PEEBLES, HALL & CO. Petersburg, March 31, 1841. 28 6w LISE.)—My School Room being now comple-

ted, I take the opportunity to make known the terms and conditions upon which I shall hereafter conduct my school. 1st. Every Classical or Mathematical Student will

pay me \$17 00 a session of five months. All others 2d. No student, over sixteen, will be received without an assurance on the part of himself or Parent, of

good behaviour, attention to business, and an orderly obedience to the rules of the School.

3d. No deduction of price to be made for absence, unless caused by protracted sickness. 4th. Only thirty students to be at any time in the

5th. From April to September, time occupied in school, 74 hours. The remaining part of each session,

I take this public manner of pledging myself to the faithful performance of my own part, in preparing for College those who desire it, and in giving useful knowledge to others; always bearing in mind those cardinal branches of learning, to wit: Reading, Spelling English Grammar and Arithmetic Spelling, English Grammar and Arithmetic. In addition to the above, I would be glad to have

a Class of Young Gentlemen to attend and recite at private hours. A Class of Young Ladies would be gladly attended at their own residence. JOHN Y HICKS.

Raleigh, April 1, 1841,

Watch and Clock Maker

JEWELLER AND SILVERSMITH. Respectfully informs his old customers and friends and the public generally, that he is prepared to repair all kinds of Watches, Clocks, Jewellery and Silver Ware, in superior style. He has in his employ a skilful and steady workman, and will besides, also give the business his personal attention; and from his knowledge of all the different branches of busi ness, he flatters himself that he will be able to give general satisfaction. His Shop is in the Store former ly occupied by Haslett Kyle, deceased, nearly oppo-

site the New Market House.

All work warranted to perform well. Persons visiting the City would find it to their interest to give him a call, as his prices will be such as to suit the limes. Raleigh, March 1, 1841.

OPPER, TIN AND SHEET IRON FACTORY.—The Subscriber having taken the house on Payetteville Street, formerly occupied as the Cape Fear Bank, would respectfully inform the public that he intends carrying on the Copper, Tin and Sheet Iron Ware Manufactory in all its various branches. He wishes also to inform the inhabitants of Raleigh and its vicinity, that he can, and is determined to cell his Wares as low as can be parche any Northern city, by wholesale or retail, for Cash Merchants and others wanting articles in his line, are respectfully invited to call before they purchase elsewhere. Old work neatly repaired, and at the shortest notice. A few Stills on hand which will be sold at a very small per cent for cash.

Copper, Tin and Zine Roofing on the next

APPROVED PLAN. N. B. Orders from the country will be promptly attended to.

J. H. KIRKHAM. Raleigh, July 26, 1840

KIRKHAM'S Patent Chince Killer The Subscriber also offers for sale at his Factory menting Bugs. The Chince Steamer is made only by himself, and is warranted never to burst, and at all times to clear Bedsteads perfectly, without the least damage to the finest carved work.

Having had in use the above Machine, for many years, I have no hesitation in saying, that it is the best means that has ever been formed for destroying Chinces, and would recommend every person to use it. B. P. HALSEY.

This will certify, having frequently used Mr. J. F. Kirkhen's Chince Steamer, I cheerfully recommend it to the public as a simple and easy way to destroy them, and without any damage to the Furniture.

F. G. MARSHALL

Halifax. July 25, 1840.
