## Valuable Property FOR SALE.

HAVING resolved on moving to the state of Tennessee, and being desirous of accomplishing it as speedily as possible, I am prepared to sell at a great sacrifice, the following Property, viz:  
**The 3 Story Brick House**  
 40 feet square, at present my residence, situated in this place, at the intersection of Hay and Robeson streets, foot of Hay-Mount, containing two stores, counting rooms and cellars; twelve rooms for the accommodations of a family, all complete and finished in a style of workmanship and elegance, inferior to none in this place, with a Piazza in the rear two stories high, by which the dwelling is entered. The Lot extending back to a cross street, including an excellent Kitchen, with a cellar, smoke-house, &c. Immediately in the rear of this house and on the opposite side of the back street, is a Lot 120 feet on this street, about 250 feet on Robeson street, and 120 feet on Bass street, including an excellent Garden, Stables, &c. and a Ware House 40 feet square, with a Cellar, both substantial and convenient.

Another Lot, fronting 40 ft on the Public or Union Square, near Col. Clark's large Brick Building, and running back to a back street.

Three other Lots, 40 feet each on Franklin and Mumford streets, in the neighborhood of the contemplated Basin of the Canal.

A House and Lot near the Methodist Church, known as the School Association House.

Ninety-nine Acres of Land, about three-fourths of a mile from the Town House, on the main southern stage road. On this tract of land, is a small Dwelling house, &c.—It affords a situation for the residence of a family, superior to any in this vicinity, including an elevated Clay Hill, commanding a full view of the town—It is known as having been the residence of Edward Ellis.

Another Tract of Land two miles below town, on the Elizabeth road, containing 210 Acres, fronting on the river about one-third of a mile. On this place is a tolerable good Dwelling House, Stables, &c. and a Brick Yard superior to any near this town. Possession of any of the above property will be given immediately, by sale or lease.

One other Tract of Land in Halifax county, N. C. six miles below the town, and in the fork of Conocanary and Whitehall Swamps, and on the Tarboro' road; it contains about 1,200 Acres, a good Dwelling House, all necessary out houses, stables, &c. Two good orchards, and other conveniences and advantages, which it is unnecessary here to mention, presuming no one will purchase without first examining, and I invite the attention of such as may be disposed to purchase, to view and decide for themselves. All, or any part will be sold very low for Negotiable Notes at either of the Banks in this place, or exchanged for Lands in the Western District (Chickasaw Purchase) of Tennessee. Letters addressed to me will be attended to.
