FARMER, A WORD WITH YOU!

What did Loco-focoism bequeath to the country? Mr. Van Buren left us a bankrupt Treastry. He left the public interests every when abandoned.

He left us a debt of fifteen millions. He left us the North Eastern and North Western Territorial questions-though of vears duration—unsettled. The Compromise Act he left us at the

Whige are asked for the promised reform Suppose friend Farmer, in the generosity of your confidence you had employed an up worthy Overseer upon your farm. That you had confided in him for years trusting in his promises. Suppose this Overseer to have suffered your land to run wild-to have detroyed your timber-to have levelled four buildings to the ground—to have fired you orchard-to have killed your horseshave run you thousands of dollars in debt and that, under such circumstances, he has been discharged by you and a successor 19 pointed in his stead. In this state of the case, while the newly engaged superintendent of your premises was busy in planning the reparation of these injuries, imagine that the villainous, wretch who had caused them with a grin on his face, ask the following

questions: Why does not the Corn grow upon this land, which I suffered to run wild? Why is there no Cash coming from Mills for the timber that I destroyed? Why are not Houses erected, in the sless

of those that I burned down? Why have you no Horses, to supply places of those which I killed? Why is there no return from the orchard that I fired.

Why have you not paid the thousands dollars, to the amount of which I ran you in debt? Don't you think, in this state of the cast, that neither Church nor State could preven

you from knocking the rascal down? This is a true picture of Loco-focoism. Twelve years has it ravaged and laid waste every interest, undoing in an hour that, which for years, has taxed the virtue and wisdom of the Nation, and now, #6 who are grouning beneath its enormities, and insultingly asked-Why have you not buil
