In the District Chancery Court, at Jackson, September Term, 1828. Between John L. Richardson and Caleb W. Richardson, infants, by their guardian, George Ferebee, and J. Whitehurst and Oly. his wife, Complainants. Original Bill and

The President and Trustees of the University of North Carolina, Defendants. The complainants having filed their original bill of complaint against the Defendants, wherein and whereby they set forth and complain, that they, the said John L. Caleb, and Oly., are the only children and heirs at Law of Jonathan Richardson, late of Camden county, N. C. who died in 1822 or 1823 intestate, who was only son and heir of John Richardson, formerly of said county, (of Camden), who died between the years 1780 and 1790 intestate; that the said John Richardson served as an Ensign, in the 10th regiment of the North Carolina line, in the War of the Revolution, in such a manner as to entitle him to a military land warrant, according to the laws of said State, passed for the relief and compensation of the Officers and Soldiers of said line, for twenty-five hundred and sixty acres; that the said John Richardson died without ever having drawn or authorized it to be done, or assigned his warrant for said services; that the said Jonathan Richardson also died, without ever having drawn or authorized it to be done, or assigned said warrant; that the Complainants are entitled to said warrant, and that it should have issued to them only, or one of their ancestors; but that on the 16th day of August, 1821, the Defendants, fraudulently combining with certain Commissioners of the State of North Carolina, appointed for the sole purpose of delivering to the military claimants under that State, and those claiming under them their warrants, caused and procured, under some false and groundless and fraudulent pretence, the warrant which the Complainants were entitled to, to be issued to them, the Defendants, in consequence of the alleged death of the said John Richardson without heirs, by No. 582, which recites upon its face, that it was issued for the services of John Richardson, an Ensign in the line aforesaid, in the Revolutionary War; that said Defendants caused the said warrant to be brought to Tennessee, and located in their names upon a tract of land, situated in what is now Fayette county, and on the 24th day of Jan. 1825, a grant for said land was issued to them, for the same, founded on said warrant, and the title to said land so far as it is vested by said grant, now exists in said Defendants, who claim the same in opposition to the Complainants, and keep them out of possession, and deny that the title to said land, may be divested out of the Defendants, and vested in the Complainants, and that such other and further decree may be made in the premises, as to Equity shall seem meet, and the nature of the case requires; and it appearing to the satisfaction of the Court, by the return of the Sheriff of Madison county herein, and the affidavit of the Complainants' Solicitor, that the said Defendants, the President and Trustees of the University of North Carolina, are not inhabitants of this State, but that the said Defendants are a corporation, chartered by the State of North Carolina, and that the individual members of said corporation, are all citizens and inhabitants of said State of North Carolina; and they having failed to enter their appearance herein, according to Law and the rules of this Court: It is therefore ordered that they enter their appearance herein at the next Term of this Court, to be held on the 4th Monday in the month of March next, and plead, answer or demur to the Complainants' bill of complaint, otherwise the same will be taken for confessed against them, set for hearing ex parte, and the matters thereof decreed accordingly; and it is further ordered, that a copy of this order be forthwith published for four weeks in succession in the Raleigh Register, a newspaper published in the City of Raleigh, in the State of North Carolina. Shocco Female Academy.

MRS. LUCAS respectfully informs her friends and the public, that the Exercises of the above Academy will be resumed on the 1st Monday in February next. The utmost attention will be paid to the morals and behavior of the young Ladies placed in this Seminary; and its retired, pleasant & healthy situation, its salubrious air and fine spring water, make it a very desirable residence for youth. This Academy has been under her care for the last seven years, and only one case of sickness has occurred during this time, although the principal part of her pupils were from the most unhealthy parts of the State. Being only a few miles from the Stage road, her Academy affords opportunities for Parents and Guardians of regular communications with their Children and Wards. In addition to the usual Elements of Education and Plain and Ornamental Needle Work, the young Ladies will be instructed in Geography, History, Astronomy, Chemistry, Botany, Philosophy, Mythology, Drawing and Painting on Velvet, Music &c. LOOK AT THIS!!!

Being resolved to move to the country, I offer for sale that valuable lot at the corner of Fayetteville and Harget streets: the corner building has been occupied for the last ten years as a Medicine and Drug Store, and now occupied by Messrs. Williams & Haywood, and Dunn & Christopher. It is thirty-two by forty feet, two stories high, a perfectly dry cellar of the same size, two tenements on main street, with sufficient room in the rear for a large family; one house fronting Harget Street, now occupied as a Grocery Store, a two story ware-house, kitchen, smoke-house, with others proper for a family. This property is in the centre of business. The two tenements are so connected, that by a small alteration, a Room may be made sufficiently spacious for the most extensive business. To those who are unacquainted, it may be said there are but few better stands, if any, in the State. The lot on Hillsborough street, now occupied by the subscriber. This property is handsomely situated, about one hundred yards out of the limits of the corporation. Having the advantage of town and country, it is well worth the attention of those wishing a pleasant seat a little retired from the bustle of business. It has on it a two-story dwelling house, with four rooms below and four above stairs, and six fire places, with a large fertile garden, and a well of water in the yard, inferior to none in the vicinity of Raleigh. Also a two acre vacant lot, lying within one hundred and fifty yards of the eastern boundary of the corporation, directly on the Newbern road. 143 acres of good land on Buckhorn creek, 30 miles south west of Raleigh, on which there is a grist mill, with a bolting cloth; a cotton gin to go by water; and a house with the running gear for one to go by horse, all new; a new frame dwelling with all other out houses proper for a family. At the mill, is a house fitted up, and formerly occupied as a store, and it may be truly said there is not a better stand in the country. The creek is nearly a never failing stream, and when the mills were quite out of repair, the property rented for \$150 per year. The whole of the above valuable property will be sold on very accommodating terms, and at prices suitable to the present hard times. RANDOLPH WEBB. Raleigh, January 1, 1829. 36-3w.
