Stammering Cured. Mrs. Leigh's & Dr. Vates' Virginia In stitution for correcting Impediments of

FIGHE Rev. THOMAS P. HUNT informs the public that he is qualified to act as Agent for Mrs. Leigh and Dr. Yates, "of the New-York Institution for correcting Impediments of Speech," for the State of Virginia. He may be found at the Brunswick Mineral

Springs, Va. 45 miles south of Petersburg. The stage passes by the Springs twice a day; and excellent accommodations on liberal terms may be obtained there.

Mrs. Leigh's system is founded on rational principles. There is no trick nor quackery in t. No stammerer need fear not being cured; nor a return of his disease. Numerous certificates from the most respectable gentlemen, to whom the system has been explained, and from those who have been cared by it, attest the certainty & permanency of Mrs. Leigh's discovery. These conficates may be seen by any who will apply. But the reputation of the system does not depend on certificates If any doubt, we can convince them-It any stammer, we can cure them. Letters I post paid) directed to Percival's, Brunswick, Va. will receive immedi-Sept. 26-eotf.

PETERSBURG, Va. Sept. 28 1826. I CERTIFY with much pleasure, that under the tuition of the Rev. THOMAS P. HUNT, of Brunswick County, who is Mrs. Leisn's Agent in this state, for curing impediments of Speech, I have been in three days entirely released from a very distressing habit of Stammering contracted upwards of thirty years ago.

If I ever Stammer again, it must unquestion-

ably be my own fault, as I sincerely believe that all persons laboring under that affliction may be permanently relieved by Mrs. Leigh's Sys tem. I have yet remaining a slight hesitancy at the pronunciation of some very hard words, but I feel confident of being relieved even from that, in a very few days more. H. B. GAINES.

WE, whose names are herounto subscribed do certify that we have been instructed by the Rev'd. Thomas P. Hunt, of Brunswick County, Va. in Mrs. Leigh's system of correcting impediments of speech, and that we are satisfied of the certainty and efficacy of her rule in affording permanent relief to all stammerers if they will apply her remedy, & it is our own fault if we are not entirely cured by it.

Register of Debates.

THE Publishers of the Register of Debates are under the disagreeable necessity of announcing to their readers, that the publication of the Second Volume must now necessarily be deferred until after the adjournment of the present Congress. Orders for the work, therefore, from booksellers and individuals will be thankfully received. GALES & SEATON. Washington, Feb. 3, 1827.

January 1826 28-415Feb. A POCKET-BOOK MISSING.

WHILST travelling on the road to Fayetteville on Sunday last, I missed my PocketBook containing upwards of Fifty Dollars in
Bank Notes—one was a \$20 note of the Bank of
Newbern, the balance tens and under—it also
contained a recommendation from Messrs. Gales

notice to attend muster and other papers which
will shew to whom the Book belongs. As this
was all the money I possessed I have the public the Court that publication be made for 6 weeks in the Raleigh Register, giving notice to the said defendants to appear at the pext Court of Pleas Quarter Sessions to be held for the County of Rockingham, at the Courthouse in Wentworth, on the 4th Monday of February next, and answer, otherwise Judgment and decree will be entered against them. Witness, Ro. Galloway, Clerk of said Court, at Wentworth, the 4th Monday of November, 1826.

Will shew to whom the Book belongs. As this was all the money I possessed, I hope the public will feel interested in its being again restored to me, and should any negro of suspicious while person offer a twenty wollar note at any of the stores or shops in Raleigh, information will please to conveyed immediately to Mr Green Book it. I had the Book in Raleigh or Sasurday, and did not discover that it was not in measurement.
