REPUBLICAN WHIG MEETINGS.

From the Faye MOORE COUNTY,

Previous notice being given, a respectable fortion of the Whigs of Moore County asembled at the Court House in Carthage, on the 4th inst. The meeting was organized by the 4th inst. The meeting was organized ond fare, and an ever ready friend of the poor. calling Dr. C. Chalmers to the Chair, and fare, and an ever ready friend of the poor. As for M. Wm. H. Harrison, of thio, in whose public life he has shown himself on all occasions the friend of the People—who was the tried and consistent Republican of the school of Jefferson, Madison and Monroe, under each of whom he held offices which he filled with credit to himself he held offices which he filled with credit to himself and satisfaction to his patrons—who was, during the late war, uniformly victorious in the field, and on whose military chaplet no stain has ever been found; who, by his acta, votes and public speeches, has eviden-eed himself the inwavering friend of the South,—when a soldier in the field, when a member in Congress du-ring the great and exciting stringgle on the admission of Missouri into the Union, while his competitor Mar-tin Ver. In addition to the importance of a Press in Wil cox, in a political point of view, the convenience and interest of the people of this and the neighboring counties require that a Paper should be established in this regim, congenial to its feelings and devoted to its interests. The growing importance of this section of South-Alahama, and the wants of its citizens, give every assurance that we will be liberally enstained in the enterprize. And being practical Printers, we flatter ourselves that we will be able to render the Paper at once respectable and interesting. While we disclaim any intention to act illiberally towards our political opponents or to refuse them an opportunity of defending their principles, in an hon-est manner, through our columns, we wish not to conest manner, through our columns, we wish not to con-ceal the fact, that our own sentiments are in accord-ance with those of the Wass party; and of course, upon its members we must chiefly depend for encour-agement and support. We have witnessed and still witness the servosits whom the people have called to admin-ister the affairs of the Government, disregarding the clearly expressed wishes of their constituents, and openly contemns g the known will of the people.--Nay, we have seen a President of the United States chosen on account of his loud professions of Demo-eracy and Republicanism, and coming into office with hypercritical declarations of attachment to popular rights, presumptuously accusing a large pottion of the people with bribery and corruption, because they expressed, in a constitutional manner, their opposition to one of his propositions. We have seen a cophan-tic office-holders and unprincipled peculators plainly encouraged and protected in their acts of plunder and corruption. We have heard a " Democratic Presi dent" tell the people that they expected too much from their own Government, and that it was the duty of " the Government" (himself and his underlings ? to take care only of its own affairs, and leave th scople to extricate themselves from their embarrase

MONTGOMERY WIDE AWAKE.

Notice having been given, that on Tuesday the 7th inst, at our April Court in the town of Lawrenceville, the Senatorial candidates for the district of Moore and Montgomery, Dr. Juhn H. Montgomery (Whig) and Ed-ward McCallum (Van) would address the public, and that the Whigs of the County of Montgomery would hold a meeting for the purpose of nominating Delegates to meet oth-or Delegates from Rowan, Davie and Davidon, on the 5th of May next, in Salisbury, to contails with them on the choice of a suitable Whig Elector for this District-numbers had repaired to Lawrenceville, in spite of the wea-ther in the early part of the day.

The object of the meeting having been explained by the Chairman, Dr. Francis J. Smith, Henry K. Nash, William R. Walker and John A. Cameron were appointed a Committee th prepare Resolutions for the adoption of the meeting. The Committee having considered the

subject, reported the following Preamble and Resolutions, through Mr. Nash, one of their body :

Whereas, in considering the state of pecuniary em barrassment and distress, which now pervades every part of our country, and checks the whole enterprise and industry of a land inexhaustible in its resources blest with abundant crops, and at peace with all the world, save a small and contemptible band of Indians within its borders, we are irresistibly drawn to the onclusion that the cause is to be found in the policy of the Administration; a policy which has drained the Treasury of the Nation of a large surplus, and reduced the government to the disgraceful necessity of is-suing, like other spendthrifts, its own notes to meet its extravagant expenditures; thus, with a selfish and depraved profusion, saddling the people with a large public debt:

And whereas, the administration, in reckless an determined opposition to the known will of the people, still persists in its efforts to force upon the country the odious and thrice rejected sub-Treasury Scheme; a scheme which, before it was recommended by the President, was pronounced by his party in Congress to be "unsafe, unconstitutional, disorganizing, and REVOLUTIONARY;" and which its avowed champions now admit, will greatly reduce the value of property, and lower the price of labor, thereby causing a fatal contraction in business of all kinds, involving the debtor portion of the community in certain ruin, and benefiting alone, office-holders, capitalists and money shavers :

And whereas, we believe that the Sub-Treasury Scheme is intended for, and will certainly lead to, the stablishment of a great Government Bank, controlled exclusively by the President ; and thus place in his hands an engine of corruption and power, destructive to the liberties of the people, and in direct violation both of the letter and spirit of the Constitution, which provides that the revenue collected from the people shall be under the direction and control of their rem sentatives :

And whereas, the plan (professing to be a plan for Secretary of War, and recommended by the President in his last annual message, is in fact an anti-republican scheme for raising and maintaining a large standing army, the support of which will add millions to the burdens of an already oppressed people; an in-stitution which all history proves has ever been fatal. to free governments, and the uniform resort of tyrants

to perpetuate usurped and unhallowed power : And whereas the policy recommended by the Pres-ident and his new ally, Mr. Calhoun, (the once great champion of individual state rights,) of surrendering to the states in which they lie, the lands won by the blood and treasure of the old thirteen states, and cerized scraps from Locofoco newspapers, un-til but few hearers were left, the Whig meet-ing being announced, the crowd flowed back to the Court House and gradually formed such a mass as is not often met with in the time of our County Courts.

The meeting having been called to order, Oliver Wiley, Esq. and Dr. F.Z. Kron were appointed Secretaries. On request, D. M. Barringer, Esq. who was attending our Court, explained the object of the meeting.
