

POETRY.
"LIKE DRINKY YEARS AT RANDOLPH STRENGTH."
FROM THE ALEXANDRIA GAZETTE.
"A Father of the fatherless, and a Judge of widows,
is God in his holy habitation."—Psalm, c. 48 v. 5.
Addressed by a Sister in Virginia, to her
Brother, in this City, on the eve of his
departure for the South.
God protect thee, wandering brother!
God defend thy friendless youth;
May his spirit o'er thee hover!
May He guide thee by His truth!
Thy earthly father cannot guide thee;
Cold he lies beneath the sod;
But when grief and woes befall thee,
Look unto the orphan's God.
Friendless thou hast wandered, brother,
In a Southern clime to roam;
Left thy sisters and thy mother—
Left thy own dear native home.
But when thou find'st thy bright hopes fail,
And stranger lands than shalt have trod,
And sorrow's shafts thy heart assail,
O! look unto the orphan's God.
Yes, look with faith and banish fear;
He'll comfort thee, when in distress;
Thy voice of prayer He then will hear—
The Father of the fatherless.
'Twas hard to part! but, be it so!
We'll kiss our Father's chast'ning rod,
Assured that whoso'er 'tho' it go,
Thou there will find the orphan's God.
And 'tho' on earth we ne'er may meet,
His glorious name we'll hope to bless,
United at His holy throne,
The Father of the fatherless.

PETERS' PILLS.
THE wonderful cures effected by this medicine,
are the all engrossing subjects of the day. Go
where you will, and you hear of nothing but Mr. Such-
and-such being cured by Dr. PETERS' VEGETA-
BLE PILLS, or you know Mrs. So-and-so was at
the point of death, but she has been cured by Dr. PE-
TERS' PILLS; or, you see you glad that Miss
has been restored to health by Dr. PETERS' VEGETABLE
PILLS.
Really, this medicine must be very good, or it could
not cure so many. It is good. For many years it
has passed on the "even, silent tenor of the way,"
curing hundreds of persons who were wailing with
death. But now its onward course is impetuous.
It is as powerful to stay the demand for this medi-
cine, as to hush the wailing wind.
A life medicine that will prostrate death for ma-
ny years, shall it not enter every house? Shall it not
be used by every individual? Let no man say, I don't
want it. You know not what to-morrow may bring
forth. All should use this remedy, and remember the
health is the first blessing from God.
The immense and increasing popularity of these
Pills, is another proof of the infallibility of the old
sage, that "truth is powerful and will prevail." Other
Pills are only puffed, but Dr. Peters's are purchased
and praised, and recommended until the demand for
them has become almost universal.
Dr. Peters would impress this fact upon the public,
that his Pills are not quick medicine; but a scientific
compound of simples, which has been the result of ma-
ny years' intense application to a profession in which
he was regularly bred; hence it is as popular with the
regular faculty as with the people at large.
One of the many peculiar virtues of the Vegetable
Pills, is, that while very powerful in their effects,
they are particularly mild and gentle in their action.
Unlike the generality of medicine, their application is
never attended with nausea or griping.
Peters' Vegetable Pills are now regarded by those
who have had an opportunity to decide upon their me-
rits, as an inestimable public blessing.
Without an exception in any age or country, no medi-
cine has spread with such rapidity and given such
universal satisfaction.
The above Pills are for sale in the City of Ra-
leigh, by Messrs. WILLIAMS & HAYWOOD, and W.
M. MAAS & Co.; and in Fayetteville, by E. J. HALL,
at New York prices. 38 y

Their Cabins are well furnished, airy and comfortable

As to the medicinal properties of the Buffalo waters
it might be sufficient to refer to the subjoined state-
ments of Drs. Harris and Venable, two gentlemen of dis-
tinction in their profession, and well acquainted with
the properties and effects of the waters in all diseases.
But as evidence of their Anti-Bilious effects, the sub-
scriber, David Shelton, will state a fact as coming
within his own knowledge, to wit: That for the last
30 years, families (often large) have resided at the
Buffalo Springs, and that no instance of Bilious or
Ague and Fever ever occurred in a family residing
there; and so confident are the owners of the sover-
eignty of this water in Ague and Fever, and in so
many instances have they witnessed cures (generally
in a few days) without ever knowing it to fail in
any instance, that they say to any person who will
bring an Ague and Fever to Buffalo Springs that it
don't cure, that he shall pay nothing for board. They
might say much more of the efficacy of these waters
in many other diseases, but they will only refer to the
certificates of Doctors Harris and Venable.
DAVID SHELTON,
CLEM. R. KENNON.

Having practiced Medicine in the neighborhood of
the Buffalo Mineral Spring for the last 12 years, I
have had frequent opportunities of testing the effi-
cacy of the water in various diseases. As a tonic and
diuretic it is not very far, if at all, surpassed by any
water in the United States. Its action on the Kidneys
is prompt and powerful: It is also sudorific and
slightly aperient. These Medicinal properties combin-
ed, render it useful in all Dropsical affections, visceral
obstructions, particularly of the liver and spleen, can-
crous diseases, dyspepsy, convalescence from fever,
derangement of the secretory organs, intermitting fe-
ver and female complaints. In all chronic diseases in
which the digestive organs are implicated, as cancer or
effect, this water acts with the happiest results. In
Fever and Ague, and protracted remittent Fever, it
rarely, if ever, fails to afford permanent relief.
Viewed in reference to its peculiar action on the
Kidneys, it may be regarded as a powerful remedy in
all the chronic diseases of those organs, as likewise
those of the Bladder and its appendages. As a remedy
in chronic female complaints, it is no less worthy
of public confidence and I will here remark, that long
experience has taught me, that in the catalogue
of human ills, there is no class of diseases more ha-
rassing to the patient or more perplexing to the physi-
cian, than these obstinate and painful affections.—
The important organ peculiar to the sex, when in a
state of derangement, exerts an influence, which if
not timely arrested by proper treatment, involves ve-
ry often in one common ruin, both the mind and the
body of the hapless sufferer. It is needless here to
enumerate these diseases; suffice it to say, that there
is scarcely one, depending on a functional derange-
ment or lesion of the organ referred to, that is not
permanently cured or mitigated by the use of this
water for a month or two. The determination of fluids
to the region of the pelvis consequent on its use,
renders it a prompt, mild and efficient emmenagogue,
remedy in youthful females. Its powers are equally
conspicuous in removing those diseases of the other
sex, acquired by habits of dissipation and debauchery.
The first effect produced on strangers by drink-
ing the water is a slight giddiness of the head, which
soon passes off and is followed by an increase of ap-
petite, a healthful glow on the surface, exhilaration of
spirits and a pleasing consciousness of new life and
vigour infused into every organ of the body.

I have for several years been attending to the effects
of the waters of the Buffalo Mineral Spring and can
readily subscribe to the above recommendation, and
would, in addition, remark that after having noticed
the effects of most of the tonic waters of the United
States, I have no hesitation in pronouncing it al-
together the safest.
