Mout, of New York, from the Advertisements, inserted in the SEMI-WEEKLY REGISTER, will also appear in the WEEKLY Paper lege of Health.

Twenty years' successful administration of these reputation. Thousands of both sexes, who have been restored to health-the numerous sufferers rescued from premature death-and volumes of certified cases | gence. of cure, embracing every disease in the long catalogue of human misery ; must convince the most incredulous, of their superiority and the truth of the Hygeian theory, resulting from scientific research and experience, namely, that man is subject to only one real disease—impurity of the blood."

The Medicines being composed entirely of herbs o corrupt humors of the body, in a manner so simple as scription is unusually lowto give every day ease and pleasure.

Man will be born to days of bliss, compared to what has hitherto been his lot, weighed down as, he has been by disease, infirmities, and sufferings which no earth!y power knew how to alleviate, until this discovery was presented to the world. The weak, the feeble, the infirm, the nervous, the delicate, are in a few days strengthened by their operation, and the most obstinate complaints are removed by perseverance without the expense of a Physician. Adapted to all circumstances and situations, they are the best Medicine ever invented for Families, or to take to sea, preventing scurvy and costiveness, requiring no king cold,

The prepotency of these medicines, has indupublic, by forging the labels, or forcing their Imitations into notice through the med:um of the Press -Some of them pretend to Hygrian principles, by stealing from the writings of the Hygrist, and copying Who will not risk Two dollars on an experiment so whole pages into their fulsome advertisements.

But as they cannot copy the medicine, their speci-

years been prepared by him, and the increasing sale attests their intrinsic merit; they comprise two surts of Pills, No. 1 and No. 2, in single boxes of each at do, free of postage. 25 or 50 cents ; and Packets centaining both sorts, at Shepheard Most, and to prevent counterfeits, are on a label of yellow paper.

None are genuine unless they have these signatures, and are obtained from sub-agents, who can produce their written appointments from the district agent, and whose names are advertised in their respective H. SHEPREARD MOAT, districts. Principal Office, 50 Canal st.

All orders will be promptly filled at 20 per cent. dollars, for cash. Some person in every Town and Village, ought to

keep this valuable medicine, for the benefit of their fellow men. One individual, sent ninety miles to procure them. Nov. 17, 1842.

PETERS PILLS

HESE UNRIVALLED PILLS having now acquired a celebrity and a popularity unequalled in the annule of Medicine, and also having obtained the entire confidence, and being used in the private practice of almost the whole body of the Medical Faculty in the United States, Europe, Asia, South America, the West Indies, and a great part of Africa, it is unnecessary to advertise them at length, or to say any thing further of their merits, than by stating the complaints which they are most effective in the cure of, and which are as follows :- yellow and bilious fevers, fever and ague, dyspepsia, croup, liver complaint, sick head-ache, jaundice, asthma, dropsy, rheumatism, enlargement of the spleen, piles, colic, female obstructions, heart burn, furred tongue, nausea, distensions of the stomach and bowels, incipient diarrhea, flatulence, habitual costiveness, loss of appetite, blotch or sallow complection, and in all cases of torpor of the bowels. where a cothartic or an aperient is needed. They are exceedingly mild in their operation, producing neither nausea, griping nor debility.

The above Pills are for sale in the city of Raleigh by Messrs. Williams & Haywood, and at the Drug store of N. L. Stinh, and in Fayetteville by E. J. Hale, at New York Prices.

"DISEASE A UNIT

Impurity of the BLOOD the only Discasc. OW simple, yet how wise, how good and beau-tiful are all the laws of nature? Simplicity and truth are stamped upon every law of the creation -The mighty worlds which roll in space in every degree of velocity and direction are all governed by at traction of matter to matter. This principle governs the human body. Brandreth's Vegetable Universal Pills, attract all impurities of the blood to the howels, which organ expels them from the body. traction and disease are both units. All accidents of infections only affect the body in proportion as they occasion impurity of the blood.

The bowels for instance are costive—this most im-

portant organ is closed—the consequence is a great accumulation of impurities, which, as they cannot get out by their usual passage, are forced into the blood, oning impurity of blood. Thus Fevers, Chelics, Rheumatism, Coughs, and Colds are often produced. But let Brandreth's Pills be used in such do ses as will effectually evacuate the bowels, and health is restored at once."

The unworthy have counterfeited the Doctor's Medicine so extensively, that his travelling Agent is now taking in all the old boxes, and putting new ones of a different figure, with 25 Pills in their place. Some are just received at WILLIAM PECK'S Office. Raleigh, March 1, 1842.
