**North Carolina Female  
ACADEMY.**

THIS Institution, which, for several years  
past, has been conducted by Messrs. An-  
drews and Jones, will in future be superin-  
tended by the Revd. Joseph Labaree, assist-  
ed by the Revd. Thomas Skelton and wife,  
from Massachusetts, Miss Hannah Kennedy,  
who, for several years past, has taught Paint-  
ing and Drawing, in the school of Messrs.  
Andrews and Jones, and three other able  
and experienced teachers. The plan of in-  
struction in the institution, will be the same  
as that heretofore pursued.

Except when parents or guardians have  
near relatives in town, the pupils will board  
with the principal, will take their meals at  
the same table with his family, and in all re-  
spects be treated as his own children.

Board and tuition, in all the branches of  
English study, and needlework, will be charg-  
ed only sixty dollars per session. Music at  
thirty, Painting and Drawing at twenty. The  
foreign and dead languages, if required, will  
be taught by competent instructors. The  
school will be a cheap one. The principal is  
determined that there shall be no undue  
charges. No charges will be allowed except  
such as are particularly required by the pa-  
rent or guardian. The government of the  
school will be strictly paternal—the govern-  
ment of kindness and of reason.  
The principal will feel himself responsible  
for the morals and manners of his pupils, and  
while every thing sectarian on the subject of  
religion will wholly be avoided, he will do  
all in his power to give them genteel man-  
ners and to imbue their minds with those moral  
truths, which elevate the views, ennoble the  
feelings, and give some just notions of the  
real dignity of our nature.

The first session will commence on the 2d  
Monday of January next. Each pupil will  
be required to furnish her own sheets, blan-  
kets, and counterpane.

**Hillsborough Female Seminary**

THE First Session of this Institution clos-  
ed on the 17th ult.—at which time an  
approved Examination of the pupils was sus-  
tained in the presence of the School Com-  
mittee. The exercises of this Seminary will  
be resumed on Thursday the 12th of Janu-  
ary next. Competent Instructors will be in  
readiness at that time to meet the wishes of  
those Parents and Guardians who may com-  
mit their Children to our care, with a view  
to their instruction, in either the useful or  
ornamental branches of Female Education.  
The superintendent, deeply impressed with  
the importance of rightly training those who  
are now the daughters, but are shortly to be  
the wives and mothers of the community,  
pledges himself, as before, to exercise a pa-  
rental watchfulness over his pupils, and to  
give such direction to the instructors of the  
Seminary, as shall adapt them to the eternal  
as well as temporal interests of those com-  
mitted to his care.

Every thing taught shall be taught thor-  
oughly and with a view to practical life.  
And although the lighter gratifications of fe-  
male education, usually called "accomplish-  
ments" shall be attended to in their proper  
place and measure, yet the chief aim of the  
Instructor shall be to fit their pupils for  
usefulness, by inculcating, both by precept  
and example, *moderation, forbearance, good  
temper, self-control, and the morality of the  
Catholic.*

To Parents and Guardians at a distance,  
who may commend their children to his at-  
tention, the Superintendent engages to provide  
them with board, in families convenient to  
the Academy, and where all due attention  
will be paid to their morals, their manners,  
and their comfort.

Terms of Tuition at the usual rates.—  
Board can be obtained in the most respect-  
able families at \$10 per month, including

pectfully informs the Public,  
that he has reserved Rooms in  
his House for transient Custom-

He wishes it to be noticed, that hereafter,  
instead of the Union Hotel, his House will be

**Fayetteville Academy.**

A PRINCIPAL TEACHER is wanted in  
this institution, well qualified to instruct  
youths of both sexes in all the branches of an  
English and Classical education, and to pre-  
pare young men for entrance into the Junior  
Class of any College in the Union. His moral  
character, and qualification for teaching the  
Greek and Latin Classics, must be un-  
doubted.

It is the design of the Trustees to contract  
with a Gentleman who will take upon him-  
self the sole management and responsibility  
of the School, comprehending both depart-  
ments, Male & Female, supply the same with  
Teachers of his own choice, and furnish ev-  
ery other necessary, in consideration of which  
he will be entitled to regulate the price of  
tuition, and to receive all the emoluments  
derived from it.

This plan is recommended by the experi-  
ence, that salary employments do not stimu-  
late to that industry and zeal, which are ne-  
cessary to the successful progress and repu-  
tation of a large School, and has its founda-  
tion in that principle of self love, which  
prompts the exertions most where interest  
lies. By indentifying the interest of the  
Teacher with the character of the School,  
thus affording to the public the surest guar-  
ty of having their children faithfully taught.

The Academy lot and buildings are situat-  
ed in a very pleasant part of the town, on one  
of the principal streets, and in the neigh-  
borhood of the Episcopal and Presbyterian  
Churches. The lot is large, and will shade  
in the front yard, which communicates  
with the street over a stile: The main build-  
ing and wing are three stories high, with a  
double Portico in front, and is surmounted  
with a beautiful Belfry—the length & breadth  
of the main building is about 65 by 45  
feet, divided into large apartments, separated  
by large halls or passages through the centre.

They are sufficiently capacious to accom-  
modate a School of 200 scholars and a fami-  
ly, and the lot is supplied from a Hydrant in  
the front yard with good and wholesome wa-  
ter.

Few prospects can be more inviting than  
the present, to a married gentleman with a  
family, qualified to assist in the school, or  
capable of taking boarders, (and such a per-  
son the Trustees would greatly prefer) for  
it combines the advantages of two fold pro-  
fits, to be derived from teaching and board-  
ing children from abroad. And when it is  
known that the Academy is situated in a  
town with a population of 3600 souls, & that  
there is no Academy within 60 miles of it,  
in which the higher branches of learning are  
taught, the striking advantages of this offer  
cannot fail to make a strong appeal to the  
interest and enterprise of the first talents in  
the country devoted from necessity to the  
vocations of Literature.

The Trustees will lease the buildings, lot,  
&c. from the first day of January next; (when  
the present lease expires) for one year; af-  
ter which they will extend the term to any  
number of years the contracting parties can  
agree upon.

Letters, post paid, may be addressed to  
the subscribers at this place.
