Expedition increased and no detention

THE Raleigh and Gaston Rail Road is now com pleted and in full operation. This road connects with the Greensville and Roanoke Rail Road Gaston, which road unites with the Petersburg Rail Road near Belfield. A continuous line of Rail Road and Steamboat communication is thus formed. etween Raleigh, N. C. and Boston.

Passengers travelling South leave Baltimore at 9 clock, A. M. and arrive at Petersburg at 1 A, M. next morning; leave Petersburg at 2 A. M. and ar-rive Raleigh at 5 P. M. the same day-making only 32 hours, including stoppages, from Baltimore to Raleigh-338 miles. From Raleigh to the South, there is a daily line of stages running in connection with the Roil Road Cars. To the South West and West, there is a daily line of four horse post coaches, which leave immediately on the arrival of the train, and run via Hillsboro' and Greensboro, to Salisbury -from thence a tri-weekly line via York and Aubeville, S. C. to Milledgeville, Ga. There is also a tri-weekly hack line from Roleigh, via Pittsboro and Ashiboro to Salisbury. From Salisbury there is a tri-weekly four horse post coach line via Lincolnton and Rutherfordton to Ashville, and also a tri-weekly back line from Salisbury, via Statesville and Morganton to Ashville. From Ashville to the Warm Springs there is a four horse post coach line six times a week, and from thence a tri-weekly line via Newport and Dandridge to Knoxville,-there is also a semi-weekly line via Greensville to Knozville. At Greensboro', N. C. a tri-weekly four horse coach line branches off and runs via Salem, N. C. thence across the Blue Ridge to Wythe Court House, Va. where it intersects with the Valley Line. From this line there is also a tri-weekly back line which branches off at Salem, N. C. and runs via Huntsville, Wilkesboro', Jefferson, N. C., Elizabethton and Jouesboro', Tenn. to Knoxville.

It will thus be seen that there are three stage lines connecting Tennessee with the central parts of North Carolina, and two, connecting South Carolina and

My loneliness since then in all this noise and riot has been very dreadful. My God forgive my, Logic me! HE has seen my solitary lingering death." He folded his hands, and murmuring some thing more that they could not hear, fell into a sleep; only a sleep at first for they saw him smile. They whispered together for a little time, and the turnkey stooping over the pillow, drew hastily back. "He has got his discharge," said the man. He had. But he had grown so like death in life-
