THE "HOUSEKEEPER" OF OUR HEALTH.—The liver is the great depurating or blood cleansing organ of the system. Set the great housekeeper of our health at work, and the foul corruptions which gender in the blood, rot out, as it were the machinery of life, are gradually expelled from the system. For this purpose Dr. Pierce's Golden Medical Discovery, with small daily doses of Dr. Pierce's Pleasant Purgative Pellets are pre-eminently the articles needed. They cure every kind of humor from the worst scrofula to the common pimple, blotch or eruption. Great eating blues kindly heal under their mighty curative influence. Virulent blood poisons that lurk in the system are by them robbed of their terrors, and by their persevering and somewhat protracted use the most tainted system may be completely renovated and built up anew. Enlarged glands tumors and swellings dwindle away and disappear under the influence of their great resolvents. Sold by all dealers in medicines.

"Claude, a child about three years old, was greatly afflicted with sores on his legs and feet, so that he could not wear his shoes and stockings. Had a great deal of trouble with him. Had tried many remedies ineffectually. At last we tried the Golded Medical Discovery, and in about three weeks he was entirely cured, his sores were all healed, and health much improved.

Respectfully yours,

J. W. BOYER,
Vermillion, Edgaz, Co., Ill., Jan. 29, 1876.
