

**State of Tennessee, Sec. 8th Judicial Circuit.**  
 In the District Chancery Court, at Jackson, September Term, 1828.  
 Between John L. Richardson and Caleb W. Richardson, infants, by their guardian, George Ferebee, and J. Whitehurst and O'ly, his wife, Complainants, } Original Bill.  
 and  
 The President and Trustees of the University of North Carolina, Defendants.

THE Complainants having filed their original bill of complaint against the Defendants, wherein and whereby they set forth and complain that they, the said John L. Caleb, and O'ly, are the only children and heirs at Law of Jonathan Richardson, late of Camden county, N. C. who died in 1822 or 1823 intestate, who was only son and heir of John Richardson, formerly of said county, (of Camden,) who died between the years 1780 and 1790 intestate; that the said John Richardson served as an Ensign, in the 10th regiment of the North Carolina line, in the War of the Revolution, in such a manner as to entitle him to a military land warrant, according to the laws of said State, passed for the relief and compensation of the Officers and Soldiers of said line, for twenty-five hundred and sixty acres; that the said John Richardson died without ever having drawn or authorized it to be done, or assigned his warrant for said services; that the said Jonathan Richardson also died, without ever having drawn or authorized it to be done, or assigned said warrant; that the Complainants are entitled to said warrant, and that it should have issued to them only, or one of their ancestors; but that on the 16th day of August, 1821, the Defendants, fraudulently combining with certain Commissioners of the State of North Carolina, appointed for the sole purpose of delivering to the military claimants under that State, and those claiming under them their warrants, caused and procured, under some false and groundless and fraudulent pretence, the warrant which the Complainants were entitled to, to be issued to them, the Defendants, in consequence of the alleged death of the said John Richardson without heirs, by No. 582, which recites upon its face, that it was issued for the services of John Richardson, an Ensign in the line aforesaid, in the Revolutionary War; that said Defendants caused the said warrant to be brought to Tennessee, and located in their names upon a tract of land, situated in what is now Fayette county, and on the 24th day of Jan. 1825, a grant for said land was issued to them, for the same, founded on said warrant, and the title to said land so far as it is vested by said grant, now exists in said Defendants, who claim the same in opposition to Complainants, and keep them out of possession; and prays that the title to said land, may be divested out of the Defendants, and vested in Complainants, and that such other and further decree may be made in the premises, as to Equity shall seem meet, and the nature of the case requires: And it appearing to the satisfaction of the Court, by the return of the Sheriff of Madison county herein, and the affidavit of the Complainants' Solicitor, that the said Defendants, the President and Trustees of the University of North Carolina, are not inhabitants of this State, but that the said Defendants are a corporation, chartered by the State of North Carolina, and that the individual members of said corporation, are all citizens and inhabitants of said State of North Carolina; and they having failed to enter their appearance herein, according to Law and the rules of this Court: It is therefore ordered that they enter their appearance herein at the next Term of this Court, to be held on the 4th Monday in the month of March next, and plead, answer or demur to the Complainants' bill of complaint, or otherwise the same will be taken for confessed against them, set for hearing *ex parte*, and the matters thereof decreed accordingly; and it is further ordered, that a copy of this order be forthwith published for four weeks in succession in the Raleigh Register, a newspaper published in the City of Raleigh, in the State of North Carolina. A copy.

**TO THE AFFLICTED.**

**HADLOCK'S Vegetable Syrup and Powder, FOR DISEASES OF THE LUNGS.**

THE Proprietor of this Medicine, after repeated trials of its virtues, which have been attended with the most signal success, now offers it to those who are afflicted with the wasting diseases which it is designed to relieve, in full confidence that it will be found efficacious, particularly if taken in the incipient stages of these diseases.

For two years past, this Medicine has been prepared in the form of a Powder, & taken as an infusion, with the most happy success. It is now offered to the afflicted in the form of a Syrup or in Powder, as the Patient may prefer, under the conviction, that either form will produce the same happy result. Among its most prominent qualities the following may be mentioned, as entitled to particular consideration. It promotes that gentle perspiration which is deemed healthy, and checks those sweats which are morbid and pernicious. It relieves chronic affections and congestions of the lungs by giving force to the languid circulation. It assuages coughs. It promotes free and bland expectoration. It removes pain from the chest. It relieves asthmatic and difficult respiration. It corrects obstinate costiveness, and thus leaves the bowels in a regular and healthy state. Thus, it is found, that these painful symptoms which indicate diseased lungs, readily yield to this powerful remedy, when seasonably resorted to, and that it restores the patient to that bodily vigour, which that cruel disorder the consumption, if left to its natural operation, would very speedily destroy.  
 Certificates respecting the virtue of this Medicine will accompany each bottle. Price \$2 50 a bottle, or \$24 a dozen.

**The Celebrated and thorough-bred Race Horse,**

WASHINGTON, will stand at my Stable in this place, (which is 59 miles from Raleigh, 23 from Hillsborough, 36 from Oxford, and 12 from Milton) the ensuing season, which will commence the 1st of March, and end the 15th of July, and will be let to mares at the low price of Twenty Dollars the season, which may be discharged by the payment of Fifteen Dollars, if paid within the season; with fifty cents to the Groom. Good Pasturage will be provided for Mares, and grain &c. furnished at the market prices. Every care will be taken to prevent, but I will not be responsible for escapes or accidents of any kind.  
 Washington is a bright sorrel, five feet two and a half inches high, ten years old the ensuing Spring, of great strength, power, muscle, bone and sinew; was got by the celebrated race horse Timoleon, one of the best sons of Sir Archie, out of the noted Mare Aradine, by Citizen Wildart, Spadille and Silver-eye—thus uniting in himself, in an eminent degree, the best and most approved blood of the country, to wit: Caroline, Reality, Vanity, Sir Archie, Citizen, Puculet, and Monsieur Tonson. But the following Certificate from the most eminent sportsmen of the country, and best judges of the blooded horse, will readily establish his reputation, as a stallion of the very first order, together with his having already proven himself to be a sure and first rate foal getter.  
 We, the undersigned, having been in the habit of seeing and running horses for a time past, take pleasure in rendering justice to the stallion Washington. His runs, two, three & four mile heats, have distinguished him as a racer of the first order. The runs of Aradine, his dam, gave her a high station on the turf; and the races of his sire, Timoleon, are acknowledged by all to have been the best ever run, and the colts of Timoleon, her colts, and particularly this Fall, have not only been good, but great.  
 Given under our hands, this 16th day of Nov. 1828.

**PERFORMANCES.**

Washington, in 1822, when he was 3 years old, was engaged in four Sweepstakes; in the Spring he won the Stakes at New-Market & Lawrenceville; in the Fall he was beaten at Warrenton, by John Richards; he won the 1st heat, but lost the 2d, by having a bad start, whereby he lost about eighty yards, and was only beaten half a length. Being considered in bad order he was drawn, having the sweepstakes at New-Market to run for, which he won, beating the celebrated race horse Henry (the same that ran against Eclipse for twenty thousand dollars); there were four heats in this race, the first being a dead heat; Henry won the second, Washington the 3d and 4th.  
 In the Spring of 1823, he was tramped at New-Market, but owing to his having a carb on one of his legs, the first of the training season, he only ran one race. He was handsomely capped at New-Market with Sir William, and a horse belonging to Col. Wymie. Washington won the first heat, Sir William the second and third, Washington was unfortunate in this race; he lost considerably in starting for the second heat, and was only beaten a length. This heat was run in three minutes forty-five seconds, which is two seconds less than any two mile heat he ever been run at New-Market. Sir William had ten pounds off his regular weight, and Washington carried a full weight.  
 The following Fall he won the Proprietor's Purse at New-Market, three hundred dollars, three mile heats. The first heat in this race was also run in two seconds less than any record on that ground.  
 He was then carried to Baltimore, where he won the Proprietor's Purse of five hundred dollars, beating the celebrated race horse Flying Childers with ease. He was discovered to be lame after his race, occasioned as was supposed by the situation of the ground, it being a new tract.  
 He was then carried to Washington City, and ran one heat in that situation, but was beaten by a mare of Mr. Wymie's, and was drawn. He was trained the Spring following, and won the Jockey Club Purse four mile heats, at New-Market, six hundred dollars, with ease, beating Colonel Wymie's mare Phirdia, & Capt. Harrison's horse Atlas.
