Brandreth's Pills.—We have a fresh sup- ply—we were about say, of this valuable Medicine—but to those who have tried them, it is unnecessary to say so, and those who have not tried them, would be slow perhaps to believe us. It is, however, a serious fact, that we could name at least one family, where their regular use for several years past, has made the Physician's visits less frequent. Our new boxes contain 25 Pills each, the old only have 21.

LOCUST SHADE, No. 2,
North-west corner of Capitol Square.
THE SUBSCRIBER would respectfully inform his old friends, the Members of the General As- sembly, and the "Universal Yankee Nation," that, notwithstanding the torch of the incendiary, and the malignity of the midnight fiend, have endeavored to destroy both himself and establishment, yet, Phoeni- x-like, he has arisen from his ashes, and is ready to do service in the soul-enjoying cause of BRITANNIA.
He has fitted up the Rooms, a few feet North of his old stand, in a comfortable manner, and is still ready to furnish something, more than "hospitable" entertainment and a "good cheer."
His BAR is supplied with the choicest, purest and unadulterated Ligors and Wines, which the North- ern market can produce.
His TABLE shall be unsurpassed for the richness of its Viands—from the magnificent "CANTON- RACK," and luscious OYSTERS, to the plump PAR- TRIDGE and fat SAUSAGE.

"DISEASE A UNIT
Impurity of the BLOOD the only Disease
HOW simple, yet how wise, how good the means, and how all the laws of nature! Simplicity and truth are stamped upon every law of the creation.— The mighty world which rolls in space in every degree of velocity and direction, all governed by the law of gravitation, all governed by the principle of the humest body. Brandreth's Vegetable Uni- versal Pills, attract all impurities of the blood to the bowels, which organ expels them from the body. At traction and disease are both cured. All accumulations of impurities which affect the body in proportion as they occasion impurity of the blood.
The bowels for instance are clogged.—This most im- portant organ is clogged—the consequence is a great accumulation of impurities, which, as they cannot get out by their usual passage, are forced into the blood, decomposing impurity of blood. This FETOR, CLETS, Rheumatism, Gout, and Colic are often pro- duced. But let Brandreth's Pills be used in such do- ses as will effectually evacuate the bowels, and health is restored at once.
The unworthy have counterfeited the Doctor's Medi- cine so extensively, that his travelling Agents know- ing taking in all the old boxes, and putting new ones of a different figure, with 25 Pills in their place. Some are just received at WILLIAM PECK'S Office, Raleigh, March 1, 1842. 16-1y
