PILLS! PILLS!! PILLS!!!
HEALTH THE TRUEST RICHES,
THE CELEBRATED
Hygeian Vegetable Pills,
Can be had at the Store of JOHN PRIMROSE
FAYETTEVILLE STREET, RALEIGH, N. C.

MOAT'S MORISON PILLS.

THE GENUINE HYGEIAN VEGETABLE UNIVERSAL MEDICINE—Accurately prepared by Dr. H. S. Moat, of New York, from the original recipe used for many years by his late father, Mr. Thomas Moat, Vice President of the British College of Health.

Twenty years' successful administration of these celebrated medicines in Europe, and more than twelve years in the United States, have established their high reputation. Thousands of both sexes, who have been restored to health—the numerous sufferers rescued from premature death—and volumes of certified cases of cure, embracing every disease in the long catalogue of human misery; must convince the most incredulous, of their superiority and the truth of the Hygeian theory, resulting from scientific research and experience, namely, that man is subject to only one real disease—impurity of the blood."

The Medicines being composed entirely of herbs or vegetable matter, purify the blood, and carry off the corrupt humors of the body, in a manner so simple as to give every day ease and pleasure.

Man will be born to days of bliss, compared to what has hitherto been his lot, weighed down as he has been by disease, infirmities, and sufferings which no earthly power knew how to alleviate, until this discovery was presented to the world. The weak, the feeble, the infirm, the nervous, the delicate, are in a few days strengthened by their operation, and the most obstinate complaints are removed by perseverance without the expense of a Physician. Adapted to all circumstances and situations, they are *the best Medicine ever invented for Families*, or to take to sea, preventing scurvy and costiveness, requiring no change of diet, particular regimen, or care against taking cold.

☞ The prepotency of these medicines, has induced many speculators to attempt imposition on the public, by forging the labels, or forcing their *Imitations* into notice through the medium of the Press—Some of them pretend to Hygeian principles, by stealing from the writings of the Hygeist, and copying whole pages into their fulsome advertisements.

But as they cannot copy the medicine, their specifics or their deleterious nostrums prove to be unavailing, their puffing and piracy become evident; disappointment to the afflicted is eventual, and with just obloquy the pretenders sink into oblivion.

The Hygeian medicines, first introduced into this country by H. S. Moat, in 1830, have for the last four years been prepared by him, and the increasing sale attests their intrinsic merit; they comprise two sorts of Pills, No. 1 and No. 2, in single boxes of each at 25 or 50 cents; and Packets containing both sorts, at $1, $2, or $3. The Vegetable Cleansing Powders, in large boxes, at 37½ cents, with printed directions. Each packet has a fac simile of the signature of H. Shepheard Moat, and to prevent counterfeits, are signed with a pen by the district agent and sub-agent on a label of *yellow paper.*

None are genuine unless they have these signatures, and are obtained from sub-agents, who can produce their written appointments from the district agent, and whose names are advertised in their respective districts.

H. SHEPHEARD MOAT,
Principal Office, 50 Canal st.

All orders will be promptly filled at 20 per cent. less than retail prices for all sums over twenty five dollars, for cash.

Some person in every Town and Village, ought to keep this valuable medicine, for the benefit of their fellow men. One individual, sent ninety miles to procure them.

Have you a Cough? Don't neglect it!

Sherman's Cough Lozenges, Are the safest, most sure and effectual remedy for *Coughs Colds, Consumptions, Whooping Cough, Asthma, Tightness of the Lungs or Chest, &c. &c.* The proprietor has never known an instance where they did not give perfect satisfaction. Several thousand boxes have been sold with the last year, restoring to health persons in almost every stage of consumption, and those laboring under the most distressing colds and coughs. They do not check and dry up the cough, but render it easy, promote expectoration, allay the tickling or irritation, and remove the proximate or exciting cause. They are made from a combination of the most valuable expectorant, or cough medicines, and are undoubtedly superior to everything in use for those complaints. Hundreds upon hundreds of certificates have been offered of their wonderful virtues, from those who have been saved from an untimely grave, and restored to perfect health, by using them.

The above Medicine may be obtained at the Drug Store of Messrs. Williams & Haywood, and of Dr. N. L. Stith, with full directions accompanying each box

DRY GOODS AND GROCERIES, *Cheaper than ever.* JAMES M. TOWLES is now receiving from the North, his Fall supply of seasonable Goods, which will render his assortment very complete. All he asks of his friends and the public generally, is to call and examine for themselves, as he is determined to sell on terms to suit the times for cash or to punctual customers.

PROSPECTUS
OF THE
North Carolina Literary Record.

The Subscriber proposes to publish, in the City of RALEIGH, a Magazine with the above title. It will be printed in *monthly* numbers, on forty octavo pages of good paper, with new and elegant type and a neat cover, for

TWO DOLLARS A YEAR IN ADVANCE!

It is designed to be a publication of general interest, containing biographical sketches of the illustrious natives of North Carolina; historical papers, embracing particularly REMINISCENCES by the present aged public men; and scientific articles. This magazine will cherish the *purely literary*, and its pages will be graced with poetic contributions. A prominent place will be given to the interests of the COMMON SCHOOL system of education in our State. A REVIEW department will be added, which will present notices of new publications; and it is designed that the work shall have a monthly chronicle of literary intelligence.

The Subscriber feels safe in making the above statements, because he has the promise of assistance from several distinguished gentlemen in the State, in whose acquirements the public has all confidence.—He desires to make it a periodical which shall compare well with any Southern Magazine, ornament the table of the literary man, and be a welcome visiter to any family in the State. It will be seen that the subscription is unusually low—

Four Hundred and Eighty octavo pages for Two Dollars!!!

The work is put at this price that its circulation may be the greater; but it will be at once perceived that the publisher cannot risk a commencement until a sufficient number of subscribers shall be obtained to cover expenses.

☞ As soon as *five hundred* responsible subscribers shall be secured, the first number will be issued, at which time the payment for the first volume will be considered in advance. When subscribers receive that number they will forward the amount of their subscription immediately, and will take the publication of that number as a guarantee that the magazine will be issued for *at least one year.* This arrangement will secure both parties.

Who can doubt that North Carolina needs such a magazine! Who can doubt whether there be not more than sufficient talent at leisure in our State to fill its pages with profitable and entertaining matter? Who will not risk two dollars on an experiment so well worth making! We shall listen for a reply, and expect a hearty response. Let no one wait to see how it will appear; for such a course may prevent the publication entirely; but let every one friendly to the work try it for A YEAR, and then, if it be not worth taking, let him abandon it.

We want the names of all who will subscribe, by the first of January next, or earlier, if practicable.—Postmasters, every where, will no doubt take pleasure in forwarding them, as they are authorized to do, free of postage.

*** Editors who will give this prospectus an insertion, and send the paper, marked with ink, to the Raleigh Star, shall receive a copy of the work one year.

*** Postmasters and others, who will become responsible for *five* subscriptions, shall, likewise, receive a copy for one year.

All communications to be addressed, POST PAID, to

THOS. J. LEMAY.

PETERS' PILLS.

THESE UNRIVALLED PILLS having now acquired a celebrity and a popularity unequalled in the annals of Medicine, and also having obtained the entire confidence, and being used in the private practice of almost the whole body of the Medical Faculty in the United States, Europe, Asia, South America, the West Indies, and a great part of Africa, it is unnecessary to advertise them at length, or to say anything further of their merits, than by stating the complaints which they are most effective in the cure of, and which are as follows:—yellow and bilious fevers, fever and ague, dyspepsia, croup, liver complaint, sick head-ache, jaundice, asthma, dropsy, rheumatism, enlargement of the spleen, piles, colic, female obstructions, heart burn, furred tongue, nausea, distensions of the stomach and bowels, incipient diarrhœa, flatulence, habitual costiveness, loss of appetite, blotch or sallow complection, and in all cases of torpor of the bowels, where a cathartic or an aperient is needed. They are exceedingly mild in their operation, producing neither nausea, griping nor debility.

The above Pills are for sale in the city of Raleigh by Messrs. Williams & Haywood; and at the Drug store of N. L. Stith, and in Fayetteville by E. J. Hale, at New York Prices.

"DISEASE A UNIT
Impurity of the BLOOD the only Disease.

HOW simple, yet how wise, how good and beautiful are all the laws of nature! Simplicity and truth are stamped upon every law of the creation—The mighty worlds which roll in space in every degree of velocity and direction are all governed by *attraction of matter to matter.* This principle governs the human body. Brandreth's Vegetable Universal Pills, attract all impurities of the blood to the bowels, which organ expels them from the body. Attraction and disease are both units. All accidents or infections only affect the body in proportion as they occasion impurity of the blood.

The bowels for instance are costive—this most important organ is closed—the consequence is a great accumulation of impurities, which, as they cannot get out by their usual passage, are forced into the blood, occasioning impurity of blood. Thus Fevers, Cholics, Rheumatism, Coughs, and Colds are often produced. But let Brandreth's Pills be used in such doses as will effectually evacuate the bowels, and health is restored at once."

The unworthy have counterfeited the Doctor's Medicine so extensively, that his travelling Agent is now taking in all the old boxes, and putting new ones of a different figure, with 25 Pills in their place. Some are just received at WILLIAM PECK'S Office.

LOCUST SHADE, No. 2,
North-west corner of Capitol Square.

THE SUBSCRIBER would respectfully inform his old friends, the Members of the General Assembly, and the "Universal Yankee Nation," that, notwithstanding the torch of the incendiary, and the malignity of the midnight fiend, have endeavored to destroy both himself and establishment, yet, Phœnix-like, he has arisen from his ashes, and is ready to do service in the soul-enjoying cause of EPICURUS.

He has fitted up the Rooms, a few feet North of his old stand, in a comfortable manner, and is still ready to furnish something *more* than "*hospitable*" entertainment and "*good cheer.*"

His BAR is supplied with the choicest, purest and *unadulteraled* LIQUORS and WINES, which the Northern market can produce.

His TABLE shall be unsurpassed for the rareness of its Viands—from the *magnum bonum* "CANVASS-BACK," and *luscious* OYSTER, to the plump PARTRIDGE and fat SQUIRREL.

In fact, to sum up all in a few words, if accommodating and polite Barkeepers, attentive Servants and unremitted exertions to please, deserve encouragement, the Subscriber feels confident of success.
