PHILANTHROPIC HALL. April 3, 1841.

JAMES C. BRUCK, Esq. has accepted the appointment of the Philanthropic Society, to deliver the Annual Address before the Alumni and Graduating Class of the University of North Carolina, on the day preceding Commencement—the Hon. G. G. Drox-cooks having resigned from ill health.

(1) National Intelligencer and Richmond Enquirer will insert four weeks in tri-weekly paper.

State of North Carolina.

By His Excellency, John M. Morehend, Governor, Captain General and Commander-in-Chief, in and over the State aforesaid.

THEREAS, I have been duly informed by the Proclamation of His Excellency, Winters HENRY HARRISON; President of the United States, that the last Monday of May next, (being the Slat day thereof,) has been fixed upon by him for the meeting of the first Sessidii of the twenty-seventh Congress of the United States: an event which renders it expedient and necessary that the Elections for the Repre-

from this State in the next Congress should be held at an earlier day than the usual time of holding said Elections:

Now, therefore, by virtue of the authority in me vested, by an Act of the General Assembly of this State entitled "An Act concerning the mode of choosing Senators and Representatives in the Congress of the United States," (Revised Statutes of N. C. Chapter 72d,) and to the end, that the Freemen of this State may be duly represented in the next Congress, at its first session commencing as aforesaid, I do issue this my Proclamation, hereby commanding and requiring all Sheriffs and other Returning Officers of the several Counties composing each Congressional District, to cause Polls to be opened and kept, and Elections to be held, for Representatives to the next Congress of the United States, on Thursday, the thirteenth day of May next, at the places established by law in their respective Counties, for holding said Elections. And I de further command and require said Sheriffs, and other Returning Officers, to meet for the purpose of comparing the Polls, at the times and places prescribed by law for that purpose. And I do, by this, my Proclamation, further "require the Freemen of this State, to meet in their respective Counties, at the time" aforesaid, and "at the places established by law, then and there to give their votes for Representatives," in the next Congress.

In testimony whereof I have caused the Great Seal of the State to be hereunto affixed, and signed the same with my hand.

Done at the City of Raleigh, this the twenty-second day of March, in the year of our Lord one thousand eight hundred and forty-one, and of the Independence of the United States the sixty-fifth.
