 July 2d, 1821. }

NOTICE.

POLICE OFFICE,
 Newbern, 28th July, 1821.

THE Commissioners of the Town of Newbern give notice to the Inhabitants thereof, that it is the intention as it is the duty of the Board, to endeavor to cause all nuisances which may be injurious to the health of the town, to be removed. They remind the Inhabitants that, by the Act of the Assembly for preserving the health of the seaport towns of the State, the following are declared to be COMMON NUISANCES—viz. All ponds of stagnant waters; all cellars and foundations of houses, whose bottoms contain stagnant and putrid waters; all dead putrefied animals, lying about the docks, streets, lanes, alleys, vacant lots or yards; all privies, that have no wells sunk under them; all slaughter houses; all docks whose bottoms are alternately wet and dry by the ebbing and flowing of the tide; all accumulation of filth in the streets, lanes, alleys and gutters thereof; all accumulations of vegetable and animal substances undergoing a putrefactive fermentation.

By the same Act, proprietors of lots, which from their low situation are liable to retain tide or rain water, or on which cellars or foundations of houses may be dug, whether a tenement be erected over the same or not, shall, during the months of June, July, August, September and October, keep the said lots, cellars and foundations dry and free from stagnant and putrid waters and other filth, under the penalty of five dollars for every week such putrid water or filth shall remain thereon. It is further provided, that if the proprietors neglect to remove such nuisance, the Commissioners may cause it to be removed; the expense and fine to be recovered from the proprietors of the lots.

The Commissioners intreat the Inhabitants of the Town, to examine the premises they respectively occupy, and to remove speedily all nuisances which may be found upon them. They hope there is no citizen of the town so indifferent to the lives and happiness of his own family, or so callous to the distresses of his neighbour, as to be backward in adopting measures so essentially necessary to the health and prosperity of the town.

If notwithstanding the strong inducements to remove nuisances—any citizen should be found neglecting his duty, the Commissioners will feel themselves under the necessity of causing prosecutions to be instituted in the proper Courts.

By order of the Commissioners,
DANIEL SHACKELFORD,
 Intendant of Police.

Twenty-Five Dollars Reward.

RANAWAY from the Subscriber on the 1st of February last, a Negro Man named

SAM,

(OR SAM MADDON,) about fifty years of age, stout made, dark complexion, and about five feet eight or nine inches high.

Masters of vessels and others are cautioned against carrying away or harboring said fellow, as the law in such case made and provided will be strictly enforced.

The above reward will be paid to any person who shall apprehend and confine said negro, so that I get him again.

John Franklin.

Newbern, July 28th.—175 4i.

N. B. If in attempting to apprehend and confine SAM, violent means should be found necessary, and he be thereby killed, I will not hold the person using such means, liable for his value, but will pay him the reward herein offered. J. F.
