MEDICAL COMPANION,

FAMILY PHYSICIAN;

TREATING OF THE DISEASES OF THE UNITED STATES,

With their symptoms, causes, cure, and means of prevention: common cases in Surgery; the management and diseases of Women and Children; a Dispensary, for preparing Family Medicines, and a Glossary explaining Technical terms—Also, the Nurse's Guide.

The Seventh Edition. Revised, enlarged, and very considerably improved. BY JAMES EWELL, M. D.

On the important subject of domestic medicine, many books have been written, which, though excellent in other respects, have greatly failed of usefulness to Americans; because they treat of diseases which, existing in very foreign climates and constitutions, must widely differ from ours. The book now offered to the public has, therefore, the great advantage of having been written by a native American, of long and successful practice in the Southern states, and who, for years past, has turned much of his attention to the composition of it.

To every family, more especially those in remote situations, the possession of this book must unquestionably, be of incalculable value; for, conducted by such a guide, it will not be presumptuous to say that any person of tolerable capacity, and reasonable attention, may be enabled to practise with safety and advantage, in those cases of simple diseases most incident to our climate.

This work is for sale, by Jo. GALES & SON. 95- August 1.

American Turf Register AND SPORTING MAGAZINE.

THE want of a repository in this country, like the English Sporting Magazine, to serve as an authentic record of the performances and pedigrees of the bred horse, will be admitted by all, whether breeders, owners, or amateurs of that admirable animal. The longer we remain without such a register, the more difficult will it be to trace the pedigrees of existing stock, and the more precarious will its value become. It is not, in fact, within the knowledge of many readers, that animals known to have descended from ancestry of the highest and purest blood, have been confounded with the vulgar mass of their species, by the loss of an old newspaper or memorandum book, that contained their pedigrees? Sensible for years past of the danger which in this way threatens property of so much value, and persuaded that it is not yet too late to collect and save many precious materials that would soon be otherwise lost, the subscriber hopes to supply the long looked for desideratum, by the establishment of "THE AMERICAN TURF REGISTER." But though an account of the performances on the American Turf, and the pedigrees of thorough-bred horses, constitutes the chief aim of the work, it is designed, also, as a Magazine of information (like the English Sporting Magazine) on veterinary subjects generally; and of various rural sports, as Racing, Shooting, Hunting, Fishing, Trotting Matches, &c. together with original sketches of the natural history and habits of American game of all kinds; and hence the title, "The American Turf Register and Sporting Magazine." It will of course be the aim of the Editor to give to his journal an original American cast, conveying at once, to readers of all ages, amusement and instruction, in regard to our own country, its animals, birds, fish, &c. in the absence of domestic materials, the magazines received from abroad will supply an ample stock of appropriate matter.

Finally, as to the style and execution of the work, the first number, just published and ready for delivery, may be received as a fair specimen, entitled to some allowance for the imperfections inseparable from the first essay in a new and somewhat complicated and difficult enterprise. J. S. SKINNER. CONDITIONS. The SPORTING MAGAZINE will be published monthly. Each number will consist of about fifty pages, embellished with beautiful engravings—price \$5 per annum, to be paid on the receipt of the first number.

PROCLAMATION.

By the Governor of North-Carolina. Two Hundred Dollars Reward.

WHEREAS it has been made known to me, that a Murder has been committed in the Town of Oxford, in the County of Granville and State of North-Carolina, on the 4th day of November last, and that a certain THOMAS MITCHELL, late of the County and State aforesaid, stands charged by the finding of a Grand Jury, on a bill of Indictment, with having perpetrated the same on the body of a certain Shelton Hobgood, of said County—And, as it is further represented and made known to me, that the said THOMAS MITCHELL hath absconded and fled from the jurisdiction and limits of this State, and thereby eluded the arm of the law and of justice: Now therefore, to the end that the said THOMAS MITCHELL may be apprehended and brought to justice, the above reward of TWO HUNDRED DOLLARS will be given to any person or persons who will apprehend and confine the said Thomas Mitchell in any Jail in this State, so that he may be brought to justice—And I do, moreover, hereby require, command and enjoin, all officers whatsoever, as well civil as military, within this State, to use their best endeavors so apprehend and take, or cause to be apprehended and taken, the body of the said Thomas Mitchell, and him safely and securely keep, so that he shall be brought to justice. THOMAS MITCHELL is about 19 years of age, of slender form, down look, a little rickled round shoulders and hazel eyes—was lately seen by a gentleman of Granville County at New Orleans, where probably he now is.

IN TESTIMONY WHEREOF, I have caused the Great Seal of the State to be hereunto affixed, and subscribed the same officially, at the City of Raleigh, on the 20th day of June, A. D. 1829. JOHN OWEN.

TO THE AFFLICTED. HADLOCK'S Vegetable Sirup and Powder, FOR DISEASES OF THE LUNGS.

THE Proprietor of this Medicine, after repeated trials of its virtues, which have been attended with the most signal success, now offers it to those who are afflicted with the wasting diseases which it is designed to relieve, in full confidence that it will be found efficacious, particularly if taken in the incipient stages of these diseases. For two years past, this Medicine has been prepared in the form of a Powder, & taken as an infusion, with the most happy success. It is now offered to the afflicted in the form of a Sirup or in Powder, as the Patient may prefer, under the conviction, that either form will produce the same happy result. Among its most prominent qualities the following may be mentioned, as entitled to particular consideration. It promotes that gentle perspiration which is deemed healthy and checks those sweats which are morbid and pernicious. It relieves chronic affections and congestions of the lungs by giving force to the languid circulation. It assuages coughs. It promotes free and bland expectoration. It removes pain from the chest. It relieves asthmatic and difficult respiration. It corrects obstinate costiveness, and thus leaves the bowels in a regular and healthy state. Thus, it is found, that these painful symptoms which indicate diseased lungs, readily yield to this powerful remedy, when seasonably resorted to, and that it restores the patient to that bodily vigour, which that cruel disorder the consumption, if left to its natural operation, would very speedily destroy. Certificates respecting the virtue of this Medicine will accompany each bottle. Price of the Sirup, \$2.50 per bottle, or \$24 a dozen. Of the Powder \$1 per bottle, or \$9 a dozen. JAMES HADLOCK. Fayetteville, Feb. 1829. 53-

This Medicine may be had at the Store of GALES & SON, Raleigh.

Office of the National Intelligencer, October 15, 1829. Within the last three months, subscribers to this paper throughout the country, who are in arrears, have been generally advised of the fact, and of the amount due. It is proper it should be understood that, about the 10th of December we shall discontinue sending the Paper to all those in arrears, who shall not by that time have made payment.
