

THE STRUGGLES OF LIFE.—From the cradle to the grave life is full of struggles. Some struggle for riches, some for pleasure, some for honor, and others struggle to regain that greatest of all blessings—health—and in their efforts they often resort to means which place them further and further out of their reach. They take drastic compounds, which shock the system, or violent minerals which poison by degrees and thus the vital energies are weakened and the very fountains of life polluted. Nature provides remedies for every disease, and it is from the vegetable kingdom that Dr. TOTT'S LIVER PILLS derive their ingredients, and in their use there is the nappy certainty that if they do no good, they do no harm. But of their efficacy, thousands who have been cured of diseased liver, kidneys, spleen, stomach and bowels, live to-day to testify.

A NEW MUSTARD PLASTER.—The medical value of a mustard plaster is understood in every family. Much time is spent in preparing a poultice and often the mustard is of poor quality and will not act, causing great suffering. This trying inconvenience is now perfectly overcome by Benson's Prepared Mustard Plaster. It is a great improvement on the ordinary article. It is very clean and can be applied and removed without discoloring the clothing or soiling the skin. It does not deteriorate with age. It is always reliable, as only the best quality of mustard is used in its preparation. It is ready for use at any moment, by simply dipping it in water. It is sold in half yard pieces at 25 cents per roll by all druggists. Sent by mail on receipt of price, by

ANSWERS TO CORRESPONDENTS.—In answer to "Alphabetical" in your last issue, for a remedy for consumption in its first stages, I can recommend Dr. Pierce's "Golden Medical Discovery," if taken according to directions, for it has been thoroughly tried in my family, and the results were glorious. "Alphabetical" must not expect one bottle to do the work—my wife took three bottles before she could discover any change, but after the third bottle every dose seemed to strengthen the lungs, and now she is well and hearty. If "Alphabetical" will write to me I will get witnesses to the above. HENRY H. M. PATTON, Lawrence, Marion county, Ind.—Cincinnati Times, Feb. 4, 1875.
