TEMPERANCE.-George M. Dutcher, of Massachusetts, a noted temperance orator, is on a tour of the south. He paid the Sentinel a visit to-day, and at the request of many of our leading Good Templars, has consented to deliver an address at Metropolitan hall, Sunday afternoon at 3 o'clock. All friends of the good cause, and the public generally are invited to attend.

Hark ? Did you not hear it? The voice of the Durham Tobacco-Plant, of Dec. 22, "hoarsely bawling, beef, beef, through the American camp," in this paragraph : "Beef must be plentiful in Raleigh. Dave Carter (and from his looks he can sweep a power of beef or anything else that's to eat,) made our friend, George Credle, a present of a quarter of fine beef that weighed 127 pounds, a few days since. Our beef tub is M. T. and he can make a note of that if he likes."

Robert Perry, a nigger vagrant, was ordered to leave the city in 10 minutes' time and promised to do so. Harrison Haywood, nigger, was up

JUVENILE DRAMATISTS.

A very delightful little entertainment took place last evening at the residence of R.-W. Best, on Hillsboro strept. About two weeks ago, his bright thirteen-ycar-old daughter, Miss Minnie, determined to get up a juvenile dramatic performance. She selected as the piece, "The Sleeping Beauty, a Fairy Tale Drama." Twenty-three tiay scraps of humanity were chosen to fill the

characters, and in the odd hours out of school ever since, the drilling and rehearsing have gone on under the management of the you hfal directress. No grown person had anything to do with it. The children ran the whole affair themselves. And their efforts last evening evinced in some of them really remarkable dramatic talent. The

In view of the fact that scarcely any of these children are more than eight or nine years old, and some of them only three or four, and that the entire man agement was in the hands of a girl of thirteen, it was certainly a remarkable performance. Little Mattie Fuller, hardly bigger than a minute, as nurse, talked "baby-talk" to perfection, because she

could talk nothing else. Cam. Gales, as page, was far better than many such we have seen on the stage. In fact, they were all good; and the audience, which consisted only of a very few relatives and intimate friends of the lilipu-

BATEIGH LIGHT INPANTRY .-- An adjourned meeting of this company was held last evening at their armory. The parade to-morrow was fixed for half-past 2 o'clock in the afternoon, and it was also decided to have a target-shooting in Mordecai's grove, a silver goblet to be awarded to the best marksman. The question of a grand military ball was left unsettled.

FINE STOCK .- By private letter from our friend, L. M. Blakely, of Washington, North Carolina, who has been in New York for some time past, we learn that he has bought some fine stock for shipment to this state. Blakely narrow ly escaped being turned into a plump and robust angel, a few days ago. He was driving one of his recent purchases, a high-spirited thorough-bred horse, in

Central Park, when a clumsy carriagedriver ran into his rig, smashed his roadwagon into kindling-wood, and hurled Blakely headlong on the stony road. His horse ran away, but was soon caught, and he himself was promptly cared for. and is all right now.

SANTA CLAUS.

In his crystal palace in the Polar Sea, Santa Claus harnessed, in tandem three, The Ursa Major and the Minor Bear, With the Flying Home, to lead the pair; They shuffed the wind of sleet and snow, They pawed the ground in their haste to go Santa Claus' team in tandem three At his palace gate in the Polar Sea,

That palace built of ice and snow, d The parts parts of the second second

And Santa Claus now, in the Christmas cold, And Santa Claus now, in the Christmas Gathers his gifts for young and old; Lights up his palace on every side, And opers the icy shutters wide : Puts on the frost work steps a star To keep the swinging door sjar And show the way for his tandem three To find the gate of the Polar Sea,

Because the icebergs are rough and tall, He takes his course above them all ; And his tandem three, as if at play, Go dashing down the milky-way. The northern lights are blazing high 'Tia his palace lamps on the midnight sky ! That flash of light is a shoeting star, A spark from the wheel of his rolling car !

Tis Santa Claus coming which looks like

day, And fades the stars of the milky-way : You hear not the sound of the north wind cold.

But the whiz and whir of his car of gold

So put out the fires lest they should melt The icicle sword in his starry belt, We'll take a map, and them we'll see If Santa Claus brought for you and me Some wondrous gifts, with histandem three, From his crystal hall in the Polar Sea.

The house of Levi Burgess, of Hert-ford county, was burned last Saturday night. Nothing saved, the occupants barely escaping with their lives.

Greensboro Methodist Sunday School

Sunday School Christmas trees this evening at the Person Street Methodist, Swain Street Baptist and Presbyterian churches

Rev. Mr. Taylor will occupy the pulpit of Person Street Methodist Church Sunday morning at 11 a. m., and Rev. J. R. Griffith at 7 r. m.

Arrangements are being made for Professor Tripp's great series of lectures on Modern Europe, some time during the first week in January.

Hillsman Morgan, the Franklin county murderer, recentlyarrested in Fayetteville, was brought to this city this afternoon en route to Louisburg.

At the request of many citizens, we have introduced our fine " DIAMOND On," 30 degrees higher test than any in lown. Price 40 cents. Law & Co.

In accordance with a custom which is far more honored in the breach than in the observance, no paper will be issued from this office to-morrow or Monday.

Weather warm as summer, houses all thrown open, and family groups gathered on front porticoes for the evening, make up the Christmas-week styles in Raleigh.

Won't somebody, in pity to a suffering public, give the foreman of the News a hat of some kind, new or old, and stop his begging? We're down for 15 cents toward a joint-stock subscription for the purpose.

Governor Brogden returned yesterday afternoon from his Philadelphia centennial shindig. Ikey Young came meekly back also, trying to look as if he had "touched not, tasted not, handled not" all the time he was gone.

Messrs, A. C. Sanders & Co. have for sale two good mules, one isantiful pony, one new buggy and one second-hand curriage, fust repaired and painted, as good as new. Call on them at No. 2, Martin street, for a bargain.

Under the authority of the last gen cral assembly, George V, Strong, a day or two ago, destroyed in the auditor's office all the warrants issued in payment of contractors on the Marion & Asheville turnpike, amounting to \$19,000.

The Durham Tobacco-Plant, of Dec.

22, says : "We had the pleasure of a call, last Friday, from Brother R. W. Best, of the Raleigh Sentinel. He reports the Sentinel in a flourishing condition. Glad to hear it, It most assuredly deserves it under its present management."

CONTRACTORIES A. A.

tifully decorated. THICK AND BLUSHING HONORS.-The editor of the Sentinel finds him self well-nigh staggering beneath the burden of honors heaped on him. He would stagger but for the fear that, in these Christmas and egg-noggy times,

other causes than his load of newly imposed dignities might be assigned for the eccentricities of this movements. One of the weightiest items in all the honorary Ossa on Pelion piled, under which he reels top-heavy with inflational felicity, is to be found in this communication, which speaks for itself :

RALEIGH, N. C., Dec. 7, 1875. COL. P. DONAN-DEAR STR: I take pleasure in informing you that at the last meeting of the "Oak City Pleasure Club," you were duly elected an hon-orary mamber thereof orary member thereof.

Very respectfully, J. G. LEACH, Sec'y and Treas'r.

LITEBARY ENTERTAINMENT .- The editor of the Sentinel acknowledges the courtesy of an exquisitely engraved card of invitation to attend the 41st anniversary celebration of the Euzelian and Philomathesian societies of Wake Forest college, Friday afternoon and evening, Feb. 11, 1876. President, B. F. Montague, Wake Forest; secretary, J. W. Denmark, Wilmington. Debaters : W. L. Potent, Yanceyville ; J. B. Powers, Pender county; C. W. Scarborough Wake county ; and E. E. Folk, Brownsville, Tennessee, Orators: Euzelian, J. L. Britt, Wayne county ; Philomathesian, J. T. Bland, Pender county. Marshals; J. L. Prichard, Camden county ; W. E. Daniel, Weldon ; J. R. Jones, Franklin county; and W. J. R. Ford, Marion county, South Carolina. The entertainment will doubtless be interesting and pleasant, and the Sentinel will try and have a representative present.

Mrs. C. L. Lewis, wife of Col. W. A. Lewis, formerly of this state and brother of A. M. and R. G. Lewis, of this city, died in Charleston, South Carolina, some days ago.

Hot drinks should be avoided in day time during cold weather, as they have tendency to weaken the lungs and affect the threat. Take Dr. Bull's Cough Symp for all cases of coughs, colds and hourseness.

ian artists, demanded a second third repetition of the whole piece, and applauded in rousing style. Among those present we noticed Mrs. W. J. Young and Mrs. M. M. Carroll; Misses Maggie, Lulu and Florence Tucker, Pattie Young, Belle Gales, Bettie Haywood, Lulu Fentress and Rebecca Carroll; and Misses Carroll, Mial, Smith and Haywood.

DOUBLE CELEBRATION .- Our esseemed friend and fellow-traveler to eternity, Col. Cal. Brown, of the National hotel, has twice as much Christmas celebrating to do, as ordinary men. It is to him a double festival. It commemorates his own entrance into the world, as well as the great event which gives it a high and holy significance to all the universe. In honor of the twofold anniversary, he gives a grand dinner to-morrow, to a number of his friends. Two or three members of the Sentinel's household of faith have been kindly and spacially remembered in the distribution of invitational billy-duxes; and, though the absence of one from the city will prevent his enjoyment of the elegant hospitalities of the occrsion, another will be there who has been keeping fast-day all the week with

special reference to a faithful and vigorous representation of the office. ----

A LEGISLATOR CAUGHT. - At half-past 8 o'clock Wednesday morning, Dec. 22, Hon. Marshall H. Pinnix, of Lexington, long the faithful and popular represen tative of Davidson county in the legislature, surrendered to the little rosebudinhabiting deity, Cupid, reinforced by statelier and sedater Hymen. He was married by Rev. J. Kiernan, of the Episcopal church, to Miss H. Courtney Baxter, only daughter of Dr. O. F. Baxter, of South Mills, Camden county. The attendants were O. F. Baxter, Jr., and Miss Gertrule Faster ; and W. M. Baxter and Miss Alethia Weeks. The newly wedded par, immediately after the ceremony, took the steamer for Norfolk, and arrived in Baleigh, by the Weldon train, yesterday afternoon, bound on a southern bridal tour. A legion of friends all over the state will join in wishing them maty as merry Christmases and happy new-years as, under the circumstances, this will ceraitly be.

ments. Prospects of the Greensboro and Mt. Airy narrow-gauge railroad are said to be flattering.

Dr. Sharswood, of Philadelphia, contemplates crecting extensive iron-works at Charlotte or Greensboro.

T. E. Cook, of Guilford county, has just slain a 610-pound kinsman of the reigning family. He was a member of the Berkshire wing.

A. Mr. Reid, of Forsythe county, has buried three children within a week, and his fourth is lying very ill. Truly and pitiably a "broken Reid.

Thos. B. Long, of Salisbury, has been reappointed special postal agent, and we are glad of it. He is a faithful official and a good fellow anyhow, i : spite of his politics.

J. H. Rhine, of Wadesboro, would have gone over the Rhine, one night last week, if his neck hadn't been tough. He performed the brilliant circus feat of turning a double somerset into a deep cellar, and lighting on his head.

Col. John D. Scott has just paid his 48th year's subscription to the Greens-boro Patriot. We hope he may live to add a nought to that, and pay his 480th, and that Duffy may be around to receive it. Won't this be a strange old country then ?

Last Saturday night. three masked men entered the cabin of Amos Taylor, of Robeson county, knocked him down, dragged him 300 yards down the road. beating him terribly all the time ; and at last, while his wife frantically plead with them to spare him, killed him by a bullet through the head. On the testimony of the wretched wife, who is par-tially insare, three sons of Rev. Furney Prevatt, one of them a young Baptist preacher, were arrested ; but all of them produced such incontestible proof of their innocence that they were at once discharged. The motive for the bru'al and horrible crime is unknown.

WHERE DOES IT ALL COME FROM ?-Pints and quarts o' filthy Catarrhal discharges. Where does it all come from ? The mucous membrane which lines the chambers of the nose, and its little glands are diseased, so that they draw from the blood its liquid, and exposure to the air changes it into corruption. This life-liquid is needed to build up the system, but it is extracted, and the system is weakened by the loss. To cure, gain sesh and strength by using Dr. Pierce's Golden Medical Discovery, which also acts directly upon these glands, correcting them, and apply Dr. Sage's Catarrh Remedy with Dr. Pierce's Nasal Douche, the only method of reaching the upper cavities, where the discharge accumulates and comes from. The instrument and both medicines sold ly druggists and dealers in medicines.
