LOCAL DOGS.

Green corn at the National.

Let us all piously prepare in church to-morrow.

R. T. Fulghum left this morning for the centennial.

For information as to religious exercises see the church directory.

Some young scamps the other night fired into the residence of W. J. Edwards.

The colored Sextet Club of this city is improving rapidly. They sing remarkably well.

Dr. D. E. Everitt, of this city, is a delegate to the American Dental Association, which meets in Philadelphia, August 1st.

J. Abner Harrell, of the Henderson Tribune, is in the city. We regret to learn that Mr. Harrell intends removing to Franklin, Va.

Raleigh Lodge I. O. O. F. meets Monday evening for the installation of officers. Members are requested to attend promptly.

All you merchants who were indicted for not taking out license in proper time had better walk into court and be recognized to appear at the next term of the court. If you fail to do this you may pile up.

The closing exercises of the Raleigh High School last evening were largely attended and full of interest. Major Gales' address is highly spoken of. We have no better instructors in the south than Messrs. Adkinson and Scott.

HELP THEM AT ONCE.—The Committee of Arrangements to carry out the programme for 4th of July need funds to meet expenses. The bill for the fireworks has come and must be paid, and it is hoped that those of our citizens who have not done so will subscribe at once. Funds can be handed to any of the committee. Gov. Holden, at postoffice, Lenoir, at store, Dr. Blackwell, at the Yashorough; Col. Brown, at National. Don't delay the matter.

ATLANTIC & NORTH CAROLINA RAILROAD.

The annual meeting of the stockholders of the Atlantic & North Carolina railroad took place yesterday. Gov. Brogden made no change in the directors on the part of the state, and it is understood that there will be no change among the present officers of the road.

INTERNATIONAL SUNDAY SCHOOL.

LESSON LECTURES.—Rev. Dr. Pritchard commenced on last Thursday evening giving lectures on the International Sunday School series. By this arrangement superintendents and teachers will have the advantage of hearing a lecture on the lessons they are to teach on the Sunday following.

NEW BOARD OF UNDERWRITERS.

A board of underwriters has been organized in this city, and when we say that Seaton Gales is the President, F. H. Cameron, Vice-President and A. H. Winston, Secretary, people will agree with us that it is well offloaded. Most every trade, pursuit, &c., in our midst has some sort of an organization, and we are glad to see that the insurance men are going to act in some sort of concert. Let's hear from the sewing machine and lightning rod men now.

COMPLIMENT TO A WAKE COUNTY YOUNG LADY.

The Raleigh Sun of a recent issue speaks in flattering terms of Miss Annie Hodge, daughter of Madison Hodge, of this county, who has just graduated with the highest honors at that well known and excellent institution of learning, Mount De Sales Academy of the Visitation, Baltimore. She was among the few who received the crown and gold medal. The Sun speaks in high terms of this young lady's musical talents, and specially mentions her brilliant performance upon the harp.

THE PENTECOSTAL SUNDAY SCHOOL.

The Young Men's Christian Association met last evening and elected the following gentlemen officers of the proposed Pentecostal Sunday school: Superintendent, J. M. Hook; Assistant Superintendent, R. W. Best; Secretary, P. C. Ennis; Librarian, John Sherwood. The school will organize to-morrow afternoon at 3 o'clock. All who wish to participate in this work will meet at the residence of W. W. Holden at 2:30 p. m. Sufficient conveyances have been provided to carry all out to the pentecostary who may wish to engage in this work.

GOVERNOR ARMFIELD.

This gentleman arrived here yesterday afternoon and took quarters at the National. As Governor Brogden in a few hours will be beyond the confines of the state, Lieut-Governor Armfield, by virtue of the constitution, becomes Governor of the state during such absence. So after all we have a democratic Governor, and from present prospects this arrangement is likely to become permanent after November next. We hope Gov. Armfield will take possession of the executive office, and as Colonel Pool's resignation took effect yesterday, appoint a Superintendent of Public Instruction.

THE SWAIN STREET BAPTIST DAY SCHOOL.

This school will be opened next Thursday under the very best management and instruction. An hour's exercise in vocal music each day will be part of the instruction. No boy will be admitted over 12 years of age. The following are the trustees: Jacob S. Allen, chairman, James H. Harris, William T. Womble, James C. Birdsong, Henry Mitchell, Thomas W. Blease and Needham B. Droughton, to whom application must be made by any parent or guardian wishing to enter scholars. This enterprise is a most worthy one, and we congratulate the members of Swain Street Baptist church upon their courage in beginning a work so long neglected in our city.

THE FAYETTEVILLE INDEPENDENT LIGHT INFANTRY.

This morning the Fayetteville Independent Light Infantry arrived here on the Raleigh & Augusta Air-Line railroad en route to Philadelphia, where they form one of the companies of the Centennial Legion. The company is a fine looking body of men and will reflect credit upon our state. Major Haigh, the commanding officer, achieved during the late war the reputation of a gallant soldier and is well fitted for the command he holds. The delay here was of a very short duration and the company proceeded on their route via Weldon and the Bay Line. At the depot Governor Brogden took the train, and was received with due honors by the company who will act as his escort to Philadelphia. At Weldon the Governor will be joined by his side, G. W. Stanton, of Wilson.

SWEETSON TRIAL.

This case continues to excite great interest and the court house is thronged every day with an eager and attentive crowd. This morning the argument of the question of the admissibility of the dying declaration of A. G. Moore was continued and learned and able arguments were made on both sides. The argument was still progressing at the hour our columns closed this afternoon. The Judge's ruling on this question is looked for with great anxiety, as its decision will have a material and important bearing on the case.

MATRIMONIAL STATISTICS.

Business in the matrimonial line seems to have been dull in this county—only six white and nine colored couples were joined together for better and worse last month. Here is the list:

UNLIMITED REMEDIAL RESOURCES.

People sometimes suppose that Dr. Pierce's family medicines represent the entire extent of his resources for curing disease. This is an error. Experience proved that while the Golden Medical Discovery, Favorite Prescription, Pleasant Purgative Pellets, Compound Extract of Sarsaparilla, and Dr. Sage's Catarrh Remedy, would, if faithfully used, cure a large variety of chronic complaints, there would be here and there a case which, from its severity, or from its complication with other disorders, would resist their action. These exceptional cases required a thorough examination into their symptoms, to ascertain the exact nature and extent of the disease or diseases under which the patient was laboring, and the use of specific remedies to meet and overcome the same. This led to the establishment of the World's Dispensary, at Fuffalo, N. Y., with its Faculty of Physicians and Surgeons, each of whom is skilled in the treatment of chronic disorders in general and those belonging to his own special department in particular. To one in assigned diseases of the throat and lungs; to another, diseases of the kidneys and urogenital organs; to another, diseases of the digestive system; to another, diseases of the nervous system; and to another, diseases of the eye and ear. Thus the highest degree of perfection in medicine and surgery is attained. The establishment of this institution enables the Doctor to meet a long-felt want in the treatment of the more severe chronic affections. By a careful consideration of the symptoms as given in writing, he successfully treats thousands of cases at their homes. Others visit the Dispensary in person. The amplest resources for the treatment of lingering affections are thus placed at the disposal of every patient, and those on whom the proprietary medicines do not have the desired effect can procure a more thorough and efficient course by a personal application to the proprietor of the World's Dispensary.

WANT OF CONFIDENCE.—Trade is depressed, and the industries of the whole country flag. Ask the cause and you are told it is due to "want of confidence." Ask the few who have not used Dr. Tait's Hair Dye, and they say "I have no confidence in it, I have been so often humbugged by such articles." We ask them to read the following testimony from parties of undoubted veracity: HAWKINSVILLE, Ga., Oct. 30, 1869. Dr. W. H. TOTT—Dear Sir: I consider your Hair Dye a triumph. Our barbers pronounce it superior to all others. Yours truly, I. A. THOMPSON, Druggist.

NEW ORLEANS, Oct. 5, 1870. Dr. TOTT—Dear Sir: Your Hair Dye bids fair to run every other dye out of this market. Respectfully, JOHN KIMBALL.

SAVANNAH, Ga., Sept. 27, 1871. Dr. TOTT—Dear Sir: Your Hair Dye is the best I ever used. Yours truly, L. O. MYERS.
