THE MEDICAL COMPANION, OR FAMILY PHYSICIAN;

TREATING OF THE

DISEASES OF THE UNITED STATES,

With their symptoms, causes, cure, and means of prevention: common cases in Surgery; the management and diseases of Women and Children; a Dispensatory, for preparing Family Medicines, and a Glossary explaining Technical terms—Also, the Nurse's Guide.

The Seventh Edition.

Revised, enlarged, and very considerably improved.

BY JAMES EWELL, M. D.

On the important subject of domestic medicine, many books have been written, which, though excellent in other respects, have greatly failed of usefullness to Americans; because they treat of diseases which, existing in very *foreign climates and constitutions*, must widely differ from ours. The book now offered to the public has, therefore, the great advantage of having been written by a native American, of long and successful practice in the southern states, and who, for years past, has turned much of his attention to the composition of it.

To every family, more especially those in remote situations, the possestion of this book must unquestionably, be of incalculable value: for, conducted by such a guide, it will not be presumptuous to say that any person of tolerable capacity, and reasonable attention, may be enabled to practise with safety and advantage, in those cases of simple diseases most incident to our climate.

MR. & MRS. HOLLISTER have removed their Seminary for Young Ladies to Oxford, N. C. and have engaged the assistance of Miss E. HUMPHREYS, in the department of Music. Of the qualifications of Miss Humphreys, the public need no better proof than the high reputation which she has maintained during the two last years as a Teacher of Music in Oxford, and the fact that previous to her coming to this place she was the principal Teacher of Music in the celebrated Moravian School at Bethlehem, Pennsylvania.

This Seminary, which has been in operation in Mecklenburg, Va. for two years past, has received unequivocal proofs of the approbation of an enlightened public. The plans employed for promoting habits of diligence and correct deportment, are, for the most part original, and very powerful in their influence.

The next Session will commence on Monday the 11th of January next. For further particulars, enquiries may be addressed to Rev. E. Hollister, Oxford, N. C.
