TO THE AFFLICTED. HADLOCK'S Fegetable Sirup and Powder,

THE Proprietor of this Medicine, after repeate L ed trials of its virtues, which have been at tended with the most signal success, now offers it to those who are afflicted with the wasting diseases which it is designed to relieve, in full confidence that it will be found efficacious, particularly if taken in the incipient stages of these

FOR DISEASES OF THE LUNGS.

For two years past, this Medicine has been prepared in the form of a Powder, & taken as an infusion, with the most happy success. It is now offered to the afflicted in the form of a Sirup or in Powder, as the Patient may prefer, under the conviction, that either form will produce the same happy result. Among its most prominent qualities the following may be mentioned, as en-titled to particular consideration. It promotes that gentle perspiration which is deemed healthy and checks those sweats which are morbid and pernicious. It relieves chronic affections and congestions of the lungs by giving force to the languid circulation. It assurges coughs. It promotes free and bland expectoration. It removes pain from the chest. It relieves asthmatic and difficult respiration. It corrects obstinate costiveness, and thus leaves the bowels in a regular and healthy state. Thus, it is found, that these painful symptoms which indicate diseased lungs, eadily yield to this powerful remedy, when sea sonably resorted to, and that it restores the pa tient to that bodily vigeur, which that cruel disorder the consumption, if left to its natural operation, would very speedly destroy.

Certificates respecting the virtue of this Medicine will accompany each bottle. Price of the Syrup, \$2 50 per bottle, or \$24 a dozen. Of the Powder \$1 per bottle, or \$9 a dozen.

JAMES HADLOCK. Favetteville, Feb. 1829. This Medicine may be had at the Store of J. GALES & SON, Raleigh.
