SUBSCRIBERS.

TO ALL OF THE LIVING SUBSCRIBERS AND
READERS OF THE SENTINEL FROM ITS
FOUNDATION.
All persons now living, who have ever
been subscribers and readers of the Sen-
tinel since its establishment by the late
and lamented Rev. Wm. E. Peil, are re-
spectfully solicited to again become
subscribers and readers of the paper.
In everything that is desirable, we
promise to make it equal to what the
Sentinel ever was, either under the man-
agement of Mr. Peil or Mr. Turner.

ADVERTISERS.

TO THE OLD ADVERTISING PATRONS OF
THE SENTINEL.
The old patrons of the Sentinel in
Raleigh are respectfully and earnestly
solicited to resume business relations
with the paper, and renew their contracts.
It is especially desired to have them do
so before the first of July, as the paper
will on that date appear entirely renewed
and perfectly restored. All advertise-
ments handed in under such contracts,
between this and July, will be published
to that date free of charge.

Mr. John C. Syme, an old institution
of the Sentinel is on hand, and will
make contracts to date from the begin-
ning of the last half year, with pleas-
ure.

LOCAL DOTS.

Tom Arrington's circus. We under-
stand that two huge Alligators belong-
ing to this mammoth show, have just
arrived in this city from the jungles of
Florida and can be seen by calling at
Phil Walker's.

Edwards, Broughton & Co. can do
your printing and binding in a manner
creditable to themselves and pleasing to
you. They employ none but first-class
workmen, and being of that class them-
selves, guarantee satisfaction.

In our notice on yesterday relative to
the preparations being made to celebrate
the 4th of July, we omitted to state that
Col. C. S. Brown, of the National hotel,
was designated as one of the committee
appointed to receive contributions for this
purpose.

The sheriff of Sampson arrived in the
city last night bringing three more ne-
gro convicts to be "entertained at repub-
lican headquarters. We did not ascer-
tain their names, but they are there, for
three, five and ten years respectively.

We received a call from Dr. Samuel
Williams of Apex Tuesday morning.
The Dr. is looking hale and hearty. He
thinks the people are delighted with the
recent nominations made by the late
convention and it is his impression that
the ticket will sweep the field. The Dr.
is a go ahead man, he is doing a flourish-
ing business in the mercantile line in
that village, and reports that the people
are in better spirits, and crops are look-
ing promising.

About twelve o'clock to-day, as we
were thinking of looking about for
something to refresh the inner man, in
popped Eli Bledsoe, the attentive but-
ler who presides in Pepper's dining
room, bearing a waiter, on which were
two large bowls of rich turtle soup. We
enjoyed it very much, and were more
than ever convinced that every man
has his calling, and that Pepper was
cut out for a first-class caterer. He
knows how to tempt the palate.

John C. Syme is for the present in
charge of the Sentinel. He is a fully
authorized manager, and all his con-
tracts and engagements with patrons are
binding on the future of the paper.

RIFE PEACHES.—Rev. A. M. Betts, of
Apex who by the way is a first class
farmer, sent to market yesterday a lot
of fine ripe peaches. Messrs. A. D.
Royster & Bro. of this city who are
wide-awake merchants disposed of this
excellent fruit, some of them selling for
the sum of 10 cts. each.

ATTENTION K. of P.—The members
of Centre Lodge, No. 3, K. of P., are
hereby notified to meet promptly in
their hall this evening. Business of
importance to every member of the
lodge will be brought up. The repre-
sentatives to the Grand Lodge, George
Zeigler and E. G. Harrell, having re-
turned from Wilmington, will be on
hand to exemplify the unwritten work.
A full turnout is requested.

A BENEFACTOR.—Mr. Deitel, the
keeper of the Federal Cemetery, has,
through his skill as a florist, made the
Federal Cemetery one of the prettiest
and most attractive places in all this
section. And through his kindness in the
giving away of cuttings, seeds, plants,
&c., he has become quite a benefactor
to our people in their desire to adorn
their homes. He is a perfect gentleman
and in his conduct to the many visitors
to his "home among the dead" has made
many friends.

MAJOR ENGLEHARD.—It will be
seen by the following that this gentle-
man severs his connection with the Wil-
mington Journal for the present. The
publishers make the following an-
nouncement concerning the Wilmington
Journal:

The entire control of the paper has
been entrusted to Colonel William L.
Saunders, who for the past four years
has been specially in charge of its edi-
torial conduct.

The business management will be
under the immediate charge of Captain
Thomas C. DeBonet.

The local department will be under
the immediate charge of Colonel Ben-
jamin R. Moore.

CAKE WALK.—Reader, did you ever
see a cake walk? We never did, but
we are told that under certain circum-
stances this wonderful feat has been
accomplished. At the school house in
the western ward of this city, for sev-
eral nights in succession a large num-
ber of colored people, of both sexes,
have gathered together to take part in
the ceremonies pertaining to this amus-
ing performance. A description of the
scene, as we witnessed it from a dis-
tance, was about as follows: Firstly,
some party who finds that hard times
is pinching and who is convinced that
something must be done in order to
make a raise, makes a cake, and orna-
tes it around that he will give a Cake
Walk. The party assembles and occu-
py one room, and the cake is placed on
a table in an adjoining room, those who
wish to take a chance in the walk for
the cake are allowed to do so by paying
to the manager twenty-five cents, if the
amount raised in this way is large
enough to meet the demands of the
manager the walk begins. Two chairs
placed in the centre of the room, leav-
ing sufficient space between them for a
single file promenade, the chance takers
form themselves into a circle and skip
around, singing all the while some fa-
vorite air, the column passing between
the chairs. This is kept up until the
manager, who is in another room, gives
a signal by firing a pistol, when a sud-
den halt is made, and the party who is
found directly between the two chairs
at the time the signal is given is entit-
led to the cake, and then the cake walk.

The remainder of the night is passed
away in playing such games as this, "I
am fishing." One of the party, usual-
ly a female, takes the stand and cries
out "I am fishing," she is responded to
by another, who says "what for?" her
answer is "a sweet kiss," query, "who
from?" she answers by saying "Hardie
Cross" (or any other party she prefers to
kiss) then she steps out and kisses her
with all his might. The performance
generally closes with this popular play,
in which there is kissing also, and is
accompanied with the following song,
here is a portion of the rhyme as we
caught it.

Hardie Cross, the King of the Coast,
Add from the royal race he sprung—
He wore a star upon his breast,
Which points from the east and points from
the west:

Go choose your cast, go choose your cast,
Go choose the one that you love best,
At the close of this song a friend
standing near remarked, "well, they are
truly the happiest beings on the earth."

The Milwaukee News says of George
Sand: "He was a distinguished novelist."

THE TOBACCO CONVENTION.

FULL ACCOUNT OF THE PROCEEDINGS.

The manufacturers and dealers in to-
bacco of the 4th revenue district of
North Carolina assembled in Yarboro
Hall, in this city, on the 19th inst.

Julian S. Carr, Esq., was called to the
chair.
On motion of W. S. Meadows the
chair appointed a committee of three to
invite Col. L. J. Young to a seat in this
body. Col. Young complied, and ad-
dressed the convention in his usual
happy style.

On motion of W. S. Meadows the
chair appointed a committee of three,
consisting of W. S. Meadows, H. A.
Reams and J. E. Lyon to draft resolu-
tions expressive of the sense of this
meeting.

Col. Thos. C. Fuller being present,
was unanimously elected an honorary
member of the association.

H. A. Reams moved that the manu-
facturers of the 4th district, or so many
of them as are present, form themselves
into a permanent organization, and that
all the manufacturers of the district be
invited to connect themselves with the
association. Carried.

On motion of W. L. Meadows, the
election of permanent officers was gone
into, when J. S. Carr was duly elected
President; D. S. Osborn, W. S. Mead-
ows, N. T. Whitfield, H. B. Jones and
Rufus Bobbitt, Vice-Presidents; Wm.
Lipscomb, Joseph E. Pogue and James
Y. Whitted, Secretaries, and Geo. W.
Watkins, Treasurer.

The chair announced the following
committee on constitution and by-laws:
H. A. Reams, B. L. Duke, Rufus Bob-
bitt, D. S. Osborn and W. L. Meadows.

Col. Thomas C. Fuller moved that a
committee of five be appointed to issue
an address to the tobaccoists of the
4th district, setting forth the objects of
this convention, and asking their co-
operation. Carried.

The chair announced as said commit-
tee, R. T. Faucett, T. J. Crews, W. L.
Meadows, O. W. Blacknall and James
Y. Whitted, and on motion Col. T. C.
Fuller and J. S. Carr were added to the
committee.

On motion the convention adjourned
until yesterday at 8:30 o'clock, in order
to allow the committee on resolutions
and organization time to get ready their
reports.

JUNE 20TH.

Convention assembled at 8:30 o'clock
and was called to order by the president.
The committee on organization begged
leave for further time to report.

The committee on resolutions offered
the following, which was adopted:
Whereas, the manufacturers of to-
bacco in this the 4th collection district
of North Carolina are satisfied that it is
their bounden duty, not only them-
selves to comply with all the laws of
Congress and regulations of the depart-
ment concerning the manufacture and
sale of tobacco, but also to exert them-
selves to cause a due observance of the
same by all other parties whomsoever;

And whereas, further, it is to the
manifest interest and advantage of the
honest manufacturers and dealers that
the laws should not be evaded, but
should be strictly enforced and observed
by all, now then we, manufacturers re-
sident in said collection district, do unan-
imously

Resolve, That we will countenance
no evasion or infraction of the laws and
regulations touching the manufacture
and sale of tobacco, and that we will
particularly discountenance any fraud
upon the laws or blocking.

And we do hereby pledge ourselves to
do everything in our power to cause
every provision of law to be strictly ob-
served, and that we will be active and
diligent in preventing such frauds and
in ferreting out any that may be com-
mitted in our neighborhood, and that
we will report any violation of law com-
ing to our knowledge to the proper
officer.

Resolved, That these resolutions be
signed by all who are present, and that
the Secretary transmit a printed copy
of the same to all the other manu-
facturers in this Revenue District for their
signatures.

On motion of H. A. Reams it was
resolved that this convention assemble
every three months (quarterly)—Once
at Durham—twice in Raleigh—and once
in Henderson.

SUPREME COURT.—Court met at 9
o'clock, all the Justices present. At
the opening of the court, Mr. A. G.
Hubbard, arose and said:

May it please your Honors: At a
meeting of the members of the bar, at-
tending the Supreme court, held for the
purpose of paying some suitable tribute
of respect to the memory and character
of the late Robert F. Lehman, a series
of resolutions were passed which I am
instructed to present to your Honors
with the request that they be spread
upon the records of the court.

It was my good fortune to be inti-
mately associated with Mr. Lehman for
several years past, and it gives me much
pleasure to say that in all the relations
of professional and social life he was
without reproach.

Although, comparatively a young
man, Mr. Lehman had attained
considerable eminence in his profes-
sion, and by his indomitable perse-
verance would, doubtless, if
spared, have become one of the
very brightest ornaments. He was
universally esteemed by those who knew
him for his many fine qualities and the
rectitude of his conduct in all the re-
lations of life, and dying has left behind
him a spotless character as a rich heri-
tage to his children, a bright exemplar
to all and worthy of all imitation.

Chief Justice Pearson replied as fol-
lows:
The Justices of this court fully con-
cur in the resolutions adopted by the
members of the legal profession. We
were gratified to see a full attendance at
the meeting. The resolutions will be
entered upon the records of this court,
and the reporter will set out the pro-
ceedings in an appendix to the next
volume of reports.

Appeals from the 3d district were then
called in order following:
Thomas Davis et al, vs. Nathan Hill,
from Lenoir. Argued by Smith &
Strong and A. K. Smedes for plaintiffs,
and Battle, Battle & Mordecai and Fair-
cloth & Granger, contra.

Weinstein & Brother vs John Patriek,
administrator et al, from Greene. Ar-
gued by Gray & Stamps and A. G. Hub-
bard and Faircloth for plaintiffs.

Joseph Ballard vs Isaac Gooding,
administrator from Jones. Argued by
Green & Stevenson for plaintiff and A.
G. Hubbard and N. R. Kornegay for
defendant.

F. M. Moys, administrator, vs P. S.
Fetway, et al from Wilson. Argued
by S. W. Jaler for plaintiff and Smith
& Strong and A. K. Smedes for defend-
ant.

W. T. Eaircloth vs S. W. and B. M.
Jaler, from Wayne. Argued by Smith &
Strong and A. K. Smedes for plaintiff
and George Green for defendant.

Court adjourned until to-morrow at 9
o'clock.

MAYOR'S COURT.—The following
cases came up before the mayor to-day:
M. V. B. Gilbert vs. Albert Magnin,
wage up for an affray. Magnin not
guilty; Gilbert was let off with a nomi-
nal fine.

Lucy Dunn, (negress) for violation of
chapter 5 section 4 of city ordinance,
was fined, \$5 and costs.

Lizzie Griffiths, (negress) for a sim-
ilar offence, fined \$5 and costs.

For the Sentinel.
Ms. Errors: There seems to be a dif-
ference of opinion in regard to the ac-
tion of our county convention in the
matter of censuring S. D. Pool, Super-
intendent of Public Instruction, and of
W. H. Howerton, Secretary of State.
As you ask the opinion of delegates in
reference to it, we will give our under-
standing of the action of the convention.
After the convention was organized Mr.
G. H. Snow offered a resolution censur-
ing Mr. Pool, and Mr. W. P. Batche-
lor one of the same character as an
amendment, censuring Dr. Howerton.
Objections were made to the resolution
as being premature, and the two resolu-
tions were referred to a committee, with
Mr. C. M. Bushee as chairman, who
reported a general resolution on the
whole matter, leaving out names, (I
think the very same as passed our state
convention) and which was unani-
mously adopted. The writer at the
time touched Mr. B. and remarked that
his report was unanimously adopted,
and his reply was "just as it should be."

Every moment of our lives every part
of our body is wearing out and is being
built up anew. This work is accom-
plished by the blood, but if the
blood does not perform its work prop-
erly the system is poisoned. Cleanse
the blood by the use of Dr. Bull's Veg-
etable Pills. Harmless but efficient.

The confessional was the means by
which Mr. F. E. Whitcomb, of Boston,
recovered a lost pocket-book containing
a check for \$200, besides other valu-
ables.

SEEING THE WORLD.

Yesterday two youths, named respec-
tively M. M. Crooks, son of Matthew M.
Crooks, druggist, 529 south 18th street,
Philadelphia, and Joseph Lugamith, son
of Simeon Lugamith, jeweler, No. 929
Chestnut street of the same city, were
before the Mayor, as without visible
means of support. They stated that
from reading Frank Leslie's Boys and
Girls Weekly, they had made up their
minds to imitate the example of the
youthful heroes, whose deeds were re-
corded in that journal, and start out and
see the world. Accordingly, they saved
up a small amount of money, and notic-
ing the sign of the Clyde Line of steam-
ers for Richmond, City Point, Peters-
burg, Fortress Monroe, Norfolk, and all
points south, they concluded to pur-
chase a ticket, and try their luck on that
route. They paid \$6 each, and reached
this city last Friday night, with their
carpet-bags in hand. After landing,
lured by the glow of light which beamed
from the reflector of "Fatty Weeks'"
cheap boarding house, on Church street,
they applied for lodgings, which were
furnished them up to yesterday morn-
ing, when their means having run out,
Mr. Weeks had the attention of the
Mayor called to their condition. On
being brought before the Mayor, they
made the above statement, and expressed
themselves as having seen enough of the
world. Before leaving Philadelphia they
sent a "postal" to their parents, inform-
ing them of their proposed action, but
did not state where they were bound for.
The Mayor at once telegraphed the pa-
rents that their boys were here, and re-
quested that they send a telegraphic
money order, so that they could send
them home. He promptly received an
answer, and on last evening shipped them
via the Bay Line steamers, wiser
and humbler than when they left their
homes to see the world. The facts above
related simply bear out the great wrong
parents are guilty of in allowing their
children to read such periodicals as the
"Boys and Girls Weekly," the "Dime
Novels," and other such trash. These
books should be banished from the
household, for harm and misery, and
blighted lives, have resulted from their
perusal.

TAR DROPS.
Farmers report that wheat is sprout-
ing on the stalk—an occurrence that has
not been known before in years. A day
or two more of dry weather, however,
will save it.

The Rockingham Spirit says: We
are reliably informed that old cotton
stalks, of last year's growth, in this vi-
cinity, are sprouting out, the frosts of
the last winter not having been severe
enough to kill them. Such an event has
not been known in this section before in
many years.

THE FLOODS.—Distressing reports
reach this city of the extent of last
week's rains, and the damage done by
them to the farming interests. Mr. A.
R. Henderson, who was in the city,
yesterday, from River Bend township,
Gaston county, says there was never
before such a flood in Catawba. The
river bottoms are overflowed, and
stocks of wheat can be seen floating
down the river. It exceeds the freshets
of 1840. The corn and cotton are
covered over with water and mud,
while the oats and wheat which have
not yet been cut, are prostrate on the
ground. Everything in the vicinity of
the channel of the river is submerged,
and the bottoms are vast sheets of
water. The surface earth, which has
been lately plowed, has been swept
clear away, and much of the young
vegetation with it.

From up the North Carolina railroad,
the same accounts come. A gentle-
man just from Davidson county, says
that not only are the crops well-nigh
ruined, but a number of telegraph poles
have been actually swept away and
carried beyond sight or hearing. The
water was high up on the abutment of
the railroad bridges, Sunday, and the
damage is incalculable in its extent.
Farmers were engaged all day Sunday
in wading into the bottoms and carry-
ing out their wheat, and in trying to re-
place the fences which have been car-
ried away.—Charlotte Observer.

A cup of GOOD TEA.
A noted English Traveller says, much finer
Tea is drunk in Russia than in England.
The difference is not probably owing to the Over-
land transportation but that the Russians buy
the best Tea grown in China, little of that
kind going to other countries.

THE RUSSIAN TEA COMPANY
offer in this market a limited quantity of this
Tea. It is absolutely Pure.
