TO THE AFFLICTED.
HADLOCK'S
Vegetable Sirup and Powder,
FOR DISEASES OF THE LUNGS.

THE Proprietor of this Medicine, after repeated trials of its virtues, which have been attended with the most signal success, now offers it to those who are afflicted with the wasting diseases which it is designed to relieve, in full confidence that it will be found efficacious, particularly if taken in the incipient stages of these diseases.

For two years past, this Medicine has been prepared in the form of a Powder, & taken as an infusion, with the most happy success. It is now offered to the afflicted in the form of a Sirup or in Powder, as the Patient may prefer, under the conviction, that either form will produce the same happy result. Among its most prominent qualities the following may be mentioned, as entitled to particular consideration. It promotes that gentle perspiration which is deemed healthy, and checks those sweats which are morbid and pernicious. It relieves chronic affections and congestions of the lungs by giving force to the languid circulation. It assuages coughs. It promotes free and bland expectoration. It removes pain from the chest. It relieves asthmatic and difficult respiration. It corrects obstinate costiveness, and thus leaves the bowels in a regular and healthy state. Thus, it is found, that these painful symptoms which indicate diseased lungs, readily yield to this powerful remedy, when seasonably resorted to, and that it restores the patient to that bodily vigour, which that cruel disorder the consumption, if left to its natural operation, would very speedily destroy.

Certificates respecting the virtue of this Medicine will accompany each bottle. Price \$2 50 a bottle, or \$24 a dozen.

The Celebrated and thorough-bred Race Horse,
WASHINGTON.

will stand at my Stable in this place, (which is 59 miles from Raleigh, 23 from Hillsborough, 56 from Oxford, and 12 from Milton) the ensuing season, which will commence the 1st of March and end the 15th of July; and will be let to mares at the low price of Twenty Dollars the season, which may be discharged by the payment of Fifteen Dollars, if paid within the season; with fifty cents to the Groom. Good Pasturage will be provided for Mares, and grain &c. furnished at the market prices. Every care will be taken to prevent, but I will not be responsible for escapes or accidents of any kind.

Washington is a bright sorrel, five feet two and a half inches high; ten years old the ensuing Spring, of great strength, power, muscle, bone and sinew; was got by the celebrated race horse Timoleon, one of the best sons of Sir Archie, out of the noted Mare Ariadne, by Citizen, Wildair, Spadille and Silver-eye—thus uniting in himself, in an eminent degree, the best and most approved blood of the country, to wit: Caroline, Reality, Vanity, Sir Archie, Citizen, Paeolet, and Monsieur Tomson. But the following Certificate from the most eminent sportsmen of the country, and best judges of the blooded horses, will readily establish his reputation, as a stallion of the very first order, together with his having already proven himself to be a sure and first rate foal getter.

We, the undersigned, having been in the habit of seeing and running horses for a time past, take pleasure in rendering justice to the stallion Washington. His runs, two, three & four mile heats, have distinguished him as a racer of the first order. The runs of Ariadne, his dam, gave her a high station on the turf; and the races of his sire, Timoleon, are acknowledged by all to have been the best ever run, and the colts of Timoleon, heretofore, and particularly this Fall, have not been good but great.

Given under our hands, this 16th day of Nov 1826.

PERFORMANCES.

Washington, in 1822, when he was 3 years old, was engaged in four Sweepstakes; in the Spring he won the 8 akes at New-Market & Lawrenceville; in the Fall he was beaten at Warrenton, by John Richards; he won the 1st heat, but lost the 2d, by having a bad start, whereby he lost about eighty yards, and was only beaten half a length. Being considered in bad order he was drawn, having the sweepstakes at New-Market to run for, which he won, beating the celebrated race horse Henry (the same that ran against Eclipse for twenty thousand dollars) there were four heats in this race, the first being a dead heat; Henry won the second, Washington the 3d and 4th.

In the Spring of 1823, he was trained at New-Market, but owing to his having a curb on one of his legs, the first of the training season, he only ran one race. He was handy capped at New-market with Sir William and a horse belonging to Col. Wympe. Washington won the first heat, Sir William the second and third, Washington was unfortunate in this race; he lost considerably in starting for the second heat, and was only beaten a length. This heat was run in three minutes forty-five seconds, which is two seconds less than any two mile heat has ever been run at New-market. Sir William had ten pounds off his ure, and Washington carried his full weight.

The following Fall he won the Proprietor's Purse at New-Market, three hundred dollars, three mile heats. The first heat in this race was also run in two seconds less than any on record on that ground.

He was then carried to Baltimore, where he won the Proprietor's Purse of five hundred dollars, beating the celebrated race horse Flying Colliers with ease. He was discovered to be lame after this race, occasioned as was supposed by the situation of the ground, it being a wet tract.

He was then carried to Washington City, and ran one heat in that situation, but was beaten by a mare of Mr. Wynn's, and was drawn. He was trained the Spring following, and won the Jockey Club Purse four mile heats at New-Market, six hundred dollars, with ease, beating Colonel Wynn's mare Futaba, & Capt. Harrison's horse Aratus.
