TO THE AFFLICTED.

HADLOCR'S Vegetable Sirup and Powder. FOR DISEASES OF THE LUNGS.

THE Proprietor of this Medicine, after repeats ed trials of its virtues, which have been at. tended with the most signal success, now offere it to those who are afflicted with the wasting diseases which it is designed to relieve, in full confidence that it will be found efficacious, pur ticularly if taken in the inciplent stages of these diseases.

For two years past, this Medicine has been prepared in the form of a Powder, & taken as an nfusion, with the most happy success. It is now offered to the afflicted in the form of a Sirup or in Powder, as the Patient may prefer, under the conviction, that either form will produce the same happy result. Among its most prominent qualities the following may be mentioned, as enutled to particular consideration. It promotes that gentle perspiration which is deemed healthy, and checks those sweats which are morbid and pernicious. It relieves chronic affections and congestions of the lungs by giving force to the languid circulation. It assuages coughs. It promotes free and bland expectoration. It removes pain from the chest. It relieves asthmatic and difficult respiration. It corrects obstinate cos. tiveness, and thus leaves the bowels in a regular and healthy state. Thus, it is found, that these painful symptoms which indicate diseased lungs, readily yield to this powerful remedy, when seasonably resorted to, and that it restores the patient to that bodily vigour, which that crue disorder the consumption, if left to its natural operation, would very speedily destroy. Certificates respecting the virtue of this Medicine will accompany each bottle. Price of the Syrup, \$2 50 per bottle, or \$24 a dozen. Of the Powder \$1 per bottle, or \$9 a dozen.
