### Stammering Cured.

Mrs. Leigh's & Dr. Yates' Virginia Institution for correcting Impediments of Speech.

THE Rev. THOMAS P. HUNT informs the public that he is qualified to act as Agent for Mrs. Leigh and Dr. Yates, "of the New-York Institution for correcting Impediments of Speech," for the State of Virginia.

He may be found at the Brunswick Mineral Springs, Va. 45 miles south of Petersburg. The stage passes by the Springs twice a day, and excellent accommodations on liberal terms may be obtained there.

Mrs. Leigh's system is founded on rational principles. There is no trick nor quackery in it. No stammerer need fear not being cured; nor a return of his disease. Numerous certificates from the most respectable gentlemen, to whom the system has been explained, and from those who have been cured by it, attest the certainty & permanency of Mrs. Leigh's discovery. These certificates may be seen by any who will apply. But the reputation of the system does not depend on certificates. If any doubt, we can convince them—if any stammer, we can cure them. Letters (post paid) directed to Percival's, Brunswick, Va. will receive immediate attention. Sept. 26—cont.

Petersburg, Va. Sept. 28 1826.

I CERTIFY with much pleasure, that under the tuition of the Rev. THOMAS P. HUNT, of Brunswick County, who is Mrs. Leigh's Agent in this state, for curing Impediments of Speech, I have been in three days entirely released from a very distressing habit of Stammering contracted upwards of thirty years ago.

If I ever Stammer again, it must unquestionably be my own fault, as I sincerely believe that all persons laboring under that affliction may be permanently relieved by Mrs. Leigh's System. I have yet remaining a slight hesitancy at the pronunciation of some very hard words, but I feel confident of being relieved even from that, in a very few days more.

H. B. GAINES.

WE, whose names are hereunto subscribed, do certify that we have been instructed by the Rev. Dr. Thomas P. Hunt, of Brunswick County, Va. in Mrs. Leigh's system of correcting impediments of speech, and that we are satisfied of the certainty and efficacy of her rule in affording permanent relief to all stammerers if they will apply her remedy, & it is our own fault if we are not entirely cured by it.
