NORTH CAROLINA PRESS ASSOCIATION. Col. J. D. Cameron, of the News, president of the Association, has issued an official call for the 4th annual meeting of the North Carolina Press Association in the city of Newbern May 16. Newbern is noted for her hospitality, and the quill-drivers will have a royal time when they congregate there.

OFF TO THE WORK HOURS.—This morning a gang of convicts were shipped to the county work house to work out bills of cost which accrued in court. These are their names :

Robert Mitchell, Peter Rogers, Frank and Matthew Smith, All of these are Anglo-Africans and invariably vote the straightout republican ticket. It depends upon the bills they have to work out whether they will put is an appearance at the polls in November.

ATTENTION MANTEO LODGE, No. 8. I. O. O. F .- We are requested by Pa-t Grands C. M. Busbee and J. C. Birdsong, committee, to ask the members of their lodge, who have subscribed, or desire to contribute and participate in the celebration and banquet proposed to be given to the Grand Lodge of North Carolina, which meets in this city on the 10th of next month, to either come or send the funds subscribed to them at the meeting of the lodge to-night. The committee have not the time to call on all the brethren individually, they therefore hope the members will respond to the above request and assist the committee in the arduous duties of their work.

RADICAL WARD MEETING,-The rade of the old but defunct western ward held a meeting last evening and brought out Albert Johnson, Wm. Yearby and James H. Jones, col., as candidates for commissioners at the bogus election which they will hold next Monday under a dead charter. The election in question will be ridiculous and farcical. We understand that the unwashed of the old eastern ward will hold a meeting this evening and also bring out candidates to trot in the same ridiculous elecold middle ward in the same manner. If any election is held it should be held according to law, that is under the charter granted by the last general assembly, and under which the election was held last year. We hope such an election will be held.

ENTERTAINMENT AT METROPOLI-TAN HALL.-Our people should not forget that to-morrow evening is the time fixed for the brilliant entertainment at Metropolitan hall by the ladies of St. John's (Catholic) church. The programme is a very attractive one and will be carried out to the letter. Every arrangement has been perfected to make the entertainment a success in all particulars and to ensure visitors theirmoney's worth. No extortionate prices will be charged, and every opportunity offered for the fullest enjoyment. It is to be hoped that our citizens will encourage these worthy ladies in their efforts to procure means to assist them in matters pertaining to the necessities of their church. Those who attend the entertainment may be assured of passing a few hours agreeably, besides having the luxury of feeling that they have given encouragement to a mest laudable enterprise.

Bound Over .- The trial of David Williams, white, and William Sugg, col., the parties who had a cutting scrape on Wilmington street, late Saturday afternoon, took place before his honor, the mayor, this morning. After hearing the evidence the mayor came to the conclusion that both parties were guilty of an affray and bound them over to the next term of Wake superior court in a bond of \$100 each.

SPECIAL TERM. -It is said by the bar of this county and the clerk of the court that a special term of the Wake county superior court for the trial of civil cases is a necessity to the county. The civil docket has over 450 untouched cases. If a petition is made to the governor we dare my he will order the desired special term.

FINE WEST TENNESSEE BEEF .- Our enterprising butcher, Thomas Dancy, at stall No. 1, Metropolitan market, has on hand a fine lot of East Tennessee beef which can be had at his stall ebrate their 57th anniversary next Wed-every day during this week. We would nesday evening. An address will be advise all lovers of good beef to give delivered by Geo. M. Rose on the ori-gin and progress of the order.

THE ILLEGAL ELECTION .- The club, composed of some of the best rads, acting as they say under the ad young men of the city, are to inaugu- vice of their counsel, Messrs, E. G. rate a series of hops. The first of the Haywood, A. W. Tourgee, B. C. Badseries takes place next Friday evening at ger and T. R. Purnell, are determined the National hotel. Col. C. S. Brown is a to have an illegal election next Monday very obtiging landlord and makes his This bogus affair will be conducted without registration books and under the supervision of self-appointed and irresponsible inspectors. In fact it will not have a single legal feature about it. Any and every citizen has as much right, at any time, to proclaim an election and proceed to hold it, as Mr Gorman and his supporters have to hold the one which they propose for next Monday. If the supreme court should put candidates elected in this coming bogus election in possession of the city government, then all our laws in regard to the legal holding of elections will be virtually abrogated, and the matter placed entirely in the hands of a mob-

> It is rumored that Mr. J. C. Gorman will not be without an opponent for the mayoralty even in this illegal scrub race. It is said that Albert Magnin. A. W. Shaffer and several others desire to try conclusions with him. We hear that the radicals of Middle ward propose to generate a lot of candidates tonight, and that J. N. Bunting will head the ticket. We hope that no good citizen will countenance these illegal proceedings, but frown it down as it should be. The whole movement has been inaugurated by bad, selfish and designing men, who to advance their personal

ends attempt to override law and justice. They should receive the condemnation of all law-loving and law-abiding citizens, for to put a few ill-gotten del lars in their pockets they hesitate not to perpetrate dire crimes against the best interests of society, and prostitute such talents as God has given them in evading and overturning plain principles of law and equity.
