Description and Pedigree.

This elegant full blooded ARABIAN HORSE, SALADIN, was imported during the summer of 1820, from Tripoli, by his present owner, who selected him with the greatest care and attention, from the whole Stud of the Bashaw, and by the Certificate of the Bashaw's Public Secretary, Abraham Serusi, was declared to be of the finest and highest Arabian race ever imported into Barbary.—His Sire, KELED, was imported from the Kingdom of Sennar; his Dam, GAUINA, was selected from the Stables of the Emperor of Morocco, and sent a present to the Bashaw of Tripoli.

SALADIN

will be eight years old in May next, is fifteen and three quarters hands high, of a beautiful dapple colour, and for elegance of form, as well as activity and spirit, not surpassed by any horse ever imported into the United States. His reputation as a sure-foot getter, being now fully established, those who are desirous of improving the breed of that noble animal, the Horse, would do well to embrace the present opportunity.
