John Cullen, M. D. Professor of Theory and Prac-tice of Medicine. L. W. Chamberlayne, M. D. Professor of Materia

Medica and Therapeutica. .

R. L. Bohannan, M. D. Professor of Obstetrics and Diseases of Women and Children. Th. Johnson, M. D. Professor of Anatomy and

Physiology. Aug. L. Warner, M. D. Professor of Surgery and Surgical Anatomy

8. Maupin, M. D. Professor of Chemistry and Pharmary.

Professors Cullen and Warner, will each deliver two Clinical Lectures a week, in the Infirmary, at the College; Professor Johnson two a week, at the Alms House ; and Professor Chamberlavne occasional Lectures at the Penitentiary and City Hospital, as interesting cases present themselves. These institutions furnish a large number of instructive cases, and the second \$1 50; half pint, \$3; pint, \$5. of the second s rare advantages for becoming acquainted with the types of Southern Diseases, and witnessing the appropriate treatment. The Surgical cases admitted into the College Infirmary afford the Professor of Surgery opportunities of performing many of the Major and Minor operations before the class.

The facilities for the study of practical Anatomy are unsurpassed any where. The materiel for dissection is most ample, and the extensive Anatomical Museum is well stored with healthy and merbid preparations.

The Chemical Apparatus and collection of specimens in Materia Medica are very complete. In fine, the Institution offers facilities for the prosecution of Medical studies unsurpassed by any similar Institution in this country.

Fees \$20 to each Professor. The price of Hoard including fuel, lights, Servant's

attendance, &c. is from \$3 50 to \$5.00 per week. AUG. L. WARNER, Dean of the Faculty. 63\_ August 5.

which they were unaccustomed, the poor It continued all night to burn-speed on Palatines were heartily rejoiced when they with the wind-now passing out from sight, at length saw land. They made the coast of and anon, visible, flaming forever, back again North Carolina, late in the day, and seeing on the very spot where the crime had been the shores so nigh, the poor creatures, half committed. With the dawn of day, it ceasmad with joy, began to hoist their baggage ed to burn-but there, it stood erect as ever, in readiness for the promised landing. But | with the spars, sails, masts, unconsumedthey were destined to be disappointed. In every thing, in its place, but every thing the excitement of the occasion and moment, blackened, charred, as if the fire, having penthey forgot their prudence, and either made etrated sufficiently to discolour its object, an ostentatious exhibition of their wealth, or had suddenly been extinguished. This was some words escaped them which led the no sight for the wretched criminals, but they Captain of their vessel to suspect their pos- watched it through the day with fearful insession of it. His greedy eye beheld their treasures, or his greedy ears had heard their | go down. Bnt, strange to say, while it nevfoolish boast of possessions which they never | er sunk, it never moved. There was no anmade public in England. This discovery awakened the devil in his

haps intimated his object to the seamen generally. In those days the profession of piracy was not as odious as it is in ours. Success ful piracy, indeed, was rather an honorable business ; and he who practiced it with most profit, was likely to acquire from it most honor. It was only discreditable, like any other speculation, when unprofitable .--At all events, the captain determined upon

chor to hold it to those shores,-there was no calm upon the face of the deep. With heart. He gave the sign to his mate : per- eyes upon which some powerful spell had

fastened itself with the force of fascination, they watched the strange spectacle. But, with the return of night, a new interest of the sun went down, and twilight darkened the great summits of heaven, the flames rekindled upon the vessel. Spar and mast bebecame re-illuminated-once more the fire possessing the wealth of the poor emigrants, raged, and the frame of the ship reddened contrived to baffle their purpose of landing from the bulwarks to the wave-from the upon the shores which seemed to them so deck to mast head,-from stem to stern .-high and inviting. It was not difficult for The dreadful sight could be borne no longer. him so to manage his vessel, as to convince The murderers fled from the shore-fled to PAMPHLETS, CARDS, CIRCULARS, HANDBILLS, them that landing was impossible until the the forest, and buried themselves in the vast

treasure. Upon resuming their journey, the indignation of the passengers to whom the fact had become known, was vented upon the ungallant and treacherous stranger in the most significant manner. He bore it all with great philosophy until they had passed the B. frontier some twenty miles. Then addressing himself to the lady, he said, 'I believe, madam, you have lost a valuable Cashmere, and blame me for your misfortune ?' A sul len bow of acquiescence was the only reply, Permit me, madam, resumed he, ' to offer you a much handsomer one, which is fairly your due, since, by denouncing you, I lulled terest. Every moment they looked to see it suspicion, and was able to pass a dozen of them.' We need not add, that he was at once restored to the good graces of the lady, and the rest of the company.

#### NOTICE.

To STOCKTON & HEART of Alabama : I have been Casaed at your instance, returnable to the Court of Pleas and Quarter Sessions of Wake dread was awakened in their bosoms. As County, at August Term last. Now this is to notify you, that I shall apply at the next term of said Court the earth, and the pale stars came forth along for the benefit of the act passed for the relief of insolvent debtors. Attend and object if you think proper. GRAY FRANKLIN.

OW simple, yet how wise, how good and bean The mighty worlds which roll in space in every degree of velocity and direction are all governed by attraction of matter to matter. This principle governs the human body. Brandreth's Vegetable Uni-versal Pills, attract all impurities of the blood to the bowels, which organ expels them from the body. At traction and disease are both units. All accidents of infections only affect the body in proportion as they occasion impurity of the blood. The bowels for instance are costive this most im-

portact organ is closed—the consequence is a great accumulation of impurities, which, as they cannot get out by their usual passage, are forced into the blood, occasioning impurity of blood. Thus Fevers, Chc]ics, Rheumatism, Coughs, and Colds are often pro-duced. But let Brandreth's Pills be used in such do ses as will effectually evacuate the bowels, and healt is restored at once. The price of a certificate of a package of 26 whole tickets in the above splendid lottery is only \$280; a

dicine so extensively, that his travelling Agent is now taking in all the old boxes, and putting new ones of a different figure, with 25 Pills in their place. Some are just received at WILLIAM PECK'S Office. Raleigh, March 1, 1842.

Sherman's Cough Lozenges, Are the Safest, most sure and effectual remedy for Coughs Colds, Consumptions, Whooping Cough, Asthma, Tightness of the Lungs or Chest, Ac. 4c. The pro prietor has never known an instance where they did not give perfect satisfaction. Several thousand box-es have been sold with the last year, restoring to health persons in almost every stage of consump and those laboring under the most distressing colde and coughs. They do not check and dry up the cough, but render it easy, promote expectoration, allay the tickling or irritation, and remove the prezimate or exciting cause. They are made from a bination of the most valuable expectorant, or cough medicines, and are undoubtedly superior to eve
