POMEROY'S
EXTRAORDINARY METALIC
Strap and Paste,
For Razors, Surgeons' Instruments,
Penknives, &c. &c.
 A supply, of a superior quality, is just received, and for sale by
THOMAS WATSON,
 AT THE POST-OFFICE.

The Manufacturers offer the above Strap and Paste to the public, with a full belief that they will be found on trial far superior to any ever before used in this country or elsewhere.
 They feel themselves authorized to make this declaration, from their own experience—the approbation of all who have used them, and the recommendations of several gentlemen of the first respectability.
 Among others that might be procured, they submit to the public the following:—

I hereby certify that I have for six or seven weeks past, made use of a Razor Strap and composition of Paste, prepared by E. M. Pomeroy of Wallingford, Conn. for sharpening my Razors and Surgical Instruments, and I am certain that I have never found any Strap of composition that would produce so perfect an edge either on a Razor, or on Surgeons' Instruments.
NATHAN SMITH,
Professor of Physics and Surgery, Yale College.

Thereby certify, that I have for seven weeks, made daily use of a Razor Strap, prepared by Mr. E. M. Pomeroy, of Wallingford, Conn. I have found this Strap, decidedly superior, to any that I have used. A Razor, which was in indifferent order, it brought immediately to a delicate edge, which it preserves, by a little judicious use of the Strap. I should think, from the trial I have made, that this Strap would in a great measure, if not entirely supercede the necessity of honing. From the disclosure made to me, of the substance employed in preparing the Strap, it is obvious that it could not have been better chosen, and I have never heard of its being applied for this purpose before.
BENJAMIN SILLIMAN,
Professor of Chemistry, Pharmacy, Mineralogy and Geology in Yale College.

Having used one of Mr. Pomeroy's Razor Straps for some time past, and having been made acquainted with the nature of the Paste which he uses in dressing them, I have no hesitation in saying, that I believe it to be much superior to any thing before used for that purpose.
ELI WHITNEY,
Gun Manufacturer.

TO THE FREEMEN
Of Carteret, Craven, Jones, Lenoir, Greene, Wayne and Johnston.

GENTLEMEN,
THE time for which I was chosen to represent you in Congress, expired by the Constitution on the 4th of last March, and the ensuing election is drawing nigh when you will have to choose some person to represent you in the next Congress of the United States. I avail myself of this opportunity, fellow-citizens, to tender you my sincere thanks for the honor you conferred on me at the last election, by choosing me your Representative; and yielding to the solicitations of my friends, I again offer myself a candidate for your suffrages at the next election.

Should I be chosen your Representative, I do assure you that my efforts will be contributed to promote the welfare of our common Country; but on the contrary, should I not be the object of your choice, unambitious of the distinction or emolument of office, I can with equal satisfaction to myself, return to my Agricultural employment, from which nothing but the call of my Constituents, in the service of my Country, can separate

Your Friend and Fellow-Citizen,
William S. Blackledge.
Craven County, June 13, 1821—169th.

TO THE FREEMEN
Of Johnston, Wayne, Greene, Lenoir, Craven, Jones and Carteret.

FELLOW CITIZENS,
THE time is fast approaching, when you will be called on, to exercise one of the most important rights secured to us by the Constitution; the selection of some one to represent this district in the next Congress of the United States.

Encouraged by the countenance and solicitations of many respectable friends, I have consented to offer myself a candidate for your suffrages on this occasion.

Born and raised among you, and living by the cultivation of the soil, I can have no bias or prejudice unconnected with the honor of my country and no interests but such as are common to every farmer in the district. With qualifications so humble, it is with much diffidence I present myself to your consideration, and if you should deem them sufficient to entitle me to a seat in the national councils, I can only answer for the fidelity with which my abilities, whatever they may be, shall be devoted to the security of your rights and interests and advancement of the prosperity of the country.

With great respect,
 Your obedient humble servant,
John P. Daves.

Newbern, June 30, 1821.

Mr. HURLEY, DENTIST,

PROPOSES to spend a short time in Newbern, and respectfully offers his professional services to the citizens of this town and its vicinity.

Mr. H. operates for all diseases incident to the teeth and gums; he frees the teeth from tartar, which if permitted to accumulate to a certain degree, will infallibly induce that most offensive disease, the scurvy; he arrests decay in its inception by filing, and when the caries has made considerable progress, he checks it effectually by plugging. When caries, so unfriendly to beauty and convenience, has made such ravages as to be otherwise irremediable, Mr. H. inserts Artificial Teeth, after the most approved manner, and executed in a style so nearly approaching nature, as to bid defiance to detection. It is well ascertained, that when the teeth of children are disposed to assume an irregular growth, unfavorable to symmetry and beauty, and tending to future diseases, this may be corrected by the timely application of proper means.

Mr. H. has a room suitable for the purposes of his profession, at Mr. Bell's Hotel; and if requested, he will attend the Ladies at their own houses.

May 19th, 1821.—165th.

VALUABLE FARM FOR SALE.

THE BANK OF CAPE FEAR offers for sale, the tract of Land called **LYON'S PASTURE.**

The improvements consist of a comfortable House, large and suitable, BARN, a strong GIN HOUSE, Negro Houses, &c.

If not previously disposed of at private sale, this property will positively be sold, at the Court-House in Newbern, on Monday the 22d day of October next, being the first day of the Superior Court of Craven County.

A LIBERAL CREDIT is offered, probably as accommodating as any man of capital would desire.
