10- Letters to the Editor must be POST-PAID.

#### rom the New-York Atlas. ADVERTURES OF AN ADVENTURER. BARNABY DIDDLEUM.

In travelling through the Southern States, an observer will soon discover that the natives are either possessed of a liberal education or found who does not possess a tolerable Eng- my kindness. lish education, while at the South, it is no write nor scarcely read. The reason for this for a moment, and then addressed me: circumference of eight or ten miles. The con- this time, and we'll wind up on that. do not feel the common order of inhabitants do not feel the to support a school teacher. I did as I was directed, and the letter was finished; and another such love letter, I think thern cities.

years since, I put up for the night at a countwenty-years of age, who resided on a neighing plantation, came in, and we soon fell into a very sociable conversation. After conversing on various topics for about an hour. he asked me if he could have a few minutes the Fall, we were comfortable without a fire.

Stranger, he remarked, I expect you will meer that I should call you confab ; but the fact is out here a scrape, and I am without much trouble: and then if so, here is a ten dolfar bill for your pains.

Any thing I can reasonably do for you, replied, shall be done with the greatest pleasure; but being, as you are aware, a stranger in these parts, and having to depart on my journey, I cannot conceive that I could render you any assistance.

Can you write? asked he. Yes I replied, most men of my age can

Most people may, but I cannot. The fact is there is no school house within twelve not very well off, my education was neglected. Now I'll tell you what a fix I'm in-It's about love.

Indeed! I replied, well, I suppose you don't want me to go a courting for you, the

' No. I don't want you to do it personally. but I want to state to you my case; and then you must write me a love letter."

Well, my friend, you can state your case: but I fear I should make a sorry fist at writing other people's love letters, for I always found it impossible to write one to please

Never mind, I'll risk that-for I never saw a whale, but I know how one ought to be made. Now I can't write, but I know what I want written, so I will tell you, and you cast in your eye, and a hair lip. You attempt must write it for me.

O, well that I can do. Lucinda Simpson for the last three years. \_ a great, raw, half-bred and half-witted romp, Her father's plantation is only three miles and now I see I was not mistaken. You are from ours, and I had got along so well, that not deserving a thought, and I write this only I supposed we should be married this win. to tell you how I hate you. ter; but calling on her last Sunday night, she snapped me up as short as pie crust and again.

The romantic lover insisted on my their children to a Northern College, or a taking the ten dollars. I declined his offer, higher order of schools in some of the Sou- and then told him if I had done him a good favor I was glad of it, he was welcome, but While travelling through Alabama, a few he would not be denied, so I pocketed the X. The letter was so unique that I felt as if a try tavern. After supper a young man about copy of it would be a curiosity, so I told him would write it over for him in a plainer hand. I did so, and gave him the copy, reserving the original for myself, and here it is:

MISS LUCINDA SIMPSON: Madam, my indignation knows no bounds. private chat with me. I replied certainly, I can scarcely hold my pen for anger. I just by all means. He then told the landlord he wish to inquire, Madam (and I choose to do would like to have a room for himself and it in writing) how you dare have the prethe stranger. This request was readily ac- sumption to treat me in the brutish manner ceded to by the obliging host, and I soon with which you did on Sunday last! Do not found myself seated in a spare room by the your cheeks tingle with shame, when you side of my new acquaintance; the weather remember how you insulted me? You need was warm and pleasant and being early in not suppose that I am an old granny, who will be humbugged and bamboozled by such My companion closed the door, and placed treatment. No, madam, I despise you and the lamp on the table, and took a seat beside and your conduct. You are not half civilized, and your behaviour proves it. I will not put up with such abuse from one who is neither possessed of a handsome face, a decent figure, or common sense, and I write It is therefore ordered, adjudged and decreed, that

> a venemous serpent from my path. [Here I was directed to change the mode of attack.

> 'My sweet and charming girl, I beg you to reflect before it is too late. Remember for one moment, the attachment which I have always manifested for you. I beseech you to pause and consider our situations. Remember how often I have buffeted wind, rain, storm and hurricane, not even heeding thunder and lightning, for the sake of folding you

the darling of my hopes, to my fond and endearing embrace. You know that the brightness of your eye, the bloom of your cheek, miles of this place, and as my parents were your angelic form, and good sense which reigns over all, possess a charm over me which no power on earth can break. Call to mind, my dear and precious girl, the many happy hours we have spent together in your father's beautiful grove by moonlight, and least I hope not : for if so I must disappoint oh! my angel, remember how often, when I have sworn to love and protect you forever, you have declared that I was dearer to you

[Here I was directed to come the tiger

than all else on earth.

once more. And now, you little addle headed minx. what do you mean by attempting to browbest and bully me. If you think you can set forth in the Petition, or the same will be heard play the equette, and crow over me, you are ex parte as to him. mistaken. You may assume as many airs, and strut and swell with as much dignity as to abuse decent people, as if you had common sense. But you can't come it on this child ! Well, the fact is, I have been courting I never liked you. I always considered you

[Now I was requested to assume the lamb

finally left me. What is in the wind I don't It does seem to me, my adorable angel, know, but I am sure if I could write her a las if your good sense would teach you to reletter I could touch her feelings, and bring call the many endearing moments and hours her back to where she belongs. So I will which we have spent together. Oh! my get pen, ink and paper, and you must write beautiful girl, whose sylph-like form and graceful movements, are the envy of your sex, when I remember the day on which ary being produced. I took my seat to indite your beautiful steed became enraged, and despising the strength of your weak arms Now, said he, begin the letter strong, blow and tiny fingers, with every prospect of hurling to treat me in the way; give her to understand that I am no old woman to be the remembrance of that event may be the bamboozled in this manner, and that I won't means of winning you back to my embrace. (Put it on thick.) And oh! my charming I did as I was directed, and soon read to Lucinda, your sweet words still ring in my ears, when in an ecstacy of love and grati-
