CHURCHES YESTERDAY. ar. rome's currien.
A full congregation masmbled at ohn's (Catholic) church. The gos and the most and there was a great calm From these words of the grapel. Fath Reilly said, could be drawn a possible lesson. The ship mentioned represented the stormy struggle of christian is —the soul besst with the turbule ed with the waves of sin, and their souls being rapidly engulfed in the whirlpool m. did not, like the disci the admonitions of conscience, and were finally lost. It was man's proud boast that he was made in the image of God what is his attitude toward the giver of all these good and perfect gifts? The very beasts seem in their instinct to be more grateful, while the little their fragrance units in a more creative hand, than the cold, hurried and scant acknowledgments of man. The pathway of the christian through life is beset with all kinds of trials and temptations, and the only way by which wavering faith in the power and mercy of God and constant, heart-felt prayer gulf our immerial souls, but gliding over guided by the never-dimmed light of Bethlehem, the haven of eternal bliss would be reached and the cross exchanged for the crown. In the course of his remarks, Father Reilly alluded the church of God has been, and is, sub-jected to. Waves of persecution, rapacity, hereay and infidelity had billy beat upon her imprognable front, but to-day she stood proudly erect above the wreck and debris of 18 centuries, un-

United States, 2. The church was benefitted by re-vivals; christians were restored to their first love-were quickened in consc bers of the Methodist, Baptist and, permoved and immovable—her beautiful proportions none the less beautiful and symetrical; her faith glowing brighter and brighter as time recedes and eternity approaches. The conclusion of the el oquent sumpon was an carnest exto cease for ten years, as Bishop Simpson says, the decline in religion would be alarming. Bishop McIlwaine, Episcopalian, has said: "Whatever I possess of religion began in a revival. The hortation to his hearers to arm themselves with faith good warks and con-stant prayer to resist the shares and most precious, steadfast and vigorous fruits of my ministry have been the temptations of the world and prevent them wrecking the soul upon the many fruits of revivals," Dr. Albert Barnes, Presbyterian, says: "That day which dangerous shoals that line the shores of shall convince the great body of professing christians of the reality and desira-bleness of ic ivals will constitute a new PERSON STREET METHODIST. At the Person Street M. E. church

ers in the history of religion; and will-precede manifestations of power like that of Pentecost." 3. The means of originating and pro moting a revival of religion, were preaching, praying, singing, convertion, genial, hearty, united effort the part of the church.

PRESBYTÉRIAN CHURCH.

Dr. Vaughan selected as his text Bo tance to contemplate the nature of sin and our relation to its dominion. It is necessary to bear down this prejudies. Men object mainly, not so much to the docttine, but to its application to their several cases, The University may preach his universal salvation, but the groans from a thou-and dungeous, the glorious death of martyred christians all go to disprove their fallacious doctrine. Granting the Universalist doctrine to But the christian has a reversionary interest that the Universalist does not have, for if his doctrine be not correct then the christian has his hope that the Universalist knows not of. We should not shrink from knowing how the truties concurning ain relate to us. If it is true, then we should know it—if not, then we should be assured of its falsity. The bible truths touching sin and its punishment are clearly taught outside of the bible. The long, unbroken chain be correct, then the christian is saved of the bible. The long, unbroken chain of misery and affliction existing since the world saw man, cannot be gaineaid.

xxxv:8: "Strengthen ye the week alway existed in a long segment of the hands and confirm the feeble knees." eternal duration, no man can say that it will not exist in another segment of time. Allow the belief that, no matter weak—in knowledge, and in power to resist evil and to perform labor. It is nese members is, to strengthen and re

> BAD BEHAVIOR.—The Salisbury etree day afternoon to engage in a prayer meeting, and just as Col, Heck was about to lead the meeting in prayer, several young boys behaved very unbeningly by running out, laugh alking in the vestibule, much to the anneyance of the congregation. We are sure they did not belong to that school and if we witness such again names will be called.
