THE Proprietor of this Medicine, after repeated trials of its virtues, which have been at tended with the most signal success, now offen it to those, who are afflicted with the wasting diseases which it is designed to relieve, in ful confidence that it will be found efficacious, particularly if taken in the incipient stages of these diseases.

For two years past, this Medicine has been prepared in the form of a Powder, & taken as an infusion, with the most happy success. It is now offered to the aiflicted in the form of a Sirup or in Powder, as the Patient may prefer, under the conviction, that either form will produce the same happy result. Among its most prominent qualities the following may be mentioned, as entitled to particular consideration. It promoter that gentle perspiration which is deemed health and checks those swears which are morbid and pernicious. It relieves chronic affections and congestions of the lungs by giving force to the languid circulation. It assurges coughs. It promotes free and bland expectoration. It removes pain from the chest. It relieves asthmatic and difficult respiration. It corrects obstinate cos. tiveness, and thus leaves the bowels in a regula and healthy state. Thus, it is found, that these painful symptoms which indicate diseased lungs >leigh,&sundry other readily yield to this powerful remedy, when see sonably resorted in, and that it restores the m
