### THE CAST-OFF LEATHER APRON.

ced, in a central part of it, a large three story house, now mouldering to decay, but which once in lofty pride overlooked the more mocommon in a three story house, merely as such; but with the one we have mentioned is connected a tale, and with that tale a mo- anxiety to conceal it. ral, which may be of use to those who are

better advantage than Fritz Pigiron.

had procured himself a good set of tools, a without its supper, and the next day severehandsome stock of iron and steel, and had ly chastised for its innocent mention of the money beforehand. He spent nothing un- leather apron. necessarily, laid out nothing in fine clothes, of time rose to absolute wealth.

usually commands respect. On both these beyond sight and hearing. accounts it was very fully accorded to Fritz who had raised himself from the lowest povchanics; and himself and family were respected accordingly.

Fritz had hitherto occupied a moderate sized, but very convenient house, and as well calculated to insure the comfort of his family as one thrice its size. But alas, for the inprocured and workmen employed at great in its stead. Superb houses demand costly vital spark extinguished. furniture, and a great deal of it; and neither costliness of its furniture.

mechanics, while glancing at the work, would death. frequently indulge in such expressions as these- Pride will have a fall.' Neighbor upper story. It's a wonder if the top of his house don't find the bottom of his purse!' and they finally christened the house by the

name of Pigiron's Folly. But where is the use of a fine house and costly furniture, if one cannot exhibit them to fine company. So thought Fritz, so thought his wife, and so thought the whole family. Parties then must be given; and none but the 'first' in the village, of course, could be admitted into any thing like a fashionable jam. Mechanics were wholly out of the question, as the Pigirons said, and never invited into

good society.' Fritz Pigiron now began to be ashamed of his occupation, and to regret that he had ever been a blacksmith. If he was ashamed of it, his daughters were still more so, and would have given all the silk in their wardrobes if

the stain of charcoal had never come over the hands of Mr. Pigiron. But as the past HHDS and 75 Bbls Porto Rico Sugar could not be recalled, it was resolved that no 200 12 do time should be lost in wiping out the stain for the future. Accordingly, the leather apron of Fritz, to which he owed all his present consequence, was cast aside in scorn; the anvil was heard to sound no longer; the very shop itself was razed to the ground, and every trace of it removed from sight-in a word Fritz Pigiron set up for a gentleman.

But it is the misfortune of those who quit their own sphere and usurp a place in a higher to feel insecure in their new station; to imagine that every body considers them as intraders, and under those impressions, to take all imaginable pains to prove their claims to the rank which they have but lately assumed. They are apt to launch out into a sea of extravagance, in dress, furniture, and equipage, and not only so, but exhibit a haughtiness of carriage which has no parallel among those whose claims to superior rank are not Those who are at all acquainted in the likely to be disappointed. They endeavour, pleasant village of Fairbush, must have noti- especially, to separate themselves as far as possible, from their former associates, and those whose rank they have endeavoured to abandon, lest the appearance of intimacy, or dest and humble tenements in the neighbor- even of friendly recognition, should be conhood. There is nothing remarkable or un- strued into an acknowledgment of equality. They are constantly acting on the defensive and betray their own origin by their over

3.060 Acres of Land for Sale.

The Legatees offer for sale, on a credit of one, two and three years, that valuable PLAN-TATION, formerly owned by Robert W. Williams, dec'd. situated in the County of Halifax, adjoining the land of James Batchelor and others, containing Three Thousand and Sixty Acres. This land was purchased some years since, of Henry T. Kearney, Thomas Crawford, James Hayes and - Pearkins.

It is well adapted to the culture of Cotton and Corn. Tobacco has been cultivated with success, the present year, in the neighborhood, on similar land .-The range for Stock is very good and extensive. On the premises is a valuable mill-seat.

This place was occupied by Mr. Williams for many rears, whose family enjoyed good health. It is deemed unnecessary to say more, as those wishing to purchase will examine for themselves. Letters, addressed to the Subscriber at Louisburg.

B. T. BALLARD. Sept. 17.

N. C. will receive attention.

Taluable Land and Mill for Sale.-The Subscriber, having determined to remove, ffers his TRACT OF LAND eight miles north of Louisburg, formerly owned by William Burlingham, or sale, containing 1230 acres. It is one of the most pleasant situations in the State. The Dwelling house is situated on an eminence, surrounded by houses, with a fine Spring, and Ice House. The Mill has just been built, and is valuable; there being the best Timber immediately around in the adjacent country. Persons wishing to purchase, however, can examine for themselves.
