TO THE AFFLICTED.

# HADLOCH'S Vegetable Sirup and Powders FOR DISEASES OF THE LUNGS.

THE Proprietor of this Medicine, after repeat ed trials of its virtues, which have been at tended with the most signal success, now offen it to those who are afflicted with the wasting diseases which it is designed to rel'eve, in full confidence that it will be found efficacious, put ticularly if taken in the incipient stages of the diseases.

For two years past, this Medicine has been prepared in the form of a Powder, & taken as an infusion, with the most happy success. It is now offered to the afflicted in the form of a Sirup or in Powder, as the Patient may prefer, under the conviction, that either form will produce the same happy result. Among its most promin qualities the following may be mentioned, as en-titled to particular consideration. It promotes that gentle perspiration which is deemed health and checks those swears which are morbid and pernicious. It relieves chronic affections and congestions of the lungs by giving force to the languid circulation. It assuages coughs. It promotes free and bland expectoration. It removes pain from the chest. It relieves asthmatic and difficult respiration. It corrects obstinate cos. tiveness, and thus leaves the bowels in a regular and healthy state. Thus, it is found, that these painful symptoms which indicate diseased lungs readily yield to this powerful remedy, when sea ionably resorted to, and that it restores the patient to that bodily vigour, which that cruel disorder the consumption, if left to its natural operation, would very speedily destroy. Certificates respecting the virtue of this Medi-cine will accompany each bottle. Price of the Syrup, \$2 50 per hottle, or \$24 a dozen. Of the Powder \$1 per bottle, or \$9 a dozen. JAMES HADLOCK. Fayetteville, Feb. 1829. 53-This Medicine may be had at the Store of GALES & SON, Raleigh.
