THE RALEIGH SENTINEL. Advertisements will be inserted in the issue...

LEA & FERRINS' is the only GENUINE WORCESTERSHIRE SAUCE.

Julian Carr and J. T. Womble, of Durham, were in the city to-day.

There will be a meeting of W. G. Hill lodge, F. and A. M., this evening.

Cotton to-day firm at 12 1/2, with some sales at 12 5/8.

At the request of many citizens, we have introduced our fine "DIAMOND OIL," 30 degrees higher test than any in town.

Messrs. A. C. Sanders & Co. have for sale two good mules, one beautiful pony, one new buggy and one second-hand carriage.

Cotton receipts in this city during the month of November amounted to 6,784 bales, an increase over same month last year of 968 bales.

ALL SETTLED.—All the sheriffs and tax-collectors of the state have squared their accounts, and the auditor and state treasurer breathe easier and have time to whistle and whittle.

A NEW NOTARY PUBLIC.—To-day Governor Brogden appointed W. J. Hicks, of this city, the efficient secretary and treasurer of the North Carolina State Life Insurance company, a notary public.

REWARD OFFERED.—Governor Brogden has offered a reward of \$200, the amount prescribed by law, for the capture of Columbus Jones, the youth who recently killed a nigger boy named James at Hickory.

POLICE COURT.—Only a few petty cases came before his honor, Mayor Manly, this morning, all niggers. Wm. Edwards, drunk and disorderly, fined \$5 and costs; John Edwards, ditto, ditto, ditto; John Thomas, ditto, ditto, ditto.

DEDICATION OF A MASONIC LODGE ROOM.—The new room of W. G. Hill lodge, in the Fisher building, will be dedicated with appropriate ceremonies Monday evening, Dec. 29.

U. S. CIRCUIT COURT.—This litigation-mill opened doors this morning at the usual hour. The argument in the case of Thomas D. Brodway and Sarah A. Pettit vs. R. C. Windley, taken up Saturday, was commenced, and at the hour of going to press had not been concluded.

CAPTURED.—Quent Bryant, who was recently arrested in this city, for robbing a man named Jones, from Holly Springs, this county, and who forfeited his temporary bail bond by decamping, was recaptured at Salisbury a few days ago, and brought here yesterday morning by officer Parker, who had been sent after him.

CUR POLICE.—We believe we express the opinion of a large majority of our citizens when we say that our police corps is the most efficient and attentive this city has ever had.

CHURCHES YESTERDAY.

ST. JOHN'S [CATHOLIC] CHURCH.

Father Reilly had a large congregation at mass, and the brilliant and beautiful appearance of the altar was typical of the near approach of the joyful day on which the Redeemer came into the world.

PRESBYTERIAN CHURCH.

A large audience was present in the morning. Before the sermon the ordinance of baptism was administered, an aged elder of the church holding the baptismal urn, while Dr. Vaughan applied the water on the infant's brow, and uttered the familiar and beautifully solemn words of the ceremony.

SWAIN STREET BAPTIST CHURCH.

At Swain street Baptist church the pastor, Rev. J. D. Huffman, preached in the morning on the "foolish builders," Mat. vii: 27.

CHURCH OF THE GOOD SHEPHERD.

The rector, Rev. E. R. Rich, took his morning discourse from St. Luke xxi: 27, proclaiming the coming of Christ and the necessity of preparing for it.

SALISBURY STREET BAPTIST.

The congregation at this church, morning and evening, was very full. At 11 A. M. the pastor, Rev. Dr. Pritchard, took as his text John xvii: 17: "Sanctify them through thy truth: thy word is truth."

RINGWOOD.

A PROSPEROUS LITTLE TOWN—ITS IMPROVEMENTS AND PROSPECTS—RICH COUNTRY AROUND IT—THE COTTON RAISING MANIA—SENATORIAL.

RINGWOOD, N. C., Dec. 6, '75.

EDITOR SENTINEL: Were it a duty incumbent upon me to pluck a feather from the wing of time to recount the manifold events, the political, social and financial ordeals through which our little "burg" has sailed, regardless of low tides, breakers or shoals, for such columns as the "Sentinel's," I think I should be tempted on the fly to pluck two. But it being my intention merely to clip from its long roll of details, such as are more recent and least known, I can afford to launch out, not on that sensitive topic, "the wind and the weather," but a brief description of its locality, growth, trade, etc.

SENATORIAL.

I noticed in a recent issue of the Norfolk Landmark, a contribution from the pen of our inimitable "G. E. M.," advocating strongly the claims of ex-Governor Zebulon B. Vance as the next senator from this state.

TAR DROPS.

Wilmington mourns the thinning out of her tramp printers. A cougar was killed a few days ago, near Mt. Pleasant, Cabarrus county.

WILMINGTON BENEVOLENT SOCIETY.

The ladies of the Wilmington Benevolent society will soon open a soup-house for the needy.

MILTON'S OUT OF SALT.

WILD TURKEYS IN CABARRUS COUNTY.

The Shelby Aurora is casting its luminous beams on the school question, and urges parents thereabouts to do their duty.

SHELBY HAS THIS SEASON SHIPPED 2,500 BALES OF COTTON.

Shelby has this season shipped 2,500 bales of cotton. At 500 pounds to the bale, this would be 1,250,000 pounds, which at 12 cents a pound would amount to \$150,000.

TOBACCO IN CASWELL COUNTY WELL CURED.

Tobacco in Caswell county well cured, but deficient in oil; in Person, very fine; in Davie, cutting and curing favorably done; in Union, not much produced, but quantity steadily increasing; and in Haywood, splendid.
