diminish the number. 11th Provides for the assembling of the legislature in January instead of November.

November. 12th Hits civil rights on the head by forbidding white and black children going to the same school, and providing that no discrimination shall be made to the prejudice of either nace. 13th Fixes the pay of members of the general assembly at \$4 a day and 10 cents mileage, and limits the session to 60 days. If the session is prolonged beyond 60 days, members receive no pay.

pay. 14th Provides that the term of office for senators and members of the legislature shall begin at the time of their election.

15th, That section 29, of article 2, is amended to allow the general assembly to change the time of holding elections for the general assembly.

16th Strikes from the constitution section 4, of article 2, which is the old republican gerrymander of the senatorial districts in 1868. 17th Reduces the number of supreme

judges from five to three, as our fathers had it. 18th Declares the judicial power

offices provided for by this article by the governor not otherwise provided for, 82d Provides for paying officers and members of the convention, 33d Gives power to the supreme court to try issues and questions of fact as under the old constitution. PRACTICAL OBSERVATIONS.
