TO THE AFFLICTED.

#### HADLOCK'S Vegetable Siriep and Powder. FOR DISEASES OF THE LUNGS.

THE Proprietor of this Medicine, after repent ed trials of its virtues, which have been at. tended with the most signal success, now offen it to those who are afflicted with the wasting diseases which it is designed to relleve, in full confidence that it will be found efficacious, par-ticularly if taken in the incipient stages of these diseases.

For two years past, this Medicine has bee prepared in the form of a Powder, & taken as an infusion, with the most happy success. It is now offered to the afflicted in the form of a Sirup or in Powder, as the Patient may prefer, under the conviction, that either form will produce the same happy result. Among its most prominent qualities the following may be mentioned, as en-titled to particular consideration. It promotes that gentle perspiration which is deemed healthy. and checks those sweats which are morbid and pernicious. It relieves chronic affections and congestions of the lungs by giving force to the languid circulation. It assuages coughs. It promotes free and bland expectoration. It remove pain from the chest. It relieves asthmatic and difficult respiration. It corrects obstinate cos tiveness, and thus leaves the bowels in a regular and healthy state. Thus, it is found, that these painful symptoms which indicate diseased lung readily yield to this powerful remedy, when sea sonably resorted to, and that it restores the p tient to that bodily vigour, which that crue disorder the consumption, if left to its nature operation, would very speedily destroy. Certificates respecting the virtue of this Medcine will accompany each bottle. Price of the Syrup, \$2 50 per bottle, or \$24 a dozen. Of the Powder \$1 per bottle, or \$9 a dozen. JAMES HADLOCK.
